The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code Sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising therefrom.

2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 1, 4, 11, 14, 15 and 20 employees who, pursuant to subsection C. above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit 1, 4, 11, 14, 15, or 20 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. - P. In the event that traditional, but unofficial holidays (e.g., Mother's Day, Father's Day), or religious holidays (e.g., Easter or Yom Kippur) fall on an employee's scheduled workday, the employee shall have the option to request the use of annual leave, accrued vacation, holiday credits, personal leave or CTO time, in order to secure the day off. The department head or designee shall make a reasonable effort to grant an employee the day off subject to operational need.
- Q. The parties will jointly develop a holiday compensation training program for departments.

ARTICLE 8 – LEAVES

8.1 Vacation Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
20 years and over	14 hours per month

An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation credits as set forth under Item A. above. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.
- C. Employees working less than full-time accrue vacation in accordance with the chart shown in Section 7 L. of this Contract.
- D. Vacation credits may be taken in fifteen (15) minute increments.

- E. Employees are authorized to use existing fractional vacation hours that may have been accumulated.
- F. Upon termination from State employment, the employee shall be paid for accrued vacation credits for all accrued vacation time.
- G. Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be cancelled when unanticipated operational needs require it.
- H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- I. By June 1 of each calendar year those employees whose vacation balance exceeds, or could exceed by December 31, the vacation cap of Section 8.1 J. must submit to their supervisor for approval a plan to use vacation to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation to reduce the employee's vacation balance or potential balance on December 31 below the cap specified in Section 8.1 J.
- J. If an employee in Unit 1, 14 or 20 does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued vacation hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.

8.2 Sick Leave

- A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:
 - 1. Illness or injury, including illness or injury relating to pregnancy;
 - 2. Exposure to a contagious disease which is determined by a physician to require absence from work;

3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code Section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
1. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7.
 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;
 - b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.
- D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
1. The employee has a demonstrable pattern of sick leave abuse; or
 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
- E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.

- F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- G. Sick leave may be accumulated without limit.
- H. Sick leave may be requested and taken in fifteen (15) minute increments.
- I. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- J. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

8.3 Bereavement Leave

- A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code Section 297), child, grandchild, grandparent, brother, sister, stepchild, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.

- B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of his/her aunt, uncle, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, or immediate family members of domestic partners as defined in paragraph A. above. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- C. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued leave. Should additional leave be necessary, the department head or designee may authorize the use of other existing leave credits or authorized leave without pay. Any such request shall not be arbitrarily or unreasonably denied.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A. or B. above. Sick leave may be utilized for Bereavement Leave in accordance with the sick leave provision of this Contract in Section 8.2. Any such request shall not be arbitrarily or unreasonably denied.
- E. Fractional time base (part-time) employees will be eligible for bereavement leave on a pro rata basis, based on the employees' fractional time base. (See schedule in Article 7.)

8.4 Parental Leave

- A. A female permanent employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, childbirth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year. The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.
- B. A male spouse or male parent or domestic partner (as defined in accordance with Family Code Section 297), who is a permanent employee, shall be entitled, upon request, to an unpaid leave of absence for a period not to exceed one (1) year to care for his/her newborn child. The employee shall provide medical substantiation to support his/her request for parental leave. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.
- C. If the request for parental leave is made more than thirty (30) calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee.

- D. During the period of time an employee is on parental leave, he/she shall be allowed to continue their health, dental, and vision benefits. The cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

8.5 Adoption Leave

- B. During the period of time an employee is on adoption leave, he/she shall be allowed to continue their health, dental, and vision benefits. The cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.
- C. Existing leave credits may be used for the purpose of assuming custody of the adopted child.

8.6 Union Leave

- A. The Union shall have the choice of requesting an unpaid leave of absence or a paid leave of absence (Union leave) for a Union bargaining council representative, steward, or chief job steward. An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this Contract. A Union leave may also be granted during the term of this Contract at the discretion of the affected department head or designee in accordance with the following:
 - 1. The Union leave shall normally be requested on a State approved form fourteen (14) calendar days prior to the date of the leave.
 - 2. The Union leave request form shall be signed by either the Civil Service Division Director or the Deputy Director and no other signature will be honored by the State.
 - 3. A Union leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
 - 4. The Union agrees to reimburse the affected department(s) for the full amount of the affected employee's salary, plus an additional amount equal to 35 percent (35%) of the affected employee's salary, for all the time the employee is off on a Union leave, within 60 days of billing. Disputes regarding reimbursement shall be resolved through the arbitration process.
 - 5. The affected employee shall have no right to return from a Union leave earlier than the agreed upon date without the approval of the employee's appointing power.
 - 6. Except in emergencies or layoff situations, a Union leave shall not be terminated by the department head or designee prior to the expiration date.

7. Employees on a Union leave shall suffer no loss of compensation or benefits.
8. Employees on Union leave under this provision and the Union shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
9. In the event an employee on a Union leave, as discussed above, files a Workers' Compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a Union leave, the Union agrees to indemnify and hold harmless the State of California or agencies thereof, from both workers' compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

8.7 Unpaid Leave of Absence

- A. A department head or designee may grant an unpaid leave of absence for a period not to exceed one (1) year. The employee shall provide substantiation to support the employee's request for an unpaid leave of absence.
- B. Except as otherwise provided in subsection C. below, an unpaid leave of absence shall not be granted to any employee who is accepting some other position in State employment; or who is leaving State employment to enter other outside employment; or does not intend to, nor can reasonably be expected to, return to State employment on or before the expiration of the unpaid leave of absence. A leave, so granted, shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
- C. An unpaid leave of absence may be granted for, but not limited to, the following reasons:
 1. Union activity;

The State shall attempt to accommodate a shift change request from an employee involved in (1) or (2) above on the day of a State Personnel Board hearing.

All employees shall, upon transfer in State service, transfer with all accumulated vacation, annual leave, personal leave, personal days, and sick leave credits.

Such pay shall be in the amount of the difference between the employee's regular pay and any amount he/she receives for such appearance. In no case shall this amount exceed the employee's regular pay.

8.14 Jury Duty

- A. An employee shall be allowed such time off without loss of compensation as is required in connection with mandatory jury duty. Upon receiving notice of jury duty an employee shall immediately provide a copy of the notice to his/her supervisor.

- B. If payment is made for such time off, the employee is required to remit to the State jury fees received. - C. For an employee summoned to jury duty during hours other than the employee's regular and customary shift, management will endeavor to temporarily reassign the employee to a work shift that more closely coincides with the hours the employee is required to serve on jury duty, including any necessary travel time, subject to the following:
 - 1. The department already maintains an appropriate work shift that utilizes the employee's classification; and

Concurrence will not be unreasonably withheld.

8.15 Personal Leave Program: 1992

Departments shall consider an employee's request to retain leave credits for future use rather than have the leave cashed out. Upon termination from State employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation or annual leave. Cash-out or lump-sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued Personal Leave.

- C. If any dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 3 (Department of Personnel Administration) of the grievance procedure shall be final and not subject to the arbitration clause of this Contract.
- D. Personal Leave credits shall not be counted towards the 1,734/1,934 hours of compensation for Special School employees subject to the State Special Schools 10-Month Compensation Agreement.

8.16 Family Medical Leave Act (FMLA)

- A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA". The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code Section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing the FMLA benefits the following definitions shall apply:
 - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
 - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
 - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Section 8.8 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member, may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with Sections 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Section 8.8 of this Contract.

- c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with Section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.
- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous 12 month rolling period, shall be entitled to additional leave up to a total of 12 weeks for the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.
- G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.
- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

8.17 Mentoring Leave

- A. Eligible employees may receive up to forty (40) hours of "mentoring leave" per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. "Mentoring leave" is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. "Mentoring leave" may not be used for travel to and from the mentoring location.

- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting "mentoring leave". For example, if an employee requests two (2) hours of "mentoring leave", he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave". "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.
- E. In order to be eligible for "mentoring leave", an employee must:
 - 1. Have a permanent appointment;
 - 2. Have successfully completed their initial probationary period; and
 - 3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the California Mentor Program Directory, under the guidance of the California Department of Alcohol and Drug Programs, for a minimum of one school year. (Most programs are aligned with the child's normal school year, however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)
- F. An employee is not eligible to receive "mentoring leave" if:
 - 1. He or she is assigned to a "post" position in the Departments of Corrections or Youth Authority; or
 - 2. He or she works in a level of care position in the Departments of Developmental Services, Mental Health, Education or Veterans' Affairs.
- G. Permanent part-time and Permanent Intermittent employees may receive a pro-rated amount of mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to 160 hours) to earn 3.3 hours of mentoring leave.
- H. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Article 6 of this Contract.

8.18 Work and Family Participation

A. Family Activity

Subject to operational needs and reasonable notice to the employer, employees shall be permitted to use accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or non-school family-related activities such as sports events, recitals, 4-H, etc., in which the employee's child is participating.

However, use of such leave shall not diminish an employee's entitlement under the Family School Partnership Act (Labor Code Section 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee's child is participating.

Family is defined as the employee's son, daughter, or any child the employee stands in loco parentis (to the child).

Employee leave requests for family activities shall be in accordance with the appropriate departmental procedures.

B. Family Crisis

Subject to operational needs, and upon reasonable notice to the employee's immediate supervisor, employees shall be eligible to use accumulated leave credits for the purpose of dealing with family crisis situations (e.g., divorce counseling, family or parenting conflict management, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave.

Family is defined as the parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code Section 297), child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household.

If eligible, any family crisis leave that meets the definition of serious health condition will run concurrently with Section 8.16 of this Contract, Family and Medical Leave Act.

The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department's operational needs and the provisions of this Contract.

Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor.

The State shall maintain the confidentiality of any employee requesting accommodation under this section, but may require substantiation to support the employee's request.

8.19 Annual Leave Program

- A. Employees in Bargaining Unit 1 who are currently enrolled in the Annual Leave Program may continue their participation in the program.
- B. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave programs at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until twenty four (24) months has elapsed from date of enrollment.
- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

Part-time and hourly employees shall accrue proportional annual leave credits, in accordance with the applicable DPA rules. Employees shall have the continued use of any sick leave accrued as of the effective date of the Agreement, in accordance with applicable laws, rules, or memorandum of understanding. All provisions necessary for the administration of this Section shall be provided by DPA rule or memorandum of understanding.

- D. Employees, who elect, upon transfer into Bargaining Unit 1, the vacation and sick leave programs will have their accrued Annual Leave converted to vacation and sick leave as follows:

An employee switching to the sick leave and vacation programs may designate an amount of accrued annual leave to be assigned to vacation time. The accumulated vacation leave shall not exceed 400 hours. All other accrued hours from the Annual Leave Program will be converted to sick leave.
- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA Rules 599.608 and 599.609. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive days which fail into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- F. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combing all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be

determined by the schedule which applies to the position or collective bargaining status under which the election was made.

- G. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking annual leave until December 31 because of sick leave; or (5) was on jury duty.
- H. Upon termination from State employment, the employee shall be paid for accrued annual leave credits for all accrued annual leave time.
- I. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee's annual leave bank exceeds the cap in Subsection F., the department may order the employee to take annual leave.
- J. Annual leave that is used for purposes of vacation is subject to the requirements set forth in Section 8.1, Vacation Leave, of this Agreement.
- K. Each department head or designee will make every effort to act on annual leave requests in a timely manner.
- L. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in Article 8.2, Sick Leave, of this Agreement.
- M. The Enhanced Non-Industrial Disability Insurance (ENDI) in Article 9.14 applies only to those in the annual leave program described above in this Section.
- N. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after twenty-four (24) months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary).
- O. This section may be amended during the term of this Contract as a result of the negotiated agreement to implement State Disability Insurance.

8.20 Paid Time Off – Precinct Election Board

With prior approval of the employee's supervisor and under comparable conditions as provided for supervisors and managers in DPA Rule 599.930, an employee in Bargaining Units 1, 4, 11, 14, 15 and 20 may be granted time off for public service as a member of a Precinct Election Board. The employee shall be eligible for both regular State compensation and any fee paid by the Registrar of Voters for such service. Verification of service may be required.

8.21 Personal Leave Program

Effective the first pay period following the signing of this tentative agreement, the State shall implement a mandatory Personal Leave Program for all Units 1, 4, 11, 14, 15, and 20 employees. This program shall remain in effect for 12 months. Employees may voluntarily participate in the personal leave program on a continuing basis.

- A. Each full-time employee subject to paragraph B. shall be credited with eight (8) hours of Personal Leave on the first day of the following monthly pay period for each month in the Personal Leave Program.
- B. Salary ranges and rates shall be changed to reflect the July 1, 2003 general salary increase; however, each full-time employee shall continue to work his/her assigned work schedule and shall have a reduction in pay equal to 5%. In exchange 8 hours of leave will be credited to the employee's Personal Leave Program monthly.
- C. Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation and annual leave. Personal leave shall not be included in the calculation of vacation/annual leave balances pursuant to Article 8 (Leaves) and Sections 8.1 (Vacation Leave) and 8.19, (Annual Leave).
- D. At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance, for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employee's personal leave balance may be transferred into a State of California, Department of Personnel Administration Deferred Compensation Program as permitted by federal and state law.
- E. An employee may not use any kind of paid leave such as sick leave, vacation, or holiday time to avoid a reduction in pay resulting from the Personal Leave Program.
- F. A State employee in the Personal Leave Program shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits he or she would have received had the Personal Leave Program not occurred.
- G. The Personal Leave Program shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.

- H. The Personal Leave Program shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- I. Part-time employees shall be subject to the same conditions as stated above, on a prorated basis.
- J. The Personal Leave Program for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.
- K. The Personal Leave Program shall be administered consistent with the existing payroll system and the policies and practices of the State Controller's Office.
- L. Employees on EIDL, NDI, IDL, or Worker's Compensation for the entire monthly pay period shall be excluded from the Personal Leave Program for that month.

8.22.1 Blood Donation Programs (Unit 1)

Unit 1 employees who donate blood, plasma, platelets and other blood products to certified donation centers may be allowed reasonable release time without loss of compensation when donations are made either at or in close proximity to the work site. Donation verification shall be provided upon request.

8.23.1 EDD Vacation Leave Policy (Units 1 and 4)

Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be canceled when unanticipated operational needs require it.

An employee shall be granted annual vacation leave request(s) up to their annual accrual rate. All vacation leave taken during the calendar year shall be counted towards the amount of leave described in the previous sentence. Employees must have sufficient leave earned and available to cover the time requested, prior to beginning their vacation.

When two (2) or more employees on the same shift (if applicable) in a work unit (as defined by EDD) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. After review of State service and departmental seniority a tie will be broken by lot. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions, shall not be affected by employee(s) entering the unit after the schedule has been established.

There are two periods during which vacation leave requests may be submitted:

1. A defined filing period.
2. Outside a defined filing period.

Defined Filing Period

Bargaining Unit 1 and 4 employees shall be offered the opportunity to submit vacation requests during a defined filing period which shall be the mid-month of each quarter of the year. Quarters are defined as January through March, April through June, July through September, and October through December. Requests may apply to leave to be taken during any of the four (4) quarters following the quarter in which a request is filed.

Employees may submit their vacation leave requests during the first ten working days of the mid-month of each quarter.

EDD management will, within fifteen working days after close of the filing period, post vacation leave approvals by work unit with an attached waiting list (if any) based on seniority. This information will be posted in a location accessible to employees. The waiting list shall be used to grant further vacation leave as operational needs permit.

When an employee who was granted vacation leave cancels that leave, or will not have sufficient leave credits to cover the leave, the first person on the waiting list, if any, shall be awarded that vacation leave time.

Once an employee's vacation request submitted during a filing period is approved, the employee cannot be bumped by a more senior employee submitting a request outside a filing period or making a request during a later filing period.

Outside a Defined Filing Period

An employee may request vacation at any time outside a defined filing period to cover unplanned or unanticipated needs for vacation leave. Such leave requests will be limited to leave to be taken prior to the end of the next quarter.

When an employee requests vacation leave outside a defined filing period, the employee's vacation leave request shall be granted on a first come, first served basis.

EDD management will notify an employee requesting vacation leave outside a defined filing period in a timely manner.

When two (2) or more employees request vacation for the same period on the same day, ties will be broken based upon seniority as defined above.

Vacation In Lieu of Sick Leave & Other Sections of the Personnel Management Handbook will be updated to reflect negotiated changes in the new Contracts.

Expedited Grievance Procedure

EDD agrees to the following expedited grievance procedure for alleged violations of Article 8 - Leaves, Section 8.1(G) Vacation Leave. This procedure applies to Unemployment Insurance Call Centers, Tax Branch Call Centers, Adjudication Centers, and Disability Insurance Offices.

For the purpose of grievances filed pursuant to Section 8.1(G), Step 1 will be defined as the Director or designee. If the decision received is not satisfactory, the grievance may be appealed to Step 3 (DPA) and will be subject to the arbitration procedure.

Vacation Information

EDD agrees to provide the following information for Unemployment Insurance Call Centers, Adjudication Centers and Disability Insurance Offices.

- A monthly report to CSEA showing the number of staff who worked and number of staff who used vacation, by Attendance Reporting Unit (ARU), by electronic mail.
- A posting of window period information will be available for inspection at each work site, which will include:
 1. Vacation requests received;
 2. Time period(s) requested;
 3. Vacation requests denied; and
 4. Vacation requests granted.

An electronic report containing the above information, where available, will be provided to CSEA within 20 working days from the end of the window period. Where the information is not available in electronic format, EDD will provide this information by hard copy.

The number of vacation requests, by ARU, received outside the defined window period which are denied will be provided to CSEA by electronic report on a monthly basis. Information reported will only include vacation denials for requests in excess of eight hours.

ARTICLE 9 – HEALTH AND WELFARE

9.1 Benefit Plans

A. Health Benefit Plans

1. Health Program Description
 - a. Contribution Formula

Effective January 1, 2004 through December 31, 2005, the employer health benefits contribution for each employee shall be an amount equal to 80 percent of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, for the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year. For each employee with enrolled family members, the employer shall contribute an additional 80 percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous year. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

 - a. The State shall pay up to \$30.70 per month for coverage of an eligible employee.
 - b. The State shall pay up to \$55.60 per month for coverage of an eligible employee plus one dependent.
 - c. The State shall pay up to \$81.38 per month for coverage of an eligible employee plus two or more dependents.
- 2. The employee will pay any premium amount for the dental plan in excess of the State’s contribution, except that the employee’s share of the cost shall not exceed 25 percent (25%) of the total premium.

B. Employee Eligibility

Employee eligibility for dental benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

C. Family Member Eligibility

Family member eligibility for dental benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

D. Coverage During First 24 Months of Employment

Employees first appointed into State service who meet the above eligibility criteria, will not be eligible for enrollment in the State-sponsored indemnity or preferred provider option plan until they have completed twenty-four (24) months of employment without a permanent break in service during the 24 month qualifying period. However, if no alternative plan or prepaid plan is available within a 50-mile radius of the employee's residence, the employee will be allowed to enroll in the indemnity or preferred provider option plan.

9.3 Vision Benefit Plan

A. Program Description

The employer agrees to provide a vision benefit to eligible employees and dependents. The vision benefit provided by the State shall have an employee co-payment of \$10 for the comprehensive annual eye examination and \$25 for materials.

B. Employee Eligibility

Employee eligibility for vision benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

C. Family Member Eligibility

Family member eligibility for vision benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

9.4 Rural Health Care Equity Program

Effective July 1, 2001, the State shall continue a Rural Health Care Equity Program for Bargaining Unit 1, 4, 11, 14, 15 and 20 members, which may be administered in conjunction with a similar program for State employees in other bargaining units, for excluded employees, and for annuitants. The Department of Personnel Administration shall administer any fund involving Bargaining Unit 1, 4, 11, 14, 15 and 20 members.

1. The program shall operate in the following fashion:

a. The State shall contribute \$1500 per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Government Code Section 22825.01.

(1) For Bargaining Unit 1, 4, 11, 14, 15 and 20 members payments shall be on a monthly basis.

(2) For permanent employees, as in the "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.

- b. As to any employee who enters State service or leaves State service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in mid-fiscal year).
- c. The money shall be available for use as defined in Government Code Section (GC) 22825.01.
- d. A Rural Healthcare Equity Program will be established with a separate account for Bargaining Unit 1, 4, 11, 14, 15 and 20 members, as one of several similar accounts.
- e. Each Unit 1, 4, 11, 14, 15 and 20 employee shall be able to utilize up to \$1500 per fiscal year, pursuant to GC section 22825.01, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to paragraph 1(b) is applicable here.
- f. If an employee does not utilize the complete \$1500 pursuant to the procedures and limitations described in GC section 22825.01, then the unused monies shall be put in a "same year pool". That same year pool shall be utilized to pay those who have incurred eligible health care expenses in excess of the \$1500, but again according to the procedures and limitations in the statute. The monies in the same year pool would be distributed at the end, or even soon after, each fiscal year to that group of employees who had expenses in excess of \$1500 in the relevant fiscal year. Those monies shall be distributed on a pro tanto (pro rata) basis.
 - (1) Any employee not in Bargaining Unit 1, 4, 11, 14, 15 and 20 all year shall receive credit under this paragraph utilizing the same pro rata formula as in paragraph 1(b). above.
 - (2) If an employee is entitled to less than \$25 under this paragraph, the money shall instead go into next year's fund pursuant to paragraph g hereafter.
- g. If monies still remain after a distribution to such employees (i.e., all employees who spent more than \$1500 as provided in GC section 22825.01 were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year's funds available for distribution to employees whose expenses pursuant to the statute exceed \$1500 in such subsequent year. Similar "rollovers" would occur in any years where all employees were completely reimbursed (or had payments made on their behalf) pursuant to GC 22825.01 and monies still remained in the pool.

9.5 Employee Assistance Program

- A. The State recognizes that alcohol, nicotine, drug abuse, and stress may adversely affect job performance and are treatable conditions. As a means of correcting job performance problems, the State may offer referral to treatment for alcohol, nicotine, drug, and stress-related problems such as marital, domestic partner, family, emotional, financial, medical, legal, gender transition or other personal problems. The intent of this section is to assist an employee's voluntary efforts to treat alcoholism, nicotine use, or a drug-related or a stress-related problem.

- B. Each department head or designee shall designate an Employee Assistance Program Coordinator who shall arrange for programs to implement this section. Employees who are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. An employee using the Employee Assistance Program, upon approval, may use accrued sick leave credits, CTO, vacation, and holiday credits for such a purpose. Leaves of absence without pay may be granted by the department head or designee upon the recommendation of the Employee Assistance Program Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or Non-Industrial Disability Insurance. A list of all Employee Assistance Program Coordinators and a telephone number to contact the appropriate coordinator shall be furnished to the Union within a timely manner after the execution of this Contract. Changes to such lists and phone numbers shall be promptly furnished to the Union when such changes occur.
- C. The records concerning an employee's referral and/or treatment shall be kept confidential. No manager, supervisor, department director, or coordinator shall disclose the nature of the employee's treatment or the reason for employee's leave of absence. Records of such referrals shall not be kept in the employee's personnel file.
- D. Upon request by the Union, a department which has an internal Employee Assistance Program for its employees will meet to discuss concerns presented by the Union regarding the administration of the program.

9.6 Pre-Tax of Health and Dental Premiums Costs

Employees who are enrolled in any health and/or dental plan which requires a portion of the premium to be paid by the employee, will automatically have their out-of-pocket premium costs taken out of their paycheck before Federal, State, and social security taxes are deducted. Employees who choose not to have their out-of-pocket costs pretaxed, must make an election not to participate in this benefit.

9.7 Pre-retirement Death Continuation of Benefits

- A. Notwithstanding Government Code Section 22777, the State employer shall, upon the death of an employee while in State service, continue to pay employer contributions for health, dental, and vision benefits for a period not to exceed 120 days beginning in the month of the employee's death. The surviving spouse, domestic partner* or other eligible family member, if any, shall be advised of all rights and obligations during this period regarding the continuation of health and dental benefits as an annuitant by the California Public Employees' Retirement System. The surviving spouse, domestic partner* or eligible family member shall also be notified by the department during this period regarding COBRA rights for the continuation of vision benefits. - B. For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60 percent (60%) of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding twenty-six (26) weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays.
- C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital or surgical unit or licensed surgical clinic. Procedure rooms and doctor's offices are not included.
- D. If the employee elects to use vacation, annual leave, personal leave, or sick leave credits prior to receiving NDI payments, he/she is not required to exhaust the accrued leave balance.
- E. Following the start of NDI payments, an employee may, at any time, switch from NDI to sick leave, vacation leave, annual leave, personal leave, or catastrophic leave but may not return to NDI until that leave is exhausted.
- F. In accordance with the State's "return to work" policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his or her disability, may upon the discretion of his or her appointing power work those hours (in hour increments) which, when combined with the NDI benefit, will not exceed 100 percent (100%) of their regular "full pay". This does not qualify the employee for a new disability period under B. of this section. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his/her position.
- G. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.

- H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the eighteen (18) monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- I. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.
- K. All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights, which are not related to the denial of an individual's benefits.

- C. The EIDL benefits will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax, and the employee's retirement contribution have been deducted from the employee's gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.
- D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.

- E. The final decision as to whether an employee is eligible for, or continues to be eligible for EIDL, shall rest with the department director or designee. The department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- F. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- G. This section relating to EIDL will not be subject to the arbitration procedure of this Contract.
- H. In circumstances that deviate from paragraphs A, B, and D the Director may consider and grant EIDL on a case-by-case basis when he/she determines the injury was in fact job-related.

- C. The employee may elect to supplement payment from the twenty-third (23rd) workday with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one (1) hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.

- F. In the event that an employee is determined to be "permanent and stationary" by his/her physician before the IDL benefit is exhausted, but is unable to return to work, he/she must agree to participate in a vocational rehabilitation program. Refusing to participate will result in immediate suspension of the IDL benefit.
- G. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

- F. Following the start of ENDI payments an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.

- G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full-time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of their regular "full pay". This does not qualify the employee for a new disability period under c. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.
- H. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, ENDI benefits will be terminated effective the date of the offer.
- I. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- M. Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.
- N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program in section 9.13.

ARTICLE 11 – SALARIES

11.1 Salaries

Notwithstanding any other Contract provision to the contrary, the general salary rates of July 1, 2003 shall remain in effect for the term of this Contract unless amended pursuant to Article 22, Section 22.2 B.

11.2 Salary Definitions

Units 1, 4, 11, 14, 15 and 20 hereby agree to support putting the following changes to Article 5 of the Department of Personnel Administration regulations into effect provided all bargaining units agree to the same.

As used in this Article, terms are defined as follows:

- A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class; Top Step Rounding: Classes shall be adjusted to reflect 5 percent increments between the minimum and the maximum salary rates. Each 5 percent shall be calculated by multiplying by 1.05 and rounded to the nearest dollar. To calculate 5 percent for daily and hourly rates multiply by 1.05 and round to the nearest dollar and cents amount, subject to the availability of funds.
- B. "Step" for employees compensated on a monthly basis is a five percent (5%) differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a five percent (5%) differential above or below a rate rounded to the nearest dollar and cents amount. One-step higher is calculated by multiplying the rate by 1.05 (e.g., $\$2,300 \times 1.05 = \$2,415$). One-step lower is calculated by dividing the rate by 1.05 (e.g., $\$2,415 \div 1.05 = \$2,300$).
- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two salary ranges.

- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two-steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two-steps higher than the maximum salary rate of another salary range.
- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range.

Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

11.3 Timely Payment of Wages

- A. When a permanent full-time employee receives no pay warrant on payday, the State agrees to issue a salary advance, consistent with departmental policy and under the following conditions:
 - 1. When there are errors or delays in processing the payroll documents and the delay is through no fault of the employee, a salary advance will normally be issued within two (2) workdays after payday for an amount close to the actual net pay (gross salary less deductions) in accordance with departmental policy;
 - 2. When a regular paycheck is late for reasons other than 1. above (e.g., AWOL, late dock), a salary advance of no less than 50 percent (50%) of the employee's actual net pay will normally be issued within five (5) workdays after payday. No more than four (4) salary advances per calendar year may be issued under these circumstances;
 - 3. The difference between the employee's net pay and the salary advance shall not be paid until after receipt of the Controller's warrant for the pay period.
- B. It will be the responsibility of the employee to make sure voluntary deductions (e.g., credit union deductions, union dues, etc.) are paid.
- C. This provision does not apply to those employees who have direct deposit.
- D. Nothing in this provision shall prevent departments from continuing policies in excess of this provision.
- E. The State agrees to provide timely payment of wages after an employee's discharge, layoff, or resignation consistent with applicable department and Controller's Office policies.
- F. Overpayments or any other payroll errors shall be administered in accordance with Government Code Section 19838 except as otherwise provided in this section. By mutual agreement, the overpayment may be satisfied by the use of leave credits, excluding sick leave.

- G. For overtime checks, an advance for an amount close to the actual net pay shall be issued by the end of the pay period following the actual month for which the overtime is submitted if the overtime check is not available at the time.

11.4 Merit Salary Adjustments (MSA)

- A. Employees shall receive annual merit salary adjustments (MSA) in accordance with Government Code Section 19832 and applicable Department of Personnel Administration rules.

11.6 Bilingual Differential Pay

Bilingual Differential Pay applies to those positions designated by the Department of Personnel Administration as eligible to receive bilingual pay according to the following standards:

- A. Definition of Bilingual Position for Bilingual Differential Pay:
 - 1. A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging ten percent (10%) of the time. Anyone using their bilingual skills ten percent (10%) or more of the time will be eligible whether they are using them in a conversational, interpretation, or translation setting. An employee may provide their supervisor with data supporting the use of their bilingual skills ten percent (10%) or more of the time. Management will evaluate this data in assigning bilingual designation to the position. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the Department of Personnel Administration. (Time should be an average of the time spent on bilingual activities during a given fiscal year.);

2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:
 - a. A direct public contact position;
 - b. A hospital or institutional setting dealing with patient, client, student, or inmate needs;
 - c. A position utilized to perform interpretation, translation, or specialized bilingual activities for the department and its clients.
 3. Position(s) must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
 4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
 5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the ten percent (10%) standard.
- B. Rate:
1. An employee meeting the bilingual differential pay criteria during the entire pay period would receive a maximum of \$100 per pay period including holidays.
 2. A monthly employee meeting the bilingual differential pay criteria less than the entire pay period would receive the differential on a pro rata basis.
 3. A fractional-month employee meeting the bilingual differential pay criteria would receive the differential on a pro rata basis.
 4. An employee paid by the hour meeting the bilingual differential pay criteria would receive a differential of 58 cents per hour.
- C. Employees, regardless of the time base or tenure, who use their bilingual skills more than ten percent (10%) of the time on a continuing basis and are approved by the Department of Personnel Administration will receive the bilingual differential pay on a regular basis.
- D. Bilingual differential payments will become earnings and subject to contributions to the State Retirement System, OASDI, levies, garnishments, Federal and State taxes.

- F. Employees will be eligible to receive the bilingual differential payments on the date the Department of Personnel Administration approves the departmental pay request. The effective date may be retroactive to the date of appointment to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date may be retroactive up to sixty (60) days when the incumbent's duties are changed to include the use of bilingual skills.

- G. Bilingual salary payments will be included in the calculation of lump-sum vacation, sick leave, and extra hour payments to employees terminating their State service appointment while on bilingual status.
- H. Work Week Group 2 employees will receive bilingual salary compensation for overtime hours worked.
- I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- J. The bilingual differential pay should be included in the rate used to calculate temporary disability, Industrial Disability, and Non-Industrial Disability leave benefits.
- K. Employees who do not receive a bilingual differential shall not be required to use bilingual skills.

11.7 Sustained Superior Accomplishment Awards

Sustained Superior Accomplishment Awards shall not be considered "compensation" for purposes of retirement.

11.8 Union-Management Committee on State Payroll System

The parties agree to establish a Union-Management Committee to advise the State Controller on planned and anticipated changes to the State's payroll system. Topics to be explored include, but are not limited to, accuracy and timeliness of the issuance of overtime warrants, changes in earnings statements, direct deposit of employee pay, and design of and transition to a biweekly pay system.

The committee shall be comprised of an equal number of management representatives and Union representatives. In addition, the Department of Personnel Administration shall designate a chairperson of the committee. The Union may have one representative each from Bargaining Units 1, 4, 11, 14, 15 and 20 who shall serve without loss of compensation.

11.9 Recruitment and Retention Differentials

- A. Upon approval by the Department of Personnel Administration, a department may provide a monthly recruitment and retention differential to employees.
- B. This differential may be authorized for specific classifications in specific geographic locations or facilities.
- C. A department will provide the Union with notice when a request to provide a monthly recruitment and retention differential is made to the Department of Personnel Administration.
- D. Less than full-time permanent employees and permanent intermittent employees may receive a recruitment and retention differential on a pro rata basis.
- E. The amount and location of such differentials is neither grievable nor arbitrable.

11.10 Recruitment and Retention - Avenal, Ironwood, Calipatria, Chuckawalla Valley and Centinela Prisons

- A. Employees who are employed at Avenal, Ironwood, Calipatria, Chuckawalla Valley or Centinela State Prisons, Department of Corrections, for twelve (12) consecutive qualifying pay periods, shall be eligible for a recruitment and retention bonus of \$2,400, payable thirty (30) days following the completion of every twelve (12) consecutive qualifying pay periods.
- B. If an employee voluntarily terminates, transfers, or is discharged prior to completing twelve (12) consecutive pay periods at Avenal, Ironwood, Calipatria, Chuckawalla Valley or Centinela State Prisons, there will be no pro rata payment for those months at either facility.
- C. If the department mandatorily transfers an employee, he/she shall be eligible for a pro rata share for those months served.
- D. If an employee promotes to a different facility or department other than Avenal, Ironwood, Calipatria, Chuckawalla Valley or Centinela State Prisons prior to completion of the twelve (12) consecutive qualifying pay periods, there shall be no pro rata of this recruitment and retention bonus. After completing the twelve (12) consecutive qualifying pay periods, an employee who promotes within the department will be entitled to a pro rata share of the existing retention bonus.
- E. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked excluding overtime during the twelve (12) consecutive qualifying pay periods.
- F. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.
- G. Employees on IDL shall continue to receive this stipend.
- H. If an employee is granted a leave of absence, the employee will not accrue time towards the twelve (12) qualifying pay periods, but the employee shall not be required to start the calculation of the twelve (12) qualifying pay periods all over. For example, if an employee has worked four (4) months at qualifying institution and then takes six (6) months' maternity leave the employee will have only eight (8) additional qualifying pay periods before receiving the initial payment of \$2,400.
- I. It is understood by the Union that the decision to implement or not implement annual recruitment and retention payments or to withdraw authorization for such payments, and the amount of such payments rests solely with the State and that decision is not grievable or arbitrable.

11.11 Deferred Compensation Plans

Employees are to be included in the State of California, Department of Personnel Administration's, 401(k) and 457 Deferred Compensation Programs. Eligible employees under IRS Code Section 403(b) will be eligible to participate in the 403(b) Plan.

11.12 Tax Deferral of Lump Sum Leave Cash Out Upon Separation

- B. If an employee does not have an existing 457 and/or 401k plan account, he/she must enroll in the SPP and become a participant in one or both plans no less than 60 days prior to his/her date of separation.
- C. Such transfers are subject to and contingent upon all statutes, laws, rules and regulations authorizing such transfers including those governing the amount of annual deferrals.
- D. Employees electing to make such a transfer shall bear full tax liability, if any, for the leave transferred (e.g., "over-defers" exceeding the limitation on annual deferrals).
- E. Implementation, continuation and administration of this section is expressly subject to and contingent upon compliance with the SPP's governing plan document (which may at the State's discretion be amended from time to time), and applicable federal and State laws, rules and regulations.
- F. Disputes arising under this section of the Contract shall not be subject to the grievance and arbitration provisions of this Contract.

This differential shall be called Institutional Worker Supervision Pay (IWSP).
- B. The pay differential shall not be subject to PERS deductions for either the employee or the State.
- C. The pay differential shall be pro-rated for less than full-time employees.
- D. The pay differential shall only be included in overtime calculations for FLSA eligible classes, and shall not be included to calculate NDI or lump sum vacation, sick and excess hours due to fluctuating work schedules.
- E. Upon promotion to a higher classification in State Service an employee receiving compensation under this pay differential shall move from their combined salary rate (base salary plus IWSP) to compute the appointment rate.
- F. To implement the change from AR40 to the IWSP differential, a red circle rate will be authorized where the employee's IWSP differential is greater than the employee's base salary plus IWSP. The red circle rate will equal the difference between the two described pay levels. The red circle rate concept shall continue until such time as the employee's adjusted base salary plus the IWSP equals or exceeds the employee's salary with AR40.

11.14.1 Out-of-State Pay Differential (Unit 1)

- A. Employees who are headquartered out of State or who are on permanent assignment to travel at least 50 percent of the time out of State shall continue to receive an out-of-State pay differential of \$346 per month.

11.16.1 Arduous Duty Differential for FLSA Exempt Employees (Unit 1)

The State shall establish an “arduous pay” program to provide additional compensation to FLSA exempt employees assigned to WWGs E and SE when there is no other way to recognize the performance of additional duties and responsibilities which clearly exceed the normal demands of an employee’s classification/position. Employees shall be eligible for this pay differential for up to four months per fiscal year (or per event for emergencies involving loss of life or property).

Requests for arduous pay shall be made to the DPA on a case-by-case basis by the employing department. The DPA shall evaluate said requests based on whether it satisfies all of the following:

1. Nonnegotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of the deadline.

2. Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee’s work assignment.

Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.

3. Work is Unavoidable

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

4. Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than 12 to 14 days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

5. No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

DPA decisions to deny arduous pay shall not be subject to the grievance or arbitration provisions of this Contract.

The differentials shall be \$300 per workweek, up to \$1200 total per pay period. Any workweek that overlaps months should be counted in the month that the workweek ends. An employee may be paid: \$300, \$600, \$900 or \$1200 per pay period.

The study shall be completed no later than March 1, 2004.

- C. The State shall conduct a classification study of the Health Facility Evaluator (HFE) classes listed below to determine if the duties being performed are appropriate for the classes. The study shall also address the following issues:
1. Whether HFE IIs and Specialists who possess the legal requirements to practice as professional registered nurses in California and who are required to use that knowledge in the performance of their jobs are appropriately classified;
 2. Whether HFE Is are performing work within their class specification or whether they are performing out-of-class work, e.g., as Fire and Life Safety Officers (Health Facilities Construction);
 3. Whether some HFEs are working out-of-class as Health Program Auditors;
 4. The non-use of the HFE Trainee class;
 5. Whether a requirement exists for a license by the Federal Licensing Board for the HFE incumbents.

Code	Class
8007	Health Facilities Evaluator Trainee
8001	Health Facilities Evaluator I

11.18.1 California State Lottery Sales Incentive Bonus (Unit 1)

The California State Lottery (CSL) reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

Additionally, the CSL reserves the right to evaluate the efficiency and effectiveness of new gaming methods, techniques, equipment and software, as well as new gaming products and sales aids, through tests or pilot programs. The time duration for the tests and/or pilot programs may vary. Pilots/tests shall be implemented at the beginning of a quarter unless a budgetary or legal reason exists in which case the pilot/test may be implemented mid-quarter. The CSL will meet and discuss the impact of a test prior to implementation, upon Union request.

Employees appointed to the CSL classifications of District Sales Representative (DSR) and Key Accounts Specialist (KAS) are eligible to receive a sales bonus based on achievement of sales in the following three product lines: Scratcher products; On-Line products; and a Target Game which shall be designated by the Director or designee.

The following provisions shall govern the program:

A. Prior to the beginning of each new quarter, the CSL Director or designee shall announce a statewide sales goal for each of the three product lines identified above. Individual achievement of quarterly sales goals for each territory or account list is measured against the established quarterly CSL statewide sales goal for each of the three product lines. The sales bonus for eligible employees is based on sales achievement in each of the three product lines. Scratcher product sales are defined as only those ticket packs that have been financially settled by retailers.

B. The CSL Sales Division shall issue a quarterly report showing the percentage contribution (market share) of the employee's sales area to actual statewide sales.

The "market share" of each sales area is the percentage contribution of the territory or account list to actual statewide sales during quarter ending one quarter prior to the goal quarter, also identified as the "quarter before last".

Example: The goal for quarter 1 of FY 1999/00 is based on the market share from quarter 3 of FY 1998/99.

C. Each product line is allocated a percentage of the total award dollar with each level as follows: Scratchers product 70 percent; Target Game product 20 percent; and On-Line product 10 percent. Upon completion of each quarter and a qualifying period, if a territory or account list achieves at least a Level 1 sales goal in any product line, the employee receives the appropriate percentage of the total award attributable to that product for the level achieved. With a qualifying period, the employee is eligible to attain an award for each of the three product lines.

D. "Target Game" is that game identified and designated by the Director (CSL) or designee to receive special promotional emphasis. Target Game sales shall be excluded from the goal and achievement of other product lines.

If a Target Game is not designated, the Director or designee shall redirect the Target Game percentage to the other remaining product lines.

E. If the CSL deems it necessary to adjust one or more of the bonus level percentages, it shall notify the Union and meet and confer, upon request, concerning the impact of the proposed adjustment.

F. Bonus levels and corresponding dollar awards attributable to each level are listed below:

Bonus Level % of Sales Goal Achieved	Level 1	Level 2	Level 3	Level 4
	102%	105%	108%	112%
District Sales Representative (DSR) Maximum Bonus Award	\$1,100	\$1,600	\$2,100	\$3,200
(70%) Scratcher Product	\$ 770	\$1,120	\$1,470	\$2,240
(20%) Target Game	\$220	\$320	\$420	\$640
(10%) On-Line Product	\$110	\$160	\$210	\$320
Key Account Specialist (KAS) Maximum Bonus Award	\$1,600	\$2,100	\$2,850	\$3,950
(70%) Scratcher Product	\$1,120	\$1,470	\$1,995	\$2,765
(20%) Target Game	\$320	\$420	\$570	\$790
(10%) On-Line Product	\$160	\$210	\$285	\$395

G. Each eligible employee described in Subsections G (2) through G (8) shall be required to work a qualifying period to be eligible for bonus.

1. A qualifying period is defined as actually working in a territory or actually working an assigned account list a minimum of sixty-five percent (65%) of actual available work days in a thirteen-week (13) quarter excluding holidays and weekends.

Formula: 13 weeks (91 days) less weekends (26 days) times 8 hours a day less holiday hours times 65% equals a qualifying period.

Example: A qualifying period in a quarter with no holidays equals 65 days; a qualifying period in a quarter with one holiday equals 64 days.

2. A full-time employee who works a qualifying period and who works in an assigned territory or an assigned account list during the quarter is eligible for the appropriate level bonus achieved by that territory/account list during that quarter.
3. An intermittent employee who works a qualifying period and who works in a single territory during the quarter is eligible for the appropriate level bonus achieved by that territory/account list during that quarter.
4. An intermittent employee who works a qualifying period and who works in more than one territory in a single district during the quarter is eligible for the appropriate level bonus achieved by that district during that quarter.

5. An intermittent employee who works a qualifying period and who works in more than one territory and in more than one district in either the North or South region during the quarter is eligible for the appropriate level bonus achieved by that region during that quarter.
 6. An intermittent employee who works a qualifying period and who works in more than one territory in both the North and South regions during the quarter is eligible for the appropriate level bonus achieved by the State during that quarter.
 7. A permanent part-time employee who works a qualifying period and achieves a sales bonus level in a product line during the quarter is eligible to receive a percentage of the bonus dollar amount for that level consistent with the time base. The qualifying period as defined in Subsection H(1) is prorated to the time base.
 8. An employee appointed to a limited-term or retired annuitant position of DSR or KAS shall be eligible to participate in this program consistent with the criteria established for full-time or intermittent employees.
- H. Bonus payments shall be made within sixty (60) days after the quarter ends.
- I. Bonus awards paid pursuant to this Section are excluded from compensation for retirement purposes.
- J. Bonus awards paid pursuant to this Section are considered compensation for taxation purposes.
- K. This Section shall be grievable only to Step 2 of the grievance procedure (Director, California State Lottery).

11.19.1 California State Lottery Business Building Incentive (BBI) Program (Unit 1)

This provision is effective following ratification by both parties.

- A. The objective of the Business Building Incentive (BBI) program shall be to add new and viable Lottery retailer locations. A new retailer location is one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.
- B. The Lottery Director or designee shall identify a "product game" that shall be the focus of the BBI. The Lottery Director or designee shall also determine the specific criteria for the product game.
- C. The classifications of District Sales Representative (DSR) and Key Account Specialist (KAS) shall be eligible for the incentive award.
- D. For each new qualifying retailer location, the employee shall receive an incentive award of \$250.
- E. The CSL will provide weekly BBI product sales advisory information on a bi-weekly basis to allow tracking of retailer activation and sales activity. An official BBI product sales report will be issued by the CSL following the end of each retailer's qualifying period.

- F. The employee shall submit a claim for the recruitment incentive award within thirty (30) days following the issue date of the sales report referenced in Subsection E. Awards shall be paid, upon verification by the CSL, no later than sixty (60) calendar days after the completed claim is submitted by the employee.
- G. Program criteria: In addition to specific criteria for the BBI product game determined by the CSL Director or designee the following program criteria shall be met:
1. A new retailer shall be one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.
 2. A qualifying retailer shall be located within the employee's regularly assigned territory or on the employee's regularly assigned account list at the date of activation.
 3. In the event that more than one employee, DSR/KAS, has direct participation in the recruitment of a qualifying retailer, the incentive award shall be divided equally between the recruiters. Direct participation shall be substantiated by the Lottery Sales Manager or Key Accounts Chief, as appropriate. The Key Accounts Chief shall determine, if necessary, the beginning and ending periods for targeted account recruiting.
 4. If the retailer location is re-assigned during a qualifying period from one DSR's regularly assigned territory to another DSR's regularly assigned territory or from one KAS's regularly assigned account list to another KAS's regularly assigned account list, or if the employee does not have a regularly assigned territory/account list, the award will be made in favor of the recruiting employee (DSR/KAS).
 5. Upon written request from an employee, an exception to specific product game criteria may be granted by the CSL Director or designee prior to retailer activation.
- H. Terminal Malfunction: Upon notification from the employee and verification by management that the on-line terminal of the qualifying retailer became inactive due to technical malfunction of the phone line or "the G-Tech" line after the initial activation date and during the qualifying period, said qualifying period will be extended by the number of inactive days. Extensions shall be approved by the CSL Director or designee.
- I. Game Termination: A BBI product game may be modified or discontinued by the CSL Director or designee due to technical, financial, or legal reasons. If the BBI product game is discontinued, the CSL is not obligated to provide a replacement game. If a retail location meets the criteria established for the game prior to its discontinuance, the recruiting employee shall have qualified for the incentive award. If an employee recruits a new retailer and the CSL subsequently discontinues the BBI product game due to financial, technical, or legal reasons before the new retailer has on-line Status Code 1 or 2, and the CSL introduces a replacement target game within 120 days after the discontinued game, the tracking period shall begin with the effective date of the replacement game. The Union shall be given notice and an opportunity, upon request, to meet and discuss the impact of this action.

- J. The employee shall submit a discrepancy correction for a bona fide retailer within 90 days of the retailer activation. Discrepancies not submitted within the stated period will not be eligible for bonus payment.
- K. Incentive awards paid pursuant to this agreement shall be considered compensation for taxation purposes.

11.20.1 California Housing Loan Insurance Fund (CHLIF) Mortgage Insurance Profit Bonus (Unit 1)

Eligible employees in these assignments will be entitled to a bonus not to exceed 10 percent of their base salary based on the performance of the loans insured by California Housing Loan Insurance Fund (CHLIF) in the employee's assigned territory annually. The bonus will be based on maintaining a delinquency rate of less than 1 percent.

The delinquency rate is derived by dividing the number of CHLIF insured loans in the eligible employee's assignment that are delinquent for a period of 90 days or more by the total number of CHLIF insured loans in the employee's assigned territory.

If the delinquency rate for the year is not more than 0.5 percent, the eligible employee will be entitled to the maximum bonus of 10 percent of base salary. If the delinquency rate is more than 0.5 percent but less than 1 percent, the employee will be entitled to a proportional bonus based on the difference between 1% and the actual delinquency rate, as a percentage of 5 percent. For example, if the delinquency rate at the end of the year is 0.62 percent, the bonus percentage would be 76 percent of the maximum bonus payable, or 7.6 percent of base salary. It may be simpler to express this decimally, e.g., delinquency rate of 0.0062 subtracted from 0.01 equals 0.0038 divided by 0.05 equals 0.076 to be applied to the base salary.

The following chart is illustrative of the delinquency and claims bonus structure based on five even delinquency rates. In actuality, the bonuses will be based on the delinquency rate calculated to the nearest hundredth of one percent (0.0001), which translates to two-tenths of one percent (0.002) of annual salary per the formula.

DELINQUENCY	BONUS
0.50%	10% of base salary
0.60%	8% of base salary
0.70%	6% of base salary
0.80%	4% of base salary
0.90%	2% of base salary
1.00%	0% of base salary

Criteria and Calculations for Customer Services, Product Development, Technical Services, and Underwriting Manager:

Employees performing these functions will be eligible to receive a bonus not to exceed 10 percent of their base salary based on the return on equity percentage which exceeds 9 percent, as a percentage of 5 percent. The return on equity is based on the GAAP profit on the average fund equity for the 12 calendar months. For example, if the return on equity at the end of the year is 11 percent, the bonus would be 40 percent of the maximum bonus payable, or 4 percent of salary (i.e., 11% minus 9% = 2%; 2% divided by 5% = 40% of the maximum bonus, or 0.04 of salary).

The following chart is illustrative of the bonus structure for these employees. In actuality, the bonuses will be calculated to the nearest tenth of one percent (0.001) of salary.

PROFIT %	BONUS %
14.00%	10% of base salary
13.00%	8% of base salary
12.00%	6% of base salary
11.00%	4% of base salary
10.00%	2% of base salary
9.00%	0% of base salary

Bonuses for eligible employees in all categories will be based on the 12 months from January through December and will be paid once per year as soon after December 31 as practicable. Bonuses will be prorated for employees not working a full year in an eligible assignment.

11.21.1 Accounting Recruitment and Retention Differential - CDC (Unit 1)

- A. Upon approval by the DPA, the Department of Corrections may provide recruitment and retention differentials to Unit 1 employees as follows:
 - 1. Either up to \$200.00 per month (monthly differential), or
 - 2. Up to \$2,400.00 per year (annual payment).

These differentials may be authorized for specific Unit 1 classifications in specific geographic locations or facilities based on the needs of the State.

- B. When the annual payment is authorized, employees must complete twelve (12) consecutive qualifying pay periods in order to receive the annual payment. No payment, nor pro-rata share of the payment, shall be given if the employee separates or is discharged from State service, is rejected on probation, or voluntarily transfers to another location where the differential is not authorized. Time spent on NDI does not count as a qualifying pay period.

If an employee who is receiving a monthly differential transfers to a location where the differential is not authorized, the differential shall be discontinued.

- C. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked, excluding overtime, during the twelve (12) consecutive qualifying pay periods. Part-time and intermittent employees shall receive a pro rata share of the monthly differential based on a total number of hours worked within the monthly pay period.
- D. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.
- E. It is understood by the Union that the decision to implement or not implement annual recruitment and retention payments or monthly differentials or to withdraw authorization for such payments or differentials, and the amount of such payments or differentials, rests solely with the State and that such decision is not grievable or arbitrable.
- F. Classifications which are eligible for this differential include:

Code	Class
4177	Accountant I (Specialist)
4179	Accountant Trainee
4546	Accounting Officer (Specialist)

- G. It is understood by the parties that this provision is designed to address recruitment and retention problems that exist in specific classifications at individual facilities, and that the decision to implement such a differential rests solely with the State.

1. The bonus shall consist of \$3,600 regardless of the number of certifications received and shall be paid in three equal installments of \$1,200 at intervals of 12 qualifying pay periods. The first installment shall be paid 12 qualifying pay periods after the employee's request and the employer's verification.
 2. In order to be eligible for the bonus, the employee's classification must include internal auditing or fiscal examination as a major duty and for which the minimum qualification requires professional accounting or auditing experience or successful completion of prescribed professional accounting courses given by an accredited college or university, including courses in elementary and advanced accounting, auditing, and cost accounting.
 3. The employee must have passed the examination after November 30, 1986. No employee who has requested and received the previous form of professional competency pay shall be eligible for this bonus.
- C. An employee who transfers to another State department and otherwise continues to qualify for the bonus must request the new department to continue the bonus on schedule. The new department may or may not agree to recommend the continuation of the bonus to DPA. In any case the bonus shall not exceed \$3,600.
- D. A Professional Competency Bonus shall not be considered "compensation" for the purpose of retirement.

Lodging and/or meals provided by the State or included in hotel expenses or conference fees or in transportation costs such as airline tickets or otherwise provided shall not be claimed for reimbursement. Snacks and continental breakfasts such as rolls, juice, and coffee are not considered to be meals. Each item of expenses of \$25 or more requires a receipt; receipts may be required for items of expense that are less than \$25. When receipts are not required to be submitted with the claim, it is the employee's responsibility to maintain receipts and records of their actual expenses for tax purposes. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed.

1. Regular State Business Travel

- a. Statewide, in all locations not listed in c. below, for receipted lodging while on travel status to conduct State business:

With a lodging receipt: Actual lodging up to \$84 plus applicable taxes.

When employees are required to do business and obtain lodging in the counties of Alameda, San Francisco, San Mateo and Santa Clara, reimbursement will be for actual receipted lodging to a maximum of \$140 plus applicable taxes. When employees are required to do business and obtain lodging in the counties of Los Angeles and San Diego, actual lodging up to \$110 plus applicable taxes.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

- C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

- The employee continues to maintain a permanent residence at the primary headquarters, and
- The permanent residence is occupied by the employee's dependents, or
- The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or

2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.
 3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department of Personnel Administration policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

- D. Out-of-State Travel: For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Failure to furnish lodging receipts will limit reimbursement to the meal/incidental rate above. Long-term out-of-State travel will be reimbursed in accordance with the provisions of long-term travel above.

- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, Section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation: Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the necessity for travel, and the mode of travel to be reimbursed.

2. Specialized Vehicles – Employees who must operate a motor vehicle on official State business and who, because of a physical disability, may operate only specially equipped or modified vehicles may claim from 34 cents up to 37 cents per mile, with certification. Supervisors who approve claims pursuant to this subsection have the responsibility of determining the need for the use of such vehicles.
3. Private Aircraft Mileage – When an employee is authorized by his/her department, reimbursement for the use of the employee's privately owned aircraft on State business shall be made at the rate of 50 cents per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with the Department of Personnel Administration Rule 599.628.1 and the State Office of Risk and Insurance Management.
4. Mileage to/From a Common Carrier – When the employee's use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee's vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to "whichever is less". If the employee begins travel one (1) hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.

- G. Receipts: Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
 2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
 3. Telephone, telegraph, tax, or other business charges related to State business of \$5 or less.
 4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
 5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

This shall not be considered compensation for purposes of retirement. A vanpool is defined as a group of seven or more people who commute together in a vehicle (State or non-State) specifically designed to carry an appropriate number of passengers. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.

The employee may use the meal ticket as provided in 1. and 2. below:

1. If the employee chooses to use the assigned meal ticket at the employees' snack bar or dining room, the employee must use it within a 90-day period of the time recorded on the meal ticket. If used to purchase a meal, the meal itself will constitute full and complete reimbursement. If the employee does not purchase a meal, he/she may follow the procedure as outlined in 2. below;
 2. Employees requesting reimbursement under this option will receive \$6, regardless of the value assigned to the meal ticket by local management.
 3. Employees in assignments which do not allow the State to provide a meal ticket shall be provided alternative methods, determined by the State, to receive the \$6 reimbursement for overtime meal allowances earned.

In accordance with established procedures, when requested by an employee, a department may pay the cost of replacing or repairing eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried when damaged in the line of duty without fault of the employee. If the eyeglasses, hearing aids, dentures, watches, or clothes are damaged beyond repair, the department may pay the actual value of such eyeglasses, hearing aids, dentures, watches, or clothing. The value of such eyeglasses, hearing aids, dentures, watches, or clothing shall be determined as of the time of the damage hereto.

12.10 Uniform Replacement Allowance

- A. When the State requires a uniform to be worn as a condition of employment and does not provide such a uniform, the State shall authorize a uniform replacement allowance based on actual costs substantiated with a receipt for an amount not to exceed \$450 per year.

1. 5. The Uniform Replacement Allowance shall not be considered compensation for retirement purposes.

If a single source vendor system is established, employees shall use the system to obtain department authorization uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. An affected employee will be notified of the existence of such a court order or subpoena.
- C. Evaluation material or material relating to an employee's conduct, attitude, or service shall not be included in his/her official personnel file without being signed and dated by the author of such material. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. - H. The State agrees to reimburse employees for expenses incurred as a result of passing training or education courses required by the department to assure adequate performance as specified in the Individual Development Plan (IDP), or increase current job proficiency. When such courses are offered during normal working hours, the employee shall receive his/her regular salary. When such courses are taken outside of normal working hours, an employee in Work Week Group 2 shall be reimbursed in cash or the work hours may be adjusted on an hour-for-hour basis commensurate with the hours necessary to attend classroom instruction. When assigning or approving an employee for career-related out-service training, the department may establish policies regarding (1) allocation of time with pay (including adjustments of work hours) for assignments during normal working hours, and (2) reimbursement for tuition and other necessary expenses. Except as established by the department, reimbursement should be for 50 percent of costs incurred. Reimbursement for travel and per diem shall not be allowed for an assignment during non-working hours, except when the appointing power determines that such reimbursement is justified in order to avoid substantial inequity.

- K. The employee or his/her estate shall receive reimbursement for tuition and other necessary expenses, if the training assignment is terminated prior to completion either (1) at the convenience of the State, or (2) because of death, prolonged illness, disability, or other eventuality beyond the control of the employee.

Such standards shall reflect the amount of work which the average trained employee performing comparable duties can reasonably turn out in a day.
- B. Employee performance standards shall be established in accordance with the following guidelines:

A. Definitions

1. An employee is working "out of class" when he/she spends a majority (i.e., more than 50 percent [50%]) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.
3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher classification, the employee shall be considered to be working out of class.

B. Authorization and Rate of Pay

1. Notwithstanding Government Code Sections 905.2, 19818.8, and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to 120 calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:
 - a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
 - b. Cannot feasibly be met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to Title 2 California Code of Regulations Sections 599.673, 599.674, or 599.676 if appointed to the higher classification.
4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.

5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in subsection D. below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the Department of Personnel Administration referenced in Government Code Section 19818.16 or the State Victims Compensation and Government Claims Board.
2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code Sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.
4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one (1) year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.
2. If the grievance is not resolved to the satisfaction of the grievant a formal grievance may be filed on a form provided by the State within:
 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.

However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in Item B. above.

3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the department level of appeal in the usual grievance procedure found in Article 6.
4. The person designated by the department head as the department level of appeal shall respond to the grievance in writing within forty-five (45) calendar days after receipt of the grievance.

5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the department level of appeal, he/she may appeal the decision in writing within twenty-one (21) calendar days after receipt to the Director of the Department of Personnel Administration.
 6. The Director of the Department of Personnel Administration or designee shall respond to the grievance in writing within sixty (60) calendar days after receipt of the appealed grievance.
 7. If the grievance is not resolved by the Department of Personnel Administration, the Union shall have the right to submit the grievance to arbitration in accordance with Article 6, Section 6.11.
 8. Article 6, Section 6.11 (Arbitration Level) shall apply to out-of-class and misallocation grievances except as otherwise provided in this section.
- E. The arbitrator's decision regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure Section 1286.2 et seq.
- F. The parties agree to support legislation to amend Government Code Section 19818.8 as follows. Said legislation must be enacted into law before the provisions of this section take effect.
1. Government Code Section 19818.8 (a) A person shall not be assigned to perform the duties of any class other than that to which his or her position is allocated, except as permitted by Section 19050.8.
 2. If the provisions of this section are in conflict with the provisions of a memorandum of understanding reached pursuant to Section 3517.5, the memorandum of understanding shall be controlling without further legislative action, except that if those provisions of the memorandum of understanding require the expenditure of funds, the provisions shall not become effective unless approved by the Legislature in the annual Budget Act.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for Units 1, 4, 11, 14, 15 and 20 rank-and-file employees.

14.4 Duty Statements, Post Orders, and Work Instructions

- A. An employee, shall be provided with a current duty statement for his/her position within fifteen (15) calendar days of his/her request. Duty statements must comply with the State Personnel Board job classification specifications.
- B. Post orders in CDC and work instructions in CYA will be provided where applicable.
- C. Duty statements, post orders, and work instructions shall be determined by the appointing power or designee and will be consistent with an employee's classification. At the time of an employee's annual appraisal, his/her duty statement shall be reviewed, and if necessary, updated to reflect his/her current duties.

- D. Upon request, a Union representative for the affected bargaining unit will be provided access to existing duty statements, post orders, and work instructions for review, and may make recommendations for changes to the appointing authority or designee.
- E. The parties recognize that post orders in CDC and work instructions in CYA are not grievable or arbitrable.
- F. Upon the establishment of a new or revised classification or series, a new duty statement shall be provided to each affected incumbent if appropriate.

14.5 Automation and New Technology

The State shall endeavor to notify the Union 180 days, but no less than sixty (60) days, prior to implementation of automation or technological changes that will result in a significant impact on bargaining unit employees. Upon request of the Union within thirty (30) days of such notification, the State shall negotiate with the Union on the impact of such changes.

14.6 Job Announcements

When a department posts a job announcement for which two classifications may be considered, it shall provide the duty statement for each classification upon request to each candidate for the position.

14.7 Assignment of Duties Normally Performed by Bargaining Unit Employees

The State shall notify the Union at least thirty (30) calendar days in advance of the effective date, before assigning duties normally performed by employees in the bargaining units covered by this Contract to any employee, group, individual, organization or business enterprise, if such assignment(s) may result in the displacement of employees in bargaining units covered by this Contract.

Upon request, within thirty (30) calendar days of the Union's receipt of the notice, the State shall meet and confer with the Union over such assignments.

14.8 Contracting Out

A. Purpose

The union has presented evidence that State departments are presently contracting out work appropriately done by Unit 1, 4, 11, 14, 15 and 20 employees, and that said contracting results in unnecessary additional costs to the State. Thus, the purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by Unit 1, 4, 11, 14, 15 and 20 employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by state departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain Unit 1, 4, 11, 14, 15 and 20 employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide CSEA's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide CSEA's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed but no less than five (5) business days thereafter provided the contract is/will be for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D(2).
3. The purpose of this subsection (C) is to provide CSEA with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with CSEA for this purpose, if requested by CSEA.

D. Labor/Management Committee To Review Personal Service Contracts In Existence

1. A State Joint labor/management committee shall be established. It shall consist of representatives of CSEA, the Department of Personnel Administration, the Department of Finance and affected departments. The first meeting of this committee shall occur no later than 10 working days from ratification of the MOU, and shall be for purposes of determining the procedures by which the committee will operate. An initial review of all currently existing contracts as requested by the committee shall be completed within six (6) months from ratification of this agreement. However, if this deadline cannot be met due to the number or complexity of existing contracts for review, the committee may mutually agree to extend this deadline.

2. Upon request of the committee (or either party on the committee) each department shall submit copies of any or all personal services contracts that call for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than 21 calendar days following the request by the joint labor/management committee, or longer if approved by the committee. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in Unit 1, 4, 11, 14, 15 and 20 classes. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the committee with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in Unit 1, 4, 11, 14, 15 and 20 class specifications. Costing information provided to the committee for protected contracts shall include total personnel costs for personnel services found in Unit 1, 4, 11, 14, 15 and 20 classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.
3. Within 10 workdays after receipt of the personal service contracts and associated documents as provided for in paragraph D (2) above, the committee shall begin reviewing the contracts. The committee shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the committee will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the committee. Committee determinations regarding contracts let by the Department of Corrections shall be subject to the restrictions set forth in subsection F below.
4. The committee will continue to meet as necessary to examine personal services contracts which have been let.
5. If savings are generated by the termination of personal service contracts under this provision, it is the intent of the State to implement findings of the committee for utilization of said savings. Such findings may include:
 - a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of Unit 1, 4, 11, 14, 15 and 20 employees.

- b. Enabling the employment of Unit 1, 4, 11, 14, 15 and 20 employees for services currently performed by contractors;
- c. Enabling of the conversion to Unit 1, 4, 11, 14, 15 and 20 civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the State Personnel Board.
- d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives.
- e. Such other purposes as may be mutually agreed upon by the joint labor/management committee.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that Unit 1, 4, 11, 14, 15 and 20 employees have preference over contract employees consistent with, but not limited to the following principles.
 - a. The duties at issue are consistent with the Unit 1, 4, 11, 14, 15 and 20 employee's classification;
 - b. The Unit 1, 4, 11, 14, 15 and 20 employee is qualified to perform the job; and,
 - c. There is no disruption in services.
2. To avoid or mitigate Unit 1, 4, 11, 14, 15 and 20 employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the joint labor/management committee that reviews personal services contracts determines that the terms and purpose of the contract permit the State to assign the work to a Unit 1, 4, 11, 14, 15 and 20 employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and CSEA shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a Unit 1, 4, 11, 14, 15 and 20 employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with Section 12.2 Moving/Relocation of the parties' collective bargaining agreement.

F. Department of Corrections

1. This section shall not be applicable to the Department of Corrections until such time as it has been approved by the Federal court special master(s). Nothing in this section shall be interpreted or applied in such a manner as to interfere with Federal court orders, the authority of the Federal court or the authority of the special masters.
2. The Department of Corrections shall present this section to the special master(s) immediately in writing upon ratification of this agreement. The parties agree to make themselves immediately available to meet with the special master, on a schedule determined by the special master.
3. No contract for services by the Department of Corrections shall be prohibited, modified, restricted or terminated by virtue of this memorandum of understanding or by operation of the joint labor management committee established by this memorandum of understanding without approval of the Special Masters in Madrid v. Alameida et al (as it pertains to contracts effecting Pelican Bay State Prison), and/or the Special Master in the Coleman litigation (as it pertains to contracts effecting Coleman class members), and/or counsel for the parties in the Plata litigation or the Plata court (as it pertains to contracts effecting medical care for Plata class members).
4. If this section is not approved by the special master the parties agree to reopen negotiations for the purpose of agreeing on an alternative contracting out provision, with the goal of satisfying the concerns of the Federal court and CSEA.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

ARTICLE 15 – TRANSFER

15.1 Appeal of Involuntary Transfer

- A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Personnel Administration disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the Department of Personnel Administration laws and rules.

- B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.
- C. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change his/her residence.
- D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the Department of Personnel Administration, State Restriction of Appointments (SROA) definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA Process. Article 16 shall govern employee rights and appeals under these conditions.
- E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D. above.
- F. When a department has two or more employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence consideration shall be given for the affected employee's seniority in accordance with Government Code Section 19994.2.

15.2 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with Work and Family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code Section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable Department of Personnel Administration laws and rules.

A department shall provide in writing the reason(s) for the inability to grant the transfer.

This section is not subject to the grievance and arbitration procedure of this Contract.

15.3.1 Pilot Post and Bid (Unit 1)

In regard to Post and Bid, Section 15.3.1, if any party pursues legal action regarding the constitutionality of this Section, the State and the Union agree to jointly participate in the defense against any litigation.

Effective Date: This pilot Post and Bid proposal takes effect ninety (90) calendar days following ratification by the Legislature and the Union's membership, unless otherwise indicated by the terms of the proposal.

This section shall remain in effect for the term of the Contract except as follows: Section 15.3.1 of the Unit 1 collective bargaining agreement approved by the Legislature and Governor through Senate Bill 728, Stats. 2002, shall replace this agreement within 60 days of when the judgment and writ of mandate in Sacramento Superior Court Case No. 02CS00787 is stayed or overturned on appeal, and it shall remain in effect for the remaining term of the Contract. Should the Court of Appeals only partially invalidate Section 15.3.1 in Case No. 02CS00787, the Saving Clause in Article 5, Section 5.4 shall be operative.

During the life of the pilot program, a Post and Bid Joint Labor/Management Committee shall be established. The Committee will be comprised of three (3) Union and three (3) management representatives. Union representatives shall be chosen by the Union and management representatives shall be chosen by management. The Committee will meet at least quarterly to review how the process is working and make recommendations to adjust the process but not the concept of this pilot post and bid program. Unless mutually agreed otherwise, this pilot program terminates with expiration of the Contract.

6. An employee who successfully bids pursuant to this section is precluded from bidding on any position for a period of twelve (12) months from the date appointed to the position. When an employee has two or more bids pending and accepts an offer, all outstanding bids shall be deemed withdrawn. The employee shall notify the contact person(s) for those outstanding bids.
7. An employee who declines the offered position pursuant to this section is precluded from bidding on any position for a period of three (3) months from the date the position was declined.

B. Exclusions

1. Mandatory Placement: This article shall not apply when an employee must be placed by mandatory reinstatement, placement of employee subject to layoff, State Restrictions of Appointments/Surplus lists, proper placement such as but not limited to, reasonable accommodations, ADA, workers compensation, limited duty, Family Medical Leave Act, hardship transfer.
2. This article does not preclude management from transferring employees or denying an employee's transfer for verifiable security, safety or other job related reasons (e.g., restraining orders, violence in the workplace, court orders).
3. The State reserves the right to assign/reassign employees where needed, under certain circumstances, such as, but not limited to emergencies, reorganizations, budgetary constraints or extreme operational needs. This section shall not be used to circumvent the Post and Bid process.
4. The above exclusions do not count as part of the 50%/50% ratio.

C. Bid Notice Posting

Bid notices shall be posted for a period of no less than ten (10) calendar days where job announcements are normally posted, (e.g., VPOS, intranet, department internet sites, personnel offices, bulletin boards, etc.).

D. Bid notices shall at a minimum include:

E. Bid Submittal

Eligible employees may bid for posted positions by submitting a completed bid form provided by the department. Bid forms must be received on or before the date specified in the posted bid notice.

F. Seniority

1. For purposes of this section "seniority" is defined as total months of State service as used for vacation/annual leave accrual purposes. When two or more employees apply for a specific position and have equal State service seniority, the tie shall be broken as follows: total months of State service within the Department of the posted position, then by lot.
2. Seniority will be based on the employee's seniority as of the beginning of December 2002 pay period. A new seniority list shall be calculated each December thereafter.

3. The seniority list shall be made available upon request to all employees.
4. Any challenge to an employee's seniority score must be filed within thirty (30) calendar days of the list becoming available.

G. Selection

1. All bidders must satisfy the Eligibility to Bid criteria in subsection A.
2. Selection will be based on the departmental geographic area (geographic region, institution, program, division, etc.). The most senior bidder, if any, within the departmental geographic area shall be offered the position. 3. If the most senior bidder within the appropriate pool declines the position, then the procedure continues by offering the position to the next most senior bidder until there are no bidders left. When there are no bidders left, management may then fill the posted position through any other means. Positions filled by any other means count as if filled by the Post and Bid procedure.
4. The individual selected under the terms of this article shall have a maximum of five (5) workdays from date of contact to accept or reject the offer unless the appointing power agrees to more time. Failure to respond to the contact person within the timeframe allowed shall be considered a rejection of the offer by the employee.
5. The individual selected will be expected to report to the new position in no less than fourteen (14) calendar days unless agreed otherwise by the current and hiring supervisor. The start date must be effective within 30 calendar days of the date the employee accepted the position. If a position requires additional hiring approval, such as, but not limited to, medical clearance, fingerprinting, bonding, or background checks a conditional job offer will be made and the report date will be established based on approved clearance dates.

H. Bidding employees who accept appointments waive any and all rights to claim moving, relocation and associated travel and per diem expenses. This does not, however, preclude payment of such expenses in whole or in part at management's discretion.

I. The department will notify all bidders of the bid award in writing, including name, seniority score and pool of the winning bidder within five (5) days of awarding the bid.

J. 30 Day Trial Period

15.4.1 EDD Post and Bid Agreement (Unit 1)

Hiring for Employment Program Representative (EPR) and Disability Insurance Program Representative (DIPR) permanent full time positions in the Employment Development Department (EDD) will be based on the following:

Effective Date: The Post and Bid Agreement is effective upon date of ratification.

Termination Date: This agreement shall remain in effect until July 2, 2003, except as follows. Section 15.4.1 of the Unit 1 collective bargaining agreement approved by the Legislature and Governor through Senate bill 728, Stats. 2002 shall replace this agreement within 60 days of when the judgment and writ mandate in Sacramento Superior Court Case No. 02CS00787 is stayed or overturned on appeal, and it shall remain in effect for the remaining term of the contract.

1. GENERAL PROVISIONS

- A. When EDD decides to fill vacant EPR or DIPR positions, vacancies will be announced on the Career Opportunity Bulletin Board (COBB) using a ratio of 50% by post and bid and 50% by other hiring methods. Human Resource Services Division (HRSD) will be the single point of contact in receiving all “Request for Position Action” documents. A system will be developed by HRSD to ensure fair application of the 50-50 ratio.

- B. The EDD reserves the right to exempt placements from this section where there are clearly articulated operational needs. Positions subject to State Restriction on Appointments (SROA) or layoff lists, and safety transfers, Americans with Disabilities Act (ADA) reasonable accommodation requests, etc. shall come out of the Department's 50% and thus are not available for this post and bid process. The EDD will provide a report monthly to the Union, indicating the number of exempt placements by category.

Individual employee hardship transfer requests will be determined by management based on the compelling nature of the request. As used in this section, compelling is defined as:

Requests to maintain the unity and continuity of the employee's immediate family unit. Examples include but are not limited to: Marriage; Move to a new area to accompany a spouse or domestic partner who has changed the location of his or her employment; Documented need to provide care for a family member where a change of employee's residence is required; Documented circumstances which require the employee to leave the area to avoid physical harm or injury at the hands of an abusive spouse, family member or other individual; or Employee's legal obligation requiring that he/she relocate to another area.

- C. Each employee is responsible for checking the posting of positions on the COBB.
- D. Employees being reassigned under this section waive any rights to claim moving and relocation expenses. This does not preclude payment of such expenses, at management's discretion.

2. ELIGIBILITY TO PARTICIPATE IN POST AND BID

- A. Employees must be currently employed by EDD, either in the EPR or DIPR classification and have permanent civil service status in the class.
- B. The PI employees must either meet the requirements of Rule 277, or have reinstatement rights to a permanent position, to be eligible to participate in the post and bid process.
- C. Bidders must meet all requirements of the posted position, including any special requirements (e.g., language skills, Veterans status, etc.)
- D. Employees must have overall satisfactory performance in their current job. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.
- E. For the 12 calendar months preceding onset of the bid process an employee who has an adverse personnel action which relates to the employee's job performance will be precluded from participation in the bid process.

3. SENIORITY PROVISIONS

- A. For the post and bid process, seniority is defined as total months of State service. When two or more employees apply for a specific position and have equal State seniority, the tie shall be broken in the following order: total months of service with EDD, then total in-class seniority, then by lot.

- B. The EDD shall provide a combined seniority list of EPRs and DPRs every February 15th, (reflecting seniority information current as of January 1) and every August 15th (reflecting seniority information current as of July 1st). This information will be provided on a computer disk to CSEA.
- C. EDD will distribute the seniority list defined above at each worksite employing EPRs and DPRs.
- D. The list above as modified by any successful protest(s) shall be the sole determinants of seniority for post and bid selections during the respective bidding periods.

4. POSTING PROCESS

- A. The EDD shall post vacancies on the COBB, consistent with current practice, for 10 calendar days. This posting shall state the following:
 - The opening date and closing date and time to apply for the vacancy;
 - The location of the vacancy;
 - Description of the vacant position including the duties, responsibilities and requirements of the position.
 - The Single Point of Contact (HRSD) to whom the bid is to be sent; and
 - Whether the position is to be filled by post and bid or by other hiring methods.
- B. The EDD shall provide CSEA with a copy of the COBB posting at the same time they are distributed on the COBB.

5. BIDDING PROCESS

- A. For post and bid positions, the employee must submit his/her bid for a vacant position on a form provided by EDD.
- B. Employees who have been selected through the post and bid process are precluded from bidding on any position for a period of one year from the date they were finally "awarded" a position.

6. POST AND BID SELECTION PROCESS

- A. The most senior eligible employee meeting the requirements as described in the Eligibility To Participate in Post and Bid section, supra, will be selected for a position.
- B. The tentative "awarding" of the position will be announced on the COBB within 5 working days after the bidding process is closed. The notice will include the employee's name and seniority score.
- C. The protest period will be 3 working days from the date the tentative "award" is posted on the COBB. Employees selected under the terms of this section shall have 8 working days after the bidding process is closed in which to accept or reject a job offer unless otherwise agreed by the hiring supervisor.

- D. The final award will be announced on the COBB within 5 working days from the end of the protest period.
- E. The employee will be expected to report to his/her new position on a date selected by EDD. Consideration will be given to employee and management needs in selecting the reporting date. The reassignment must be completed within 60 days of the date the employee accepted the award.

- B. Whenever no bids are submitted for a position opening or whenever no employee submitting a bid is eligible for appointment to the position, EDD shall select an employee to fill the position through other hiring methods.
- C. The EDD shall retain the bids for a period of twelve months. During this period, the bids shall be available for inspection by the Union representatives, who may request a copy.
- D. All awardees are entitled to a 30-day trial period, during which time employees can opt to return to their former position as defined in Government Code Section 18522.

ARTICLE 16 – LAYOFF

16.1 Layoff and Reemployment

- A. Application. Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as "Employees") in any State agency, the State may lay off employees pursuant to this section.

Where notices are mailed, the thirty (30) calendar day time period will begin to run on the date of the mailing of the notice. The State agrees to notify the Union no later than sixty (60) calendar days prior to the actual date of layoff. The notice to the Union shall also include the reason for the layoff, the area of the layoff, the anticipated classifications affected, the total number of employees in each affected classification, the estimated number of surplus employees in each classification and the proposed effective date of the layoff.

- F. Reemployment. In accordance with Government Code Sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or sub-divisional reemployment lists in accordance with Section 19056 of the Government Code.
- G. State Service Credit for Layoff Purposes. In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full time employee works eleven (11) or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days falls into two (2) consecutive qualifying pay periods, the second pay period shall be disqualified. Veterans will receive additional credits in accordance with Government Code Section 19997.6.
- H. Departmental Vacancies. Departments filling vacancies shall offer positions to employees facing layoff, demotion in lieu of layoff or geographic transfer in accordance with current State Restriction of Appointment procedures.

16.3 Alternative to Layoff

The State may propose to reduce the number of hours an employee works as an alternative to layoff. Prior to the implementation of this alternative to a layoff, the State will notify and meet and confer with the Union to seek concurrence of the usage of this alternative.

17.3 Employee Retirement Contribution Reduction for Miscellaneous Members

If the Board of Administration of the California Public Employees Retirement System (CalPERS) informs the parties in writing that it has determined that the recent temporary arrangement whereby state employees were relieved of paying into their retirement fund may be extended for 12 months and that such an extension would be fiduciarily sound and meet the Board's established actuarial standards, which in turn provides temporary cash flow relief to the State, the parties will agree to the following:

- A. Effective the first of the pay period following approval by the CalPERS Board and ratification of the legislature and continuing for 12 monthly pay periods thereafter, the State agrees to the following:
 - Employees who are miscellaneous and/or industrial members of the first tier plan, and who are subject to Social Security under the CalPERS, shall have their employee retirement contribution rate reduced to zero.

As indicated in the above referenced letter, "10% of the net unamortized actuarial loss shall be amortized each year." However, if the CalPERS Board of Administration alters the amortization schedule referenced above in a manner that accelerates the employer payment obligation, either party to this agreement may declare this section of the Contract, and all obligations set forth herein, to be null and void. In the event this Contract becomes null and void, the employee retirement contribution rate shall be restored to levels in effect on August 30, 2001, and the parties shall be obligated to immediately meet and confer in good faith to discuss alternative provisions.

As indicated in the above referenced letter, "10% of the net unamortized actuarial loss shall be amortized each year." However, if the CalPERS Board of Administration alters the amortization schedule referenced above in a manner that accelerates the employer payment obligation, either party to this agreement may declare this section of the Contract, and all obligations set forth herein, to be null and void. In the event this Contract becomes null and void, the employee retirement contribution rate shall be restored to levels in effect on August 30, 2001, and the parties shall be obligated to immediately meet and confer in good faith to discuss alternative provisions.

- 4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. However, in the event that the Department of Industrial Relations determines that this provision is inconsistent with Labor Code Section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.
- C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. ADDENDUM I

Time off for Victims of Domestic Violence

State of California

MEMORANDUM

DATE: June 20, 2001

TO: PERSONNEL MANAGEMENT LIAISONS

REFERENCE CODE: 2001-025

THIS MEMORANDUM SHOULD BE DISTRIBUTED TO:

Employee Relations Officers
Personnel Officers

FROM: Department of Personnel Administration
Policy Development Office

SUBJECT: Time Off for Victims of Domestic Violence

CONTACT: Charlotte Gehringer, Personnel Management Analyst
(916)323-6938
FAX: (916) 324-9393
Email: CharlotteGehringer@dpa.ca.gov

The purpose of this memo is to notify departments of an addition to existing law regarding time off for an employee who is a victim of domestic violence.

Effective January 1, 2001, Assembly Bill 2357 added Section 230.1 to the Labor Code to specify that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in Section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

The provisions of this bill apply to the State as an employer and to State employees. The entitlement of any employee under this law shall not be diminished by a collective bargaining agreement.

If you have any questions, please contact Charlotte Gehringer at (916) 323-6938.

Bob Painter, Chief
Policy Development Office

ADDENDUM II
