This process for Interest Based Problem Solving intervention/support will be activated upon notification from the DOE as to which schools fall into one or both of the categories given above.

The Process

1. The school officials examine the Florida A+ Plan report and/or the NCLB Adequate Yearly Progress report to determine the exact nature of the school’s low performance.
2. The appropriate intervention team is formed the 1<sup>st</sup> day of school.
3. Follow the interest based process and ensure all participants are trained in the interest based process.
4. The analysis is taken to the appropriate intervention team for discussion. The intervention team reviews the analysis and draws conclusions as to the cause(s) of the problem(s) and appropriate possible solutions.
5. The intervention team meets with representatives from the school and examines the Student Learning Plan to determine what strategies worked and what strategies did not work.
6. The intervention team develops an Adequate Yearly Progress Plan that parallels the Student Learning Plan and timeline.
7. AYP plan implementation and progress monitoring of student achievement is the responsibility of the appropriate director, CFEA representative, and school principal. This group has the authority to reconvene the team to address concerns that arise during the school year.

**ARTICLE X – EMPLOYEE PROFESSIONAL APPRAISAL AND DEVELOPMENT**

**A. Purpose**

The central purpose of professional appraisal and development is the improvement of the performance of all instructional personnel through a comprehensive program of support, training, and documentation of generic teaching competencies. It is the right and responsibility of the Board to establish the criteria and method of appraisal. It shall be the responsibility of Administration to do all written appraisals of employees and make recommendations for the future employment of all bargaining unit members.

No administrator shall conduct an appraisal until he/she is a certified FPMS observer and has knowledge of the Instructional Personnel Performance Appraisal Process.

**B. Annual Contract Employees**

The following guidelines must be met by the administration for performing appraisals of annual contract instructional personnel:

- (1.) The designated administrator shall conduct one (1) appraisal of each annual contract employee during the three (3) months after that employee's beginning date of employment.

**E. Florida Statutes**

Employee appraisals shall be conducted in accordance with Florida Statutes 1012.34.

**F. Appraisal Procedures**

Appraisal procedures are intended to measure the instructional employee's ability to master the sixteen (16) desirable, effective qualities for educators in accordance with Florida Statute. 1012.52 as demonstrated by satisfactory teacher performance in the six (6) domains.

**G. Domains**

The teacher's effectiveness as a professional educator will be assessed in each of the following six (6) domains:

- 1.) Planning - This refers to teacher performance in daily, weekly, and long-range program planning in the preactive phase of teaching.
- 2.) Management of Student Conduct - This includes teacher activities that minimize the frequency of disruptive student conduct.
- 3.) Instructional Organization and Development - This refers to teacher performance that provides for conservation of class time, organization and delivery of instruction, and teacher/student interaction.
- 4.) Presentation of Subject Matter - This refers to manipulation of the content of instruction to induce learning.
- 5.) Communication: Verbal and Nonverbal - This refers to teacher behavior that evokes or expresses affective personal relationships or communicates cognitive information.
- 6.) Appraisal - This refers to the how teacher's handle such matters as examinations, tests, and written work.

**H. Procedures**

The principal or other administrative personnel will be directly involved in orienting the instructional personnel to all phases of the appraisal process. Orientation activities

for instructional personnel involved in the appraisal process will include introduction to the appraisal process and review of the appraisal components.

This orientation should be completed no later than two (2) weeks after the opening of school. New personnel entering after the beginning of the school year should receive an orientation prior to the first observation.

New personnel will be asked to sign the Instructional Personnel Appraisal Plan Receipt Log and the Instructional Personnel Appraisal Plan Orientation Log to ensure they have received a copy of the plan and the orientation.

The following procedures shall apply to all Instructional Personnel Appraisals:

1. Pre-conference - Prior to the actual observation, the administrator responsible for the observation will arrange a pre-conference with the teacher. If an Instructional Personnel Planning Data Form has been issued to the teacher, the administrator and the teacher shall then discuss the Planning Data Form.
2. Observation - The administrator will make an observation of the teacher and record his/her observations on the Summative Observation Instrument. If the teacher prefers, at least one observation may be scheduled for a mutually agreed upon, predetermined time. An Employee Formative Assistance Instrument may also be used as an additional data collection document.
3. Knowledge of Observation - At least one formal observation shall be conducted with the prior knowledge of the employee being appraised. The principal has the right to conduct subsequent appraisals without prior notice if there is a concern about the employee's performance. Nothing in this contract shall prevent or limit the principal or designee from access to any classroom or performing any appraisals deemed necessary. Employees shall be notified in advance of any offsite personnel scheduled to observe/assess. All formal assessments, appraisals and observations of an employee shall be conducted with the full knowledge of the employee.
4. Post-conference - Within ten (10) days after the observation, the administrator responsible for preparing the report will provide the employee with a copy of the appraisal instrument and arrange for a post-conference. The post-conference shall take place within ten (10) days following receipt of the appraisal. At the request of the administrator or the employee, the conference to discuss the appraisal may be delayed for up to ten (10) additional days after the report is delivered. During the post-conference, the administrator will discuss the Instructional Personnel "Conference Planning Guide" with the employee. It is the responsibility of the administrator to complete the Summative Observation Instrument/Formative Assistance Instrument and obtain the employee's signature for submittal to the Human Resources department. Any concerns or considerations will be discussed with the employee. The evaluator shall thereafter confer with the employee and determine if a Teacher Assistance Plan should be implemented. The employee shall sign a file copy only to acknowledge receipt.
5. Rebuttal - The employee shall have the right to initiate a written response to the appraisal, and the response shall become a permanent attachment to his/her personnel file.
6. Annual Appraisal Form - Each administrator must make a recommendation about the employee's employment status for the following year on the Instructional Personnel Annual Appraisal Form. Annual appraisal ratings are explained below:
  - S - Satisfactory Performance: This designation indicates that there is sufficient evidence to support the occurrence of the effective behaviors associated with

the Domain.

**A - Area for Development:** This designation indicates that there is evidence to support the need for growth in a particular Domain. An “A” rating in any Domain indicates that a Teacher Assistance Plan may be initiated by the administrator.

If, through documented evidence, an employee is identified as in need of development in a particular Domain(s), the evaluator shall notify the employee in writing of such determination and describe such area for development. The evaluator shall thereafter confer with the employee, make recommendations with respect to specific area(s) for development and provide assistance in helping to correct such deficiencies within a reasonable, prescribed period of time.

**U - Unsatisfactory Performance:** This designation indicates that there exists evidence that the teacher demonstrates ineffective behavior related to the Instructional Domain indicated. A rating of “U” will require written documentation supporting that rating. If, through documented evidence, an employee is not performing his/her duties in a satisfactory manner, the evaluator shall notify the employee in writing of such determination and describe such unsatisfactory performance. The evaluator shall thereafter confer with the employee and implement a Teacher Assistance Plan. No employee shall receive an overall “unsatisfactory” appraisal without adequate opportunity and time to improve an area(s) of unsatisfactory performance. Any observation which results in a rating of “Unsatisfactory” in any Domain will substantiate the need for Teacher Assistance- Plan. The plan will be initiated by the administrator. Failure to successfully achieve the goals of the Teacher Assistance Plan, as determined by the administrator, will result in an unsatisfactory rating for that Domain on the Annual Appraisal.

**N - Not Observed:** This designation indicates that the Domain or Area of Professional Responsibility was not observed.

### Overall Performance Evaluation

**S -** This designation indicates that there is sufficient evidence to support the occurrence of effective behaviors associated with satisfactory teacher performance.

**U -** This designation indicates that there exists sufficient evidence that the teacher demonstrates unsatisfactory teacher performance. A rating of “U” will require written documentation supporting that rating.

The district may assign a National Board Certified teacher or mentor teacher to assist the employee in need. It is the responsibility of the principal to obtain the employee's signature for submittal to the personnel office. The Annual Appraisal Form is then forwarded to the superintendent or his/her designee for the purpose of reviewing the employee's contract. The superintendent shall notify the Department of Education of any instructional personnel who receive two consecutive unsatisfactory annual appraisals and who have been given written notice by the district that their employment is being terminated or is not being renewed or that the school board intends to terminate, or not renew, their employment. The Department shall conduct an investigation to determine whether action shall be taken against the certificate holder pursuant to F. S.1012.795 (1)(b).

#### **I. Alternate Appraisal Process**

The Alternative Appraisal Process is an optional appraisal process available to PSC/CC instructional personnel who have previously completed an Annual Appraisal with a summary rating of satisfactory and ratings of satisfactory in all domain areas.

The Alternative Appraisal Process is designed to encourage instructional personnel commitment to professional and educational growth. In the IAAP option administrators and instructional personnel collaboratively set one or more goals aligned with student learning plans/school improvement plans that are intended to positively impact the instructional participant, the students, department/grade level, and other professionals. Continued participation in this appraisal option requires the maintenance of the desirable effective qualities of educators, and the identification and development of advanced educational competencies and practices. In the event that unsatisfactory performance is confirmed on the instructional employee, the employee will be evaluated by the Comprehensive Appraisal Procedures.

**J. Goal Setting Conference:** The development and agreement by the administrator and employee on objectives for a goal focused appraisal plan shall be completed by the last working day in October.

**K. Alternative Appraisal Interim Conference:** If requested, the administrator or employee may schedule a conference to discuss progress and/or any modifications to the plan. This conference shall be scheduled by the last working day in January.

**L. Alternative Appraisal Conference:** A conference between the administrator and teacher will be conducted no later than seven (7) months after the opening of the school year to review the progress/completion of the plan objectives and complete Comprehensive Appraisal Ratings on the Alternative Annual Appraisal Form. The annual appraisal form must be completed no later than the last day of school.

**Note:** During the Alternative Appraisal Process, informal visits are expected and need not be followed by a conference or a written record unless problems are observed. It is important that the instructional employee be given the benefit of whatever advice and planned programs the appraiser can offer. The advice and main points of a discussion shall also be included in the written record. The employee shall be given a copy of the written record that should be filed for future reference. A satisfactory rating on the formal observation allows the employee to continue participation in the Alternative Appraisal Process.

**M. Employees Do Not Appraise**

No employee covered by this agreement shall be required to make formal written appraisals of other bargaining unit employees, however, employees serving as department heads, peer teachers, or in like capacities, are expected to assist in the development of employees and are expected to fully contribute information as requested to that end.

**N. No Renewal Right**

**O. Special Circumstance Appraisal**

Due consideration shall be given to an employee's appraisal in the following circumstances:

- a. When the employee is assigned out of field.

However, upon written request, the Association may establish an appraisal form committee to provide advisory input to the Superintendent concerning the form to be used for appraisal. The committee shall be advisory only and shall have an equal number of employees and administrators and/or designees. The committee shall

complete its work and submit a written report to the Superintendent within sixty (60) workdays. The Superintendent shall make the final recommendation to the Board concerning the final form to be used for appraisal. In the interim period, the present form shall be utilized for appraisals.

**Q. Fourth-Year Annual**

Teachers placed on fourth-year annual contracts shall be fully informed of the specific criteria to be met that would result in professional service contract status.

**ARTICLE XI - NOTICE OF NON-RENEWAL**

Any employee whose contract will not be recommended for renewal the next school year shall be notified of such recommendations not later than six (6) weeks before the close of the post-school conference period. Such employee shall be granted a conference with the Superintendent or principal upon written request.

The faculty may submit recommended duty assignments to the principal who will consider such recommendations when making duty assignments.

**E. Planning Period**

1. Employees at the elementary level shall have a planning period of at least thirty (30) minutes daily as long as the faculty has devised a plan to assure that students are supervised at all times. In the absence of such a plan, employees will have a planning period in accordance with the time of special area instruction provided for their students.
2. Teachers at the secondary level shall have a continuous planning period equal in time to one (1) class period during the student day.
3. Teachers shall be paid their hourly rate for teaching additional periods.

**F. Additional Days**

Nothing herein shall be construed to prohibit the Board from offering an extended contract to an individual employee. Such additional days shall be paid according to

the contract salary schedule.

**G. Student/Parent Conferences**

Except as required by law, all parent/teacher conferences shall be held at district facilities. However, with consent of the teacher and the presence of an administrator at the facility, a parent/teacher conference may be scheduled outside the teacher's duty day

**H. Faculty Meetings**

Employees must attend faculty meetings. Faculty meetings shall be confined to issues necessary for the operation of the site which cannot be communicated through written and/or electronic means or program planners. Faculty meetings will be scheduled as often as the principal, immediate supervisor, or the Superintendent deem necessary. A minimum notice of one (1) workday shall be given prior to each meeting, except in emergency situations.

**I. Emergency Reassignments**

The principal may reassign any employee duties to meet any emergency situation.

**J. Pre-School Teacher Workdays**

Fifty percent (50%) of pre-school workdays shall be available to teachers for their planning and preparation time. Such time shall be given in whole day increments; any time above whole day increments shall also be scheduled in a block. The principal may call a meeting of no longer than sixty (60) minutes each day during the planning and preparation time allocated to teachers.

**ARTICLE XIV - CONTROL AND DISCIPLINE OF STUDENTS**

**A. Control of Students**

Subject to law and to the rules of the Board, each employee shall have such authority for the control and discipline of students as may be assigned to him/her by the principal or his/her designated representative and shall keep good order in the classroom and in other places in which the employee is assigned to be in charge of students. Employee actions under this Article shall be in conformance with the duly adopted Code of Student Conduct, which shall be distributed to employees at the beginning of each school year. Additionally, actions shall conform to applicable provisions of Florida Statute 1003.32, and specifically implementing the below referenced sections of 1003.32 (4.) (5.) as follows:

4. If a situation arises that may necessitate variance from the agreed upon procedures, the CFEA shall be informed and consulted prior to the implementation of any alternative strategies or actions.

Also pursuant to section 1003.32 (6.), the teacher representatives (reserved for selection by instructional personnel) to serve on a Placement Review Committee shall be elected by the instructional bargaining unit members at each site. The district shall provide to the CFEA a list of the members of the Placement Review Committees from each work site no later than September 1st of each year.

**B. Teacher Protection**

1. The Board acknowledges the desirability of giving reasonable support and assistance to teachers with respect to proper maintenance of control and

The time frame for such release shall not exceed thirty (30) workdays. The teacher will not be denied a transfer at a regular break in instruction (i.e. semester or grading period) due to the failure of the principals to reach an agreement.

#### **5. No Bumping**

This procedure for voluntary transfer shall not apply to reduction in force and does not permit bumping in any of the foregoing provisions.

**4. Transmittal**

Dues collected by the Board through payroll deductions shall be transmitted to the Association not later than five (5) calendar days from the end of the pay period in which dues deductions were made.

Some payroll deductions may be terminated only according to Internal Revenue Service regulations.

**E. Equal Amounts**

Voluntary payroll deductions authorized by an employee will be deducted from each paycheck in equal amounts when it is practical to do so. If the employee's net wage in any pay check is not sufficient to pay the authorized deductions, no voluntary deductions will be made. If the employee then receives a second paycheck in the same month, double deductions will be made if the net wages are adequate.

**ARTICLE XXIV - GRIEVANCE PROCEDURE**

**Grievant** - The Association or a member or members of the bargaining unit

**Days** - A day on which an employee is or was working or scheduled to work

**C. Time Limits**

All stated time limits shall be the maximum time limits for grievance processing. In any grievance, each party shall be entitled to one (1) automatic extension of time up to a maximum of ten (10) days if a written request for an extension of time is submitted within the original time limit. Further extensions may be granted by mutual agreement at level one or two. The failure of a supervisor, principal, or other management representative to respond to a grievance with the time limits stated shall be considered a denial of the grievance at that level. The day a grievance occurred shall be counted as the first day. Actions or responses required may be taken any time before five o'clock (5:00) p.m. on the last day of any time limit or extension thereof. Failure of the grievant to comply with any time limit or extension thereof shall render the grievance untimely and shall be grounds for denial of the grievance.

**D. Representation**

The grievant or the appropriate administrator involved may have representation at any level of the grievance procedure. Either party may be represented by an attorney at any level but must first give the other party two (2) days advance notice of their intent to be represented by an attorney.

**E. Reprisal**

Neither the Board nor the Association shall take any reprisal against any grievant for filing, failure to file, or withdrawing a grievance at any time.

**F. Filing**

Grievances must be filed by a grievant on the form provided by the Board within thirty (30) calendar days of the date on which the grievant knew, or should have known, of the action, or lack of action, that is the basis for the grievance. Grievance forms must be fully completed and filed with the principal or immediate supervisor who has authority to resolve the grievance. Grievances will not be prepared or processed by grievants during working hours except with the consent of the principal or Superintendent.

**G. Meetings**

At the request of either party at any level, both parties shall meet in an effort to resolve the grievance.

**H. Procedure**

Grievances that comply with the foregoing requirements shall be processed according to the following procedures.

**1. Informal Level**

Before a dispute enters Level One, the grievant shall have thirty (30) calendar days from the time of the alleged incident to request a conference with the appropriate administrator to discuss and attempt to resolve the problem. This conference shall precede all other steps in the grievance procedure.

**2. Level One**

Within ten (10) days of the receipt of the properly submitted grievance, the principal or immediate supervisor shall respond to the grievant in writing as provided on the grievance response form.

**3. Level Two**

If the grievant is not satisfied with the disposition of the grievance at Level One or if no disposition is timely made, the grievant may appeal the grievance to Level Two by properly completing the appeal section of the grievance form and submitting it to the Superintendent within ten (10) days of the written response or lack thereof from Level One. Such appeal, if timely filed, shall be answered by the Superintendent within ten (10) days. If the grievant is not satisfied with the disposition of the grievance at Level Two or if no disposition is timely made, the grievant may appeal the grievance to Level Three.

#### **4. Level Three - Arbitration**

The grievant may select either of the following options to reach a final resolution to his/her grievance. Once the selection is made, the grievant may not change the option.

- c. An arbitrator will be selected according to the procedures of the selected agency.
- d. The costs for the arbitrator shall be borne equally by the Board and the Association if representing the grievant or by the grievant if not represented by the Association. If a party withdraws from arbitration, the costs associated with the arbitrator shall, at the option of the remaining party, be borne by the party withdrawing unless both parties agree mutually to withdraw, at which time costs shall be shared equally.
- e. Either party shall be entitled to request a transcript of the proceeding at the requesting party's expense. The other party may purchase a copy of said transcript if it chooses to do so. If both parties purchase transcripts, the cost will be shared equally. If the arbitrator requests a copy, such copy shall be forwarded, and the cost shall be borne equally by the parties. If the Board first obtains a copy of the transcript and the grievant then obtains a copy pursuant to the Public Records Act, the grievant shall reimburse the Board for one-half of the Board's cost for obtaining the transcript. The parties may agree not to have the testimony recorded if such agreement is made in advance of any arbitration hearing.
- f. No party shall present new evidence after Level Two without apprising the other party of such material at least two (2) days before the new

evidence

is submitted. If either offers new evidence, the other party may reconsider its position stated at Level Two.

g. The Arbitrator shall

- (1) Hold a hearing with the parties within fifteen (15) days after the arbitrator has been chosen or as soon thereafter as the arbitrator can be available

- (2) Establish reasonable rules of conduct for the hearing
- (3) Inform the parties of said rules and procedures and conduct the meeting
- (4) Allow any party to submit post-hearing briefs on request, and determine a reasonable time for submitting such briefs
- (5) Provide the parties with a written decision within fifteen (15) days after the close of the hearing or after the receipt of post-hearing briefs, if any, or as soon thereafter as the schedule of the arbitrator permits
- (6) With permission of the arbitrator, the above times may be extended
- h. By mutual agreement the parties may submit documentary evidence and argument to the arbitrator and request that a decision be made without a hearing.
- i. The arbitrator's decision shall include findings of fact, reasoning, and conclusions on issues submitted.
- j. The arbitrator shall not have the power to add to, subtract from, or modify in any way any term or provision within this contract, nor shall the arbitrator have the power to change any practice, policy, or rule of the Board, nor to substitute the judgment of the arbitrator for the judgment of the Board.
- k. The arbitrator shall refer back to the parties, without decision or recommendation on its merits, any grievance in which the arbitrator has no power to rule.
- l. The decision of the arbitrator shall be final and binding upon the parties. However, no party waives its right to appeal such decision to the appropriate legal forum.

**I. Miscellaneous**

Letters of reprimand and written allegations shall be placed in a separate grievance file until the grievance timelines have expired or the grievance procedure is exhausted.

**ARTICLE XXV - SCHOOL CALENDAR**

The Superintendent shall develop a proposed school calendar each year which shall be submitted to the Association for consideration at least fourteen (14) days before the proposed calendar is scheduled for consideration by the Board. If the Association so requests, the Superintendent will meet with Association representatives to attempt to agree on a calendar to be recommended to the Board. The Association shall have the right to submit an alternative calendar or to submit requests for changes in the school calendar recommended by the Superintendent. Such alternative calendar or requests for changes will be submitted to the Board and will be considered by the Board before the Board adopts any school calendar.

In order to be eligible for the supplements of Program Planner, Peer Teacher, or Team Leader, the selected teacher, to the extent possible, must be in a teaching role within the department or grade level as the supplemental assignment.

**B. Duties**

The principal shall be responsible for establishing the duties to be performed and evaluating the performance of the program planner relative to said duties.

**C. Pay**

Such notification shall be timely.

**E. Additions and Deletions**

In cases of additions or deletions, payment shall be prorated. Pay adjustments shall be made on the first day of the month according to the number of program area members. The Association will not condone, aid, or abet (directly or indirectly) any strikes, work stoppages, slowdown, or any other concerted refusal to perform work by the employees covered by this contract during the term of this contract. Upon notification from the Board of any unauthorized work stoppage, the Association shall make public that it does not endorse work stoppage and will use its best efforts to end any unauthorized work stoppage. Such action by the Association shall be full performance of its obligation under this paragraph and shall free it from any further liability hereunder.
