ARTICLE III GRIEVANCE PROCEDURE

A. DEFINITION

1. A "grievance" shall mean a complaint by an employee(s) or by the Association that there has been an inequitable, improper or unjust application, interpretation or violation of Board Policy, this Agreement, or an administrative decision, except that the term "grievance" shall not apply to:

a. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or

b. A complaint of a non-tenured teacher which arises by reason of his/her not being reemployed; or

c. A complaint by any certified personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure either is not possible or not required.

2. A grievance to be considered under this procedure must be initiated by the grievant [the employee(s) or the Association] within twenty (20) workdays from the time when the grievant knew or should have known of its occurrence.

B. PROCEDURE

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be waiver of further appeal of the decision. The parties may mutually agree in writing to extend or contract any time limitations set forth in this Article.

(b) It is understood that an employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

2. The grievant shall file a written grievance with his/her principal (or immediate supervisor or department head, as the case may be) within twenty (20) work days (as defined in section A.2. of this Article). The written grievance must specify the following: (a) the date the grievance occurred; (b) the nature of the grievance, including the Board Policy, administrative decision and/or Article(s) and section(s) of this Agreement giving rise to the grievance; (c) the nature and extent of any claimed injury, loss or inconvenience. The principal (or immediate supervisor or department head, as the case may be) shall provide the grievant with a written answer to the grievance within five (5) workdays from the date the written grievance was received.

3. The employee grievant, no later than five (5) workdays after receipt of the decision of his/her principal or other immediate supervisor, may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent of Schools must be made in writing and shall set forth the reason(s) why the grievant is dissatisfied with the answer of the principal or other immediate supervisor. The written appeal must have the previously filed grievance and answer thereto attached.

The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) workdays from receipt of the appeal. The Superintendent shall communicate his/her decision in writing to the employee grievant, to the Association and to the principal or other immediate supervisor.

4. If the grievance is not resolved to the satisfaction of the employee grievant and he/she wishes a review by a third party, he/she shall so notify the Association within ten (10)

workdays of receipt of the superintendent's decision. If the Association determines that the matter should be reviewed further, it may initiate arbitration under the procedure set forth below.

5. ARBITRATION

a. If the Association desires to initiate arbitration, it shall send a written demand for arbitration to the New Jersey Public Employment Relations Commission (PERC), with a copy to the Superintendent, within twenty (20) days from the date of receipt of the Superintendent's decision, if not timely received, within twenty (20) workdays from the date it should have been received. The arbitration shall be conducted under the rules and regulation of PERC then in effect.

b. The arbitrator shall be limited to the issue(s) submitted and shall consider nothing else unless mutually agreed to by the Board and Association. The arbitrator can add nothing to, or subtract anything from the Agreement between the parties or any policy of the Board of Education. The recommendations of the arbitrator shall be advisory, except in the case of an alleged violation of this Agreement wherein the arbitrator's decision shall be final and binding on both parties.

c. Rights of an Employee to Representation

1. An aggrieved employee may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by the Association or by a representative selected or approved by the Association.

3. The Board and the Association shall assure the employee freedom from restraint, interference, coercion, discrimination or reprisal in presenting his/her appeal with respect to his/her grievance.

C. COSTS

1. Each party will bear their own costs incurred in the grievance/arbitration procedure.

2. The fees and reasonable expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

3. If time is lost by an employee due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute. The time lost by the employee must be without pay or charged to personal time.

D. CLASS GRIEVANCE

If, in the judgment of the Association, a grievance affects a group or class of employees, which has common issues of fact and law, the Association may initiate and submit such grievance in writing at the Superintendents level of the grievance procedure set forth in this Article. The Association may process such grievance through all levels of the grievance procedure.
