5.2 Pay Equity. New Pay Equity Master Agreement. The County and the below listed Employee Organizations which participated in the Pay Equity Study jointly agree to provisions in this new Pay Equity Master Agreement executed in May 1995.

In executing this agreement, both the County and the participating Employee Organizations (CCCEA Local One, AFSCME Locals 2700 and 512, SEIU 535, California Nurses Association, Western Council of Engineers and the Appraisers' Association) state their intent that (1) the provisions of the Pay Equity Master Agreement contained herein shall stand separate from other terms and conditions of employment which may be negotiated and adopted in Memoranda of Understanding between the County and the individual participating Employee Organizations and that (2) the provisions of the Pay Equity Master Agreement will remain in place as the basis under which all represented pay equity classes will

SECTION 5 - SALARIES

be granted adjustments until all remaining classes reach the trend line or until such time as the parties mutually agree to modify or terminate this agreement.

This agreement shall be presented to the Contra Costa County Board of Supervisors as the joint recommendation of the undersigned.

1. Scope of Agreement. The County and the participating Employee Organizations agree that provisions contained herein will fully supersede and replace the February 1993 Supplemental MOU on Pay Equity.
2. Adoption of Fixed Payout Formula. The County and the participating Employee Organizations agree to adopt a pay equity fixed payout formula described below in 3 which will remain in effect until all pay equity classes are adjusted to the trend line, or until such time as the parties mutually agree to modify or terminate this agreement.
3. Operation of Formula. The pay equity fixed payout formula shall be computed as follows: The annual value of the general salary increase for all classifications represented only by the participating Employee Organizations (CCCEA Local No. 1, AFSCME Locals 2700 and 512, SEIU Local 535, California Nurses Association, Western Council of Engineers, and the Appraisers' Association) and Management and Unrepresented employees, shall be totaled and multiplied by a factor of twenty percent (20%).

The fixed amount of money derived from this calculation shall constitute the total pay equity increase for all classes below the trend line represented by the participating Employee Organizations and for all Management and Unrepresented classes below the trend line.

The manner in which the pay equity increase will be distributed to all represented classes below the trend line shall be determined by the participating Employee Organizations who shall consider only (1) whether classes farthest from the trend line shall receive a greater percentage adjustment than classes closer to the trend line, and (2) at what percentage distance below the trend line to apply any differing percentage adjustment.

If upon review, the County finds that the manner in which the Employee Organizations have structured the distribution is unacceptable, the County and the Employee Organizations shall meet and confer.

4. Effective Dates. The County agrees that any pay equity increases will be effective ninety (90) days from the effective date of any general salary increases.

5. Indemnification. Each participating union will promise not to bring or support comparable worth or pay equity litigation against Contra Costa County or any agent, servant, officer, or employee of Contra Costa County and further promise that in the event litigation advancing comparable worth or pay equity claims is brought against the County or any of its agents, servant, officers, or employees, within five (5) years from the effective date of this agreement between the County and the participating Employee Organizations, by any person(s) employed or formerly employed in a class(es) represented by the participating unions, the union(s) representing such class(es) shall each pay up to five thousand dollars (\$5000) of the County's attorney fees and costs; provided that the union is not named as a co-defendant in such litigation.

5.3 Entrance Salary. Except as otherwise permitted in deep class resolutions, new employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the appointing authority may fill a particular position at a step above the minimum of the range if mutually agreeable guidelines have been developed in advance or the Human Resources Director offers to meet confer with the Union on a case by case basis each time prior to formalizing the appointment.

5.4 Anniversary Dates. Except as may otherwise be provided for in deep class resolutions, anniversary dates will be set as follows:

- a. New Employees. The anniversary date of a new employee is the first day of the calendar month after the calendar month when the employee successfully completes six (6) months service provided however, if an employee began work on the first regularly scheduled workday of the month the anniversary date is the first day of the calendar month when the employee successfully completes six (6) months service.
- b. Promotions. The anniversary date of a promoted employee is determined as for a new employee in Subsection 5.4.a above.
- c. Demotions. The anniversary of a demoted employee is the first day of the calendar month after the calendar month when the demotion was effective.
- d. Transfer, Reallocation & Reclassification. The anniversary date of an employee who is transferred to another position or one whose position has been reallocated or reclassified to a class allocated to the same salary range or to a salary range which is within five

SECTION 5 - SALARIES

percent (5%) of the top step of the previous classification, remains unchanged.

- e. Reemployments. The anniversary of an employee appointed from a reemployment list to the first step of the applicable salary range and not required to serve a probation period is determined in the same way as the anniversary date is determined for a new employee who is appointed the same date, classification and step and who then successfully completes the required probationary period.

- f. Notwithstanding other provisions of this Section 5, the anniversary of an employee who is appointed to a classified position from outside the County's merit system at a rate above the minimum salary for the employee's new class, or who is transferred from another governmental entity to this County's merit system, is one (1) year from the first day of the calendar month after the calendar month when the employee was appointed or transferred; provided however, when the appointment or transfer is effective on the employee's first regularly scheduled work day of that month, his/her anniversary date is one (1) year after the first calendar day of that month.

5.5 Increments Within Range. The performance of each employee, except those of employees already at the maximum salary step of the appropriate salary range, shall be reviewed on the anniversary date as set forth in Section 5.4 to determine whether the salary of the employee shall be advanced to the next higher step in the salary range. Advancement shall be granted on the affirmative recommendation of the appointing authority, based on satisfactory performance by the employee. The appointing authority may recommend denial of the increment or denial subject to one additional review at some specified date before the next anniversary which must be set at the time the original report is returned.

Except as herein provided, increments within range shall not be granted more frequently than once a year, nor shall more than one (1) step within range increment be granted at one time, except as otherwise provided in deep class resolutions. In case an appointing authority recommends denial of the within range increment on some particular anniversary date, but recommends a special salary review at some date before the next anniversary the special salary review shall not affect the regular salary review on the next anniversary date. Nothing herein shall be construed to make the granting of increments mandatory on the County. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to advance an employee to the next salary step on the first of the month when eligible, said advancement shall be made retroactive to the first of the month when eligible.

5.6 Part-Time Compensation. A part-time employee shall be paid a monthly salary in the same ratio to the full-time monthly rate to which the

employee would be entitled as a full-time employee under the provisions of this Section 5 as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full-time work schedule of the department.

5.7 Compensation for Portion of Month. Any employee who works less than any full calendar month, except when on earned vacation or authorized sick leave, shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis.

5.8 Position Reclassification. An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent shall be reduced to the maximum salary for the new classification. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of Section 5.10 - Salary on Promotion.

5.9 Salary Reallocation & Salary on Reallocation.

A. In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated, when the number of steps remain the same, shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocation to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.

SECTION 5 - SALARIES

- B. In the event that a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in Section 5.9.A above, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. In the event that the steps in the new range do not contain the same rates as the old range, each incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. In the event an employee is in a position which is reallocated to a different class which is allocated to a salary range the same as above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary.
- D. In the event of reallocation to a deep class, the provisions of the deep class resolution and incumbent salary allocations, if any, shall supersede Section 5.10.

5.10 Salary on Promotion. Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied, except as provided under Section 5.14, shall receive the salary in the new salary range which is next higher than the rate received before promotion. In the event this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided however that the next step shall not exceed the maximum salary for the higher class. In the event of the appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in the higher class unless such step results in a decrease in which case the employee is appointed to the next higher step. If however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, the salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.

5.11 Salary on Involuntary Demotion. Any employee who is demoted, except as provided under Section 5.12, shall have his/her salary reduced to the monthly salary step in the range for the class of position to which he/she has been demoted next lower than the salary received before demotion. In the event this decrease is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary for the lower class.

Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which he/she would have achieved had he/she been continuously in the position to which he/she has been demoted, all within-range increments having been granted.

5.12 Salary on Voluntary Demotion. Whenever any employee voluntarily demotes to a position in a class having a salary schedule lower than that of the class from which he or she demotes, his or her salary shall remain the same if the steps in his or her new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

5.13 Salary on Transfer. An employee who is transferred from one position to another as described under Transfer shall be placed at the step in the salary range of the new class which equals the rate of pay received before the transfer. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the employee shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the employee shall be placed at the step which is next lower than the salary received in the old range.

Whenever a permanent employee transfers to or from a deep class, as provided in the appropriate deep class resolutions, the salary of the employee shall be set as provided in the deep class resolutions at a step not to exceed a five percent (5%) increase in the employee's base salary.

However, if the deep class transfer occurs to or from a deep class with specified levels identified for certain positions and their incumbents, the employee's salary in the new class shall be set in accordance with the section on Salary on Promotion if the employee is transferring to another class or to a level in a deep class for which the salary is at least five percent (5%) above the top base step of the deep class level or class in which they have status currently.

5.14 Pay for Work in Higher Classification. When an employee in a permanent position in the merit system or an employee in the Family and Children's Service Unit is required to work in a classification for which the

SECTION 5 - SALARIES

compensation is greater than that to which the employee is regularly assigned, the employee shall receive compensation for such work at the rate of pay established for the higher classification pursuant to Subsection 5.10 - Salary on Promotion of this Memorandum, commencing on the 41st consecutive hour in the assignment, under the following conditions:

- a. When an employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule.
- b. The nature of the departmental assignment is such that the employee in the lower classification becomes fully responsible for the duties of the position of the higher classification.
- c. Employee selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.
- d. Pay for work in a higher classification shall not be utilized as a promotional procedure provided in this Memorandum.
- e. Higher pay assignments shall not exceed six (6) months except through reauthorization.
- f. If approval is granted for pay for work in a higher classification and the assignment is terminated and later reapproved for the same employee within thirty (30) days no additional waiting period will be required.
- g. Any incentives (e.g., the education incentive) and special differentials (e.g., bilingual differential and hazardous duty differential) accruing to the employee in his/her permanent position shall continue.
- h. During the period of work for higher pay in a higher classification, an employee will retain his/her permanent classification, and anniversary and salary review dates will be determined by time in that classification; except that if the period of work for higher pay in a higher classification exceeds one year continuous employment, the employee, upon satisfactory performance in the higher classification, shall be eligible for a salary review in that class on his/her next anniversary date. Notwithstanding any other salary regulations, the salary step placement of employees appointed to the higher class immediately following termination of the assignment, shall remain unchanged.

SECTION 6 - DAYS AND HOURS OF WORK

- i. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.

5.15 Payment. On the tenth (10th) day of each month, the Auditor will draw a warrant upon the Treasurer in favor of each employee for the amount of salary due the employee for the preceding month; provided however, that each employee (except those paid on an hourly rate) may choose to receive an advance on the employee's monthly salary, in which case the Auditor shall, on the twenty-fifth (25th) day of each month, draw his/her warrant upon the Treasurer in favor of such employee.

The advance shall be in an amount equal to one-third (1/3) or less (at the option of the employee) of the employee's basic salary of the previous month except that it shall not exceed the amount of the previous month's basic salary less all requested or required deductions.

The election to receive the advance shall be made on the prescribed form (form M-208, revised 5/81) and submitted by the fifteenth (15th) of the month to the department payroll clerk who will forward the card with the Salary Advance Transmittal/Deviation Report to the Auditor-Controller payroll section.

Such an election would be effective in the month of the submission and would remain effective until revoked.

In the case of an election made pursuant to this Section 5.15 all required or requested deductions from salary shall be taken from the second installment, which is payable on the tenth (10th) day of the following month.

SECTION 6 - DAYS AND HOURS OF WORK

The normal work week of County employees is forty (40) hours between 12:01 a.m. Monday to 12:00 midnight Sunday, usually five (5) eight (8) hour days; for twenty-four (24) hour shift employees of the Health Services Department, the normal work week is forty (40) hours between 12:01 a.m. Sunday to 12:00 midnight Saturday. However, where operational requirements of a department require deviations from the usual pattern of five (5) eight (8) hour days per work week, an employee's work hours may be scheduled to meet these requirements. The Department Head shall prepare written schedules in advance to support all deviations encompassing the complete operational cycle contemplated.

The work week for employees in the 4/10 shift is four (4) ten (10) hour working days during a work week consisting of any seven (7) day period. If the County wants to eliminate any existing 4/10 shift and substitute a 5/8 shift or to institute a 4/10 shift which does not allow for three (3) consecutive days off (excluding

SECTION 7 - OVERTIME AND COMPENSATORY TIME

overtime days or a change of shift assignment), or change existing work schedules or existing hours of work, it will meet and confer with the Union prior to implementing said new shift or hours change. This obligation does not apply where there is an existing system for reassigning employees to different shifts or different starting/stopping times. Nothing herein prohibits affected employees and their supervisor from mutually agreeing on a change in existing hours of work provided other employees are not adversely impacted.

SECTION 7 - OVERTIME AND COMPENSATORY TIME

7.1 **Overtime.** Overtime is any authorized work performed in excess of forty (40) hours per week or eight (8) hours per day. Overtime for 4/10 shift employees is any work performed beyond ten (10) hours per day or forty (40) hours per week. All overtime shall be compensated for at the rate of one and one-half (1-1/2) times the employee's base rate of pay (not including shift and other special differentials).

Overtime for permanent employees is earned and credited in a minimum of one-tenth hour increments and is compensated by either pay or compensatory time off.

Employees entitled to overtime credit for holidays in positions which work around the clock (such as the County Hospital, the Sheriff's Office and Jails, and the Juvenile Hall and Boys' Ranch) shall be provided a choice as to whether they shall be paid at the overtime rate or shall receive compensatory time off at the rate of one and one-half (1-1/2) hours compensatory time off for each hour worked. Such compensatory time off, and the accumulation thereof shall be in addition to the total vacation accumulation permitted under the terms of this MOU. The specific provision of this accumulation are set forth in Section 12.5 of this MOU. Regular overtime for twenty-four (24) hour institutional employees may be accrued as compensatory time in accordance with Section 7.2 of this MOU.

7.2 **Compensatory Time.** The following provisions shall apply:

- a. Employees may periodically elect to accrue compensatory time off in lieu of overtime pay. Eligible employees must notify their Department Head or his or her designee of their intention to accrue compensatory time off or to receive overtime pay at least thirty (30) days in advance of the change.
- b. The names of those employees electing to accrue compensatory time off shall be placed on a list maintained by the Department. Employees who become eligible (i.e., newly hired employees, employees promoting, demoting, etc.) for compensatory time off in

SECTION 7 - OVERTIME AND COMPENSATORY TIME

accordance with these guidelines must elect to accrue compensatory time or they will be paid for authorized overtime hours worked.

- c. Compensatory time off shall be accrued at the rate of one and one-half (1-1/2) times the actual authorized overtime hours worked by the employee.
- d. Employees may not accrue a compensatory time off balance that exceeds one hundred twenty (120) hours (i.e., eighty (80) hours at time and one-half). Once the maximum balance has been attained, authorized overtime hours will be paid at the overtime rate. If the employee's balance falls below one hundred twenty (120) hours, the employee shall again accrue compensatory time off for authorized overtime hours worked until the employee's balance again reaches one hundred twenty (120) hours.
- e. Accrued compensatory time off shall be carried over for use in the next fiscal year; however, as provided in d above, accrued compensatory time off balances may not exceed one hundred twenty (120) hours.
- f. The use of accrued compensatory time off shall be by mutual agreement between the Department Head or his/her designee and the employee. Compensatory time off shall not be taken when the employee should be replaced by another employee who would be eligible to receive, for time worked, either overtime payment or compensatory time accruals as provided for in this Section. This provision may be waived at the discretion of the Department Head or his or her designee.
- g. When an employee promotes, demotes or transfers from one classification eligible for compensatory time off to another classification eligible for compensatory time off within the same department, the employee's accrued compensatory time off balance will be carried forward with the employee.
- h. Compensatory time accrual balances will be paid off when an employee moves from one department to another through promotion, demotion or transfer. Said payoff will be made in accordance with the provisions and salary of the class from which the employee is promoting, demoting or transferring as set forth in i below.
- i. Since employees accrue compensatory time off at the rate of one and one-half (1-1/2) hours for each hour of authorized overtime worked, they shall be paid their accrued hours of compensatory time at the straight time rate of pay whenever:

SECTION 8 - CALL BACK TIME

1. The employee changes status and is no longer eligible for compensatory time off.
 2. The employee promotes, demotes or transfer to another department.
 3. The employee separates from County service.
 4. The employee retires.
- j. The Office of the County Auditor-Controller will establish timekeeping procedures to administer this Section.

SECTION 8 - CALL BACK TIME

Any employee who is called back to duty shall be paid at the appropriate rate for the actual time worked plus one (1) hour. Such employee called back shall be paid a minimum of two (2) hours at the appropriate rate for each call back.

SECTION 9 - ON-CALL DUTY

On-call duty is any time other than time when the employee is actually on duty during which an employee is not required to be on County premises, but stand ready to immediately report for duty and must arrange so that his/her supervisor can reach him/her on ten (10) minutes notice or less. An employee assigned to on-call time shall be paid one (1) hour of straight time credit for each four (4) hours of such on-call time unless otherwise provided in the supplemental sections of this Agreement. Where on-call arrangements exist, the Department Head shall designate which employees are on-call unless otherwise provided in the supplemental sections of this Agreement.

SECTION 10 - SHIFT DIFFERENTIAL

In the hours which qualify for shift differential, employees shall receive five percent (5%) above their base salary rate.

To qualify for shift differential, an employee must have a regularly assigned daily work schedule which requires:

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

- a. Completion of more than one and one-half (1-1/2) hours over the normal actual working time; or
- b. At least four (4) hours of actual working time from 5:00 p.m. through 9:00 a.m. inclusive. However, employees who have been regularly working a shift qualifying for shift differential immediately preceding the commencement of a vacation, paid sick leave period, paid disability or other paid leave, will have shift differential included in computing the pay for their leave. The paid leave of an employee who is on a rotating shift schedule shall include the shift differential that would have been received had the employee worked the shift for which the employee was scheduled during such period. Shift differential shall only be paid during paid sick leave and paid disability as provided above for the first thirty (30) calendar days of each absence.

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

11.1 Workforce Reduction. In the event that funding reductions or shortfalls in funding occur in a department or are expected, which may result in layoffs, the department will notify the union and take the following actions:

- a. Identify the classification(s) in which position reductions may be required due to funding reductions or shortfalls.
- b. Advise employees in those classifications that position reductions may occur in their classifications.
- c. Accept voluntary leaves of absence from employees in those classifications which do not appear to be potentially impacted by possible position reductions when such leaves can be accommodated by the department.
- d. Consider employee requests to reduce their position hours from full-time to part-time to alleviate the impact of the potential layoffs.
- e. Approve requests for reduction in hours, lateral transfers, and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within the department, as well as to other departments not experiencing funding reductions or shortfalls when it is a viable operational alternative for the department(s).
- f. Review various alternatives which will help mitigate the impact of the layoff by working through the Tactical Employment Team (TET) program to:

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

1. Maintain an employee skills inventory bank to be used as a basis for referrals to other employment opportunities.
 2. Determine if there are other positions to which employees may be transferred.
 3. Refer interested persons to vacancies which occur in other job classes for which they qualify and can use their layoff eligibility.
 4. Establish workshops to aid laid off employees in areas such as resume preparation, alternate career counseling, job search strategy, and interviewing skills.
- g. When it appears to the Department Head and/or Labor Relations Manager that the Board of Supervisors may take action which will result in the layoff of employees in a representation unit, the Labor Relations Manager shall notify the Union of the possibility of such layoffs and shall meet and confer with the Union regarding the implementation of the action.

11.2 Separation Through Layoff.

- A. Grounds for Layoff. Any employee(s) having permanent status in position(s) in the merit service may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the Board of Supervisors deems sufficient for abolishing the position(s).
- B. Order of Layoff. The order of layoff in a department shall be based on inverse seniority in the class of positions, the employee in that department with least seniority being laid off first and so on.
- C. Layoff By Displacement.
1. In the Same Class. A laid off permanent full-time employee may displace an employee in the department having less seniority in the same class who occupies permanent-intermittent or permanent part-time position, the least senior employee being displaced first.
 2. In the Same Level or Lower Class. A laid off or displaced employee who had achieved permanent status in a class at the same or lower salary level as determined by the salary schedule in effect at the time of layoff may displace within the

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

department and in the class an employee having less seniority; the least senior employee being displaced first, and so on with senior displaced employees displacing junior employees.

D. Particular Rules on Displacing.

1. Permanent-intermittent and permanent part-time employees may displace only employees holding permanent positions of the same type respectively.
2. A permanent full-time employee may displace any intermittent or part-time employee with less seniority 1) in the same class as provided in Section 11.2.C.1 or, 2) in a class of the same or lower salary level as provided in Section 11.2.C.2 if no full-time employee in a class at the same or lower salary level has less seniority than the displacing employees.
3. Former permanent full-time employees who have voluntarily become permanent part-time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Human Resources Director or designee retain their permanent full-time employee seniority rights for layoff purposes only and may in a later layoff displace a full-time employee with less seniority as provided in these rules.

E. Seniority. An employee's seniority within a class for layoff and displacement purposes shall be determined by adding the employee's length of service in the particular class in question to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of layoff. Employees reallocated or transferred without examination from one class to another class having a salary within five percent of the former class, shall carry the seniority accrued in the former class into the new class. Employees reallocated to a new deep class upon its initiation or otherwise reallocated to a deep class because the duties of the position occupied are appropriately described in the deep class shall carry into the deep class the seniority accrued or carried forward in the former class and seniority accrued in other classes which have been included in the deep class.

Service for layoff and displacement purposes includes only the employee's last continuous permanent County employment. Periods of separation may not be bridged to extend such service unless the separation is a result of layoff in which case bridging will be

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

authorized if the employee is reemployed in a permanent position within the employee's layoff eligibility. Approved leaves of absence as provided for in these rules and regulations shall not constitute a period of separation. In the event of ties in seniority rights in the particular class in question, such ties shall be broken by length of last continuous permanent County employment. If there remain ties in seniority rights, such ties shall be broken by counting total time in the department in permanent employment. Any remaining ties shall be broken by random selection among the employees involved.

- F. Eligibility for Layoff List. Whenever any person who has permanent status is laid off, has been displaced, has been demoted by displacement or has voluntarily demoted in lieu of layoff or displacement, or has transferred in lieu of layoff or displacement, the person's name shall be placed on the Layoff list for the class of positions from which that person has been removed.
- G. Order of Names on Layoff. First, layoff lists shall contain the names of persons laid off, displaced, or demoted as a result of a layoff or displacement, or who have voluntarily demoted or transferred in lieu of layoff or displacement. Names shall be listed in order of layoff seniority in the class from which laid off, displaced demoted, or transferred on the date of layoff, the most senior person listed first. In case of ties in seniority, the seniority rules shall apply except that where there is a class seniority tie between persons laid off from different departments, the tie(s) shall be broken by length of last continuous permanent County employment with remaining ties broken by random selection among the employees involved.
- H. Duration of Layoff & Reemployment Rights. The name of any person granted reemployment privileges shall continue on the appropriate list for a period of two (2) years. Persons placed on layoff lists shall continue on the appropriate list for a period of four (4) years.
- I. Certification of Persons From Layoff Lists. Layoff lists contain the name(s) of person(s) laid off, displaced or demoted by displacement or voluntarily demoted in lieu of layoff or displacement or transferred in lieu of layoff or displacement. When a request for personnel is received from the appointing authority of a department from which an eligible(s) was laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list from the department. When a request for personnel is received from a department from which an eligible(s) was not laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list who shall be subject to a probationary period. A person employed from a layoff list

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

shall be appointed at the same step of the salary range the employee held on the day of layoff.

J. Removal of Names from Layoff Lists. The Human Resources Director may remove the name of any eligible from a layoff list for any reason listed below:

1. For any cause stipulated in Section 404.1 of the Personnel Management Regulations.
2. On evidence that the eligible cannot be located by postal authorities.
3. On receipt of a statement from the appointing authority or eligible that the eligible declines certification or indicates no further desire for appointment in the class.
4. If three (3) offers of permanent appointment to the class for which the eligible list was established have been declined by the eligible.
5. If the eligible fails to respond to the Human Resources Director or the appointing authority within ten (10) days to written notice of certification mailed to the person's last known address.

If the person on the reemployment or layoff list is appointed to another position in the same or lower classification, the name of the person shall be removed. However, if the first permanent appointment of a person on a layoff list is to a lower class which has a top step salary lower than the top step of the class from which the person was laid off, the name of the person shall not be removed from the layoff list. Any subsequent appointment of such person from the layoff list shall result in removal of that person's name.

K. Removal of Names from Reemployment and Layoff Certifications. The Human Resources Director may remove the name of any eligible from a reemployment or layoff certification if the eligible fails to respond within five (5) days to a written notice of certification mailed to the person's last known address.

11.3 Notice. The County agrees to give employees scheduled for layoff at least ten (10) work days notice prior to their last day of employment.

11.4 Special Employment Lists. The County will establish a TET Employment Pool which will include the names of all laid off County employees.

SECTION 12 - HOLIDAYS

Special employment lists for job classes may be established from the pool. Persons placed on a special employment list must meet the minimum qualifications for the class. An appointment from such a list will not affect the individual's status on a layoff list(s).

11.5 Reassignment of Laid Off Employees. Employees who displaced within the same classification from full-time to part-time or intermittent status in a layoff, or who voluntarily reduced their work hours to reduce the impact of layoff, or who accepted a position of another status than that from which they were laid off upon referral from the layoff list, may request reassignment back to their pre-layoff status (full time or part-time or increased hours). The request must be in writing in accord with each department's reassignment bid or selection process. Employees will be advised of the reassignment procedure to be followed to obtain reassignment back to their former status at the time of the workforce reduction. The most senior laid off employee in this status who requests such a reassignment will be selected for the vacancy; except when a more senior laid off individual remains on the layoff list and has not been appointed back to the class from which laid off, a referral from the layoff list will be made to fill the vacancy.

SECTION 12 - HOLIDAYS

12.1 Holidays Observed. The County will observe the following holidays:

- a. January 1st, known as New Year's Day
3rd Monday in January known as Dr. M. L. King, Jr. Day
3rd Monday in February, known as Presidents' Day
The last Monday in May, known as Memorial Day
July 4th, known as Independence Day
First Monday in September, known as Labor Day
November 11th, known as Veterans Day
4th Thursday in November, known as Thanksgiving
The day after Thanksgiving
December 25th, known as Christmas Day

Such other days as the Board of Supervisors may by resolution designate as holidays.

- b. Each full-time employee shall accrue two (2) hours of personal holiday credit per month. Such personal holiday time may be taken in increments of one-tenth hour (6 minutes), and preference of personal holidays shall be given to employees according to their seniority in their department as reasonably as possible. No employee may accrue more than forty (40) hours of personal holiday credit. On separation from County service, an employee shall be paid for any

unused personal holiday credits at the employee's then current pay rate.

- c. Employees in positions which work around the clock shall in addition to those holidays specified in Section 12.1.a celebrate Admission Day, Columbus Day, and Lincoln's Day as holidays, but shall not accrue the two (2) hours per month of personal holiday credit referenced in Section 12.1.b above.

12.2 **Application of Holiday Credit.** The following provisions indicate how holiday credit is to be applied:

- a. Employees on the five (5) day forty (40) hour Monday through Friday work schedule shall be entitled to a holiday whenever a holiday is observed pursuant to the schedule cited above.
- b. Employees on a work schedule other than Monday through Friday shall be entitled to credit for any holiday, whether worked or not, observed by employees on the regular schedule; conversely, such employees will not receive credit for any holiday not observed by employees on the regular schedule even though they work the holiday.
- c. Employees will be paid one and one-half (1-1/2) times their basic salary rate for holidays actually worked in addition to regular pay for the holiday.

The purpose of this plan is to equalize holidays between employees on regular work schedule and those on other work schedules.

If a holiday falls on the days off of an employee on a schedule other than Monday through Friday, the employee shall be given credit for overtime or granted time off on the employee's next scheduled work day. Employees who are not permitted to take holidays because of the nature of their work are entitled to overtime pay as specified by this MOU.

If any holiday listed in Section 12.1.a above falls on a Saturday, it shall be celebrated on the preceding Friday. If any holiday listed in Section 12.1.a falls on a Sunday, it shall be celebrated on the following Monday. For employees in the Health Services Department (only) assigned to units or services on a shift operational cycle which includes Saturday or Sunday as designated by the appointing authority (rather than Monday through Friday eight (8) hours per day or a designated 4/10 or 9/80 schedule) holidays shall be observed on

SECTION 12 - HOLIDAYS

the day on which the holiday falls regardless if it is a Saturday or Sunday.

12.3 **Holiday Credit for Part-Time Employees.** Permanent part-time employees shall receive holiday credit in the same ratio to the holiday credit given full-time employees as the number of hours per week in the part-time employee's schedule bear to the number of hours in the regular full-time schedule, regardless of whether the holiday falls on the part-time employee's regular work day. Permanent part-time and permanent-intermittent employees who work on a holiday shall receive overtime pay or compensatory time credit for all hours worked, up to a maximum of eight (8).

12.4 **4/10 Shift - Holidays.**

A. Holiday Shift Pay. Each 4/10 shift employee who works a full shift on a holiday shall receive time and one-half for the first eight (8) hours worked in addition to regular pay for the holiday. Holiday shift pay shall be subject to provisions of Section 7.

B. Absence on Holiday. The maximum time charged to sick leave, vacation or leave without pay on a holiday shall be two (2) hours.

12.5 **Accrual of Holiday Time.** Employees entitled to overtime credit in positions which work around the clock shall be permitted to elect between pay at the overtime rate or compensatory time off in recognition of holidays worked.

The following procedures shall apply to this selection:

- a. Any person who is eligible and who elects to accrue holiday time must agree to do so for a full fiscal year (July 1 through June 30), or the remainder thereof, unless otherwise specified by the Board.
- b. Employees starting work after a list of those electing to accrue holiday time has been submitted to the Auditor and approved, will be paid overtime unless they specifically requested in writing within seven (7) calendar days to be placed on the accrual list.
- c. Holiday time shall be accrued at the rate of one and one-half (1-1/2) times the actual hours worked to a maximum of eight (8) hours worked by the employee.
- d. Holiday time may not be accumulated in excess of two hundred eighty-eight (288) working hours. Holiday time may be accrued up to two hundred eighty-eight (288) hours, exclusive of regular vacation accruals. After two hundred eighty-eight (288) hours, holiday time shall be paid at the overtime rates as specified in Section 7.

SECTION 13 - VACATION LEAVE

- e. Accrued holiday time may be taken off at times determined by mutual agreement of the employee and the Department Head.
- f. Accrued holiday time shall be paid off only upon a change in status of the employee such as separation, transfer to another department or reassignment to a permanent-intermittent position.

SECTION 13 - VACATION LEAVE

13.1 Vacation Allowance. Employees in permanent positions are entitled to vacation with pay. Accrual is based upon straight time hours of working time per calendar month of service and begins on the date of appointment to a permanent position. Increased accruals begin on the first of the month following the month in which the employee qualifies. Accrual for portions of a month shall be in minimum amounts of one (1) hour calculated on the same basis as for partial month compensation pursuant to Section 5.8 of this MOU. Vacation credits may be taken in one-tenth hour (six minute) increments but may not be taken during the first six (6) months of employment (not necessarily synonymous with probationary status) except where sick leave has been exhausted; and none shall be allowed in excess of actual accrual at the time vacation is taken.

13.2 Vacation Leave on Reemployment From a Layoff List. Employees with six months or more service in a permanent position prior to their layoff, who are employed from a layoff list, shall be considered as having completed six months tenure in a permanent position for the purpose of vacation leave. The appointing authority or designee will advise the Auditor-Controller's Payroll Unit in each case where such vacation is authorized so that appropriate payroll system override actions can be taken.

13.3 Vacation Accrual Rates. For employees hired into a class in any bargaining unit covered by this MOU prior to September 1, 1979 the rates at which vacation credits accrue and the maximum accumulation thereof are as follows:

<u>Length of Service</u>	<u>Hours</u>	<u>Monthly Accrual</u>	<u>Hours</u>	<u>Maximum Cumulative</u>
Under 11 years	10		240

25 through 29 years	20		480
30 years and up	23-1/3		560

13.4 Bridged Service Time. Employees who are rehired and have their service bridged in accordance with the provisions of this MOU shall accrue vacation in accordance with the accrual formula for employees hired after September 1, 1979. However, prior service time which has been bridged shall count toward longevity accrual.

13.5 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

13.6 Vacation Allowance for Separated Employees. On separation from County service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

13.7 Vacation Preference. Use of vacation accruals is by mutual agreement between the employee and the supervisor and preference of vacation shall be given to employees according to their seniority in their department as reasonably as possible unless otherwise provided in the supplemental sections of this Agreement.

SECTION 14 - SICK LEAVE

14.1 Purpose of Sick Leave. The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. It is a benefit extended by the County and may be used only as authorized; it is not paid time off which employees may use for personal activities.

14.2 Credits to and Charges Against Sick Leave. Sick leave credits accrue at the rate of eight (8) working hours credit for each completed month of

SECTION 14 - SICK LEAVE

service, as prescribed by County Salary Regulations and Memoranda of Understanding. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation.

Credits to and charges against sick leave are made in minimum amounts of one-tenth hour (6 minutes) increments.

Unused sick leave credits accumulate from year to year.

When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if reemployed in a permanent position within the period of layoff eligibility.

As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one day of retirement service credit for each day of accumulated sick leave credit.

14.3 Policies Governing the Use of Paid Sick Leave. As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

"Immediate Family" means and includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent, grandchild, niece, nephew, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, foster children, aunt, uncle, cousin, stepbrother, or stepsister, or domestic partner of an employee and/or includes any other person for whom the employee is the legal guardian or conservator, or any person who is claimed as a "dependent" for IRS reporting purposes by the employee.

"Employee" means any person employed by Contra Costa County in an allocated position in the County service.

"Paid Sick Leave Credits" means those sick leave credits provided for by County Salary Regulations and Memoranda of Understanding.

"Condition/Reason". With respect to necessary verbal contacts and confirmations which occur between the department and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability to work due to injury or illness is sufficient.

Accumulated paid sick leave credits may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:

- a. Temporary Illness or Injury of an Employee. Paid sick leave credits may be used when the employee is off work because of a temporary illness or injury.

- b. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any County occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
 - 1. An application for retirement due to disability has been filed with the Retirement Board.
 - 2. Satisfactory medical evidence of such disability is received by the appointing authority within 30 days of the start of use of sick leave for permanent disability.
 - 3. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.

- c. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

- d. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below:
 - 1. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical condition having considered the nature of the work performed by the employee, and it must indicate the date of

SECTION 14 - SICK LEAVE

the commencement of the disability as well as the date the physician anticipates the disability to terminate.

2. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform her work or that her general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery therefrom the employee shall be required to undergo a physical examination by a physician selected by the County. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
3. Sick leave may not be utilized after the employee has been released from the hospital unless the employee has provided the County with a written statement from her attending physician stating that her disability continues and the projected dates of the employee's recovery from such disability.

- e. Medical and Dental Appointments. An employee may use paid sick leave credits:
 1. For working time used in keeping medical and dental appointments for the employee's own care; and
 2. For working time used by an employee for pre-scheduled medical and dental appointments for an immediate family member.
- f. Emergency Care of Family. An employee may use paid sick leave credits for working time used in cases of illness or injury to an immediate family member.
- g. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner, but this shall not exceed three (3) working days, plus up to two (2) days of work time for necessary travel. Use of additional accruals including sick leave when appropriate may be authorized in conjunction with the bereavement leave at the discretion of the appointing authority.
- h. Legal Adoption of a Child. Paid sick leave credits may be used by an employee upon adoption of the child.
- i. Accumulated paid sick leave credits may not be used in the following situations:

1. Vacation. Paid sick leave credits may not be used for an employee's illness or injury which occurs while he/she is on vacation but the County Administrator may authorize it when extenuating circumstances exist and the appointing authority approves.
2. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status.

14.4 **Administration of Sick Leave**. The proper administration of sick leave is a responsibility of the employee and the department head. Unless otherwise provided in the supplemental sections of this MOU, the following procedures apply:

a. Employee Responsibilities

1. Employees are responsible for notifying their department of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include the reason and possible duration of the absence.
2. Employees are responsible for keeping their department informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from their supervisor for the scheduled time of pre-arranged personal or family medical and dental appointment.
4. Employees are encouraged to keep the department advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the department may contact to verify the employee's sick leave.

b. Department Responsibilities. The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action.

Departmental approval of sick leave is a certification of the legitimacy of the sick leave claim. The department head or designee may make reasonable inquiries about employee absences. The department may require medical verification for an absence of three (3) or more

SECTION 14 - SICK LEAVE

working days. The department may also require medical verification for absences of less than three (3) working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:

1. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee under Section 14.4.a.
2. Obtaining the employee's signature on the Absence/Overtime Record, or on another form established for that purpose, as employee certification of the legitimacy of the claim.
3. Obtaining the employee's written statement of explanation regarding the sick leave claim.
4. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.
5. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above.

Department heads are responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence and for operating their respective offices in accordance with these policies and with clarifying regulations issued by the Office of the County Administrator.

To help assure uniform policy application, the Director of Human Resources or designated management staff of the County Human Resources Department should be contacted with respect to sick leave determinations about which the department is in doubt.

14.5 Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated for the performance of the employees duties.

- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at County expense and on the employees paid time a physical, medical examination by a licensed physician and/or a psychiatric examination by a licensed physician or psychologist, and receive a report of the findings on such examination. If the examining physician or psychologist recommends that treatment for physical or mental health problems, including leave, are in the best interests of the employee or the County in relation to the employee overcoming any disability and/or performing his or her duties the appointing authority may direct the employee to take such leave and/or undergo such treatment.

- C. Leave due to temporary or permanent disability shall be without prejudice to the employee's right to use sick leave, vacation, or any other benefit to which the employee is entitled other than regular salary. The Director of Human Resources may order lost pay restored for good cause and subject to the employee's duty to mitigate damages.

- D. Before an employee returns to work from any absence for illness or injury, other leave of absence or disability leave, exceeding two weeks in duration, the appointing authority may order the employee to undergo at County expense a physical, medical, and/or psychiatric examination by a licensed physician, and may consider a report of the findings on such examination. If the report shows that such employee is physically or mentally incapacitated for the performance of duty, the appointing authority may take such action as he/she deems necessary in accordance with appropriate provisions of this MOU.

- E. Before an employee is placed on an unpaid leave of absence or suspended because of physical or mental incapacity under (a) or (b) above, the employee shall be given notice of the proposed leave of

SECTION 14 - SICK LEAVE

absence or suspension by letter or memorandum, delivered personally or by certified mail, containing the following:

1. A statement of the leave of absence or suspension proposed.
 2. The proposed dates or duration of the leave or suspension which may be indeterminate until a certain physical or mental health condition has been attained by the employee.
 3. A statement of the basis upon which the action is being taken.
 4. A statement that the employee may review the materials upon which the action is taken.
 5. A statement that the employee has until a specified date (not less than seven (7) work days from personal delivery or mailing of the notice) to respond to the appointing authority orally or in writing.
- F. Pending response to the notice the appointing authority for cause specified in writing may place the employee on a temporary leave of absence, with pay.
- G. The employee to whom the notice has been delivered or mailed shall have seven (7) work days to respond to the appointing authority either orally or in writing before the proposed action may be taken.
- H. After having complied with the notice requirements above, the appointing authority may order the leave of absence or suspension in writing stating specifically the basis upon which the action is being taken, delivering the order to the employee either personally or by mail, effective either upon personal delivery or deposit in the US Postal Service.
- I. An employee who is placed on leave or suspended under this section may, within ten (10) calendar days after personal delivery or mailing to the employee of the order, appeal the order in writing through the Human Resources Director to the Merit Board. Alternatively, the employee may file a written election with the Human Resources Director waiving the employee's right to appeal to the Merit Board in favor of appeal to a Disability Review Arbitrator.
- J. In the event of an appeal either to the Merit Board or the Disability Review Arbitrator, the employee has the burden of proof to show that either:

1. The physical or mental health condition cited by the appointing authority does not exist, or
 2. The physical or mental health condition does exist, but it is not sufficient to prevent, preclude, or impair the employee's performance of duty, or is not sufficient to endanger the health or safety of the employee, other employees, or the public.
- K. If the appeal is to the Merit Board, the order and appeal shall be transmitted by the Human Resources Director to the Merit Board for hearing under the Merit Board's Procedures, Section 1114-1128 inclusive. Medical reports submitted in evidence in such hearings shall remain confidential information and shall not be a part of the public record.
- L. If the appeal is to a Disability Review Arbitrator, the employee (and his representative) will meet with the County's representative to mutually select the Disability Review Arbitrator, who may be a de facto arbitrator, or a physician, or a rehabilitation specialist, or some other recognized specialist mutually selected by the parties. The arbitrator shall hear and review the evidence. The decision of the Disability Review Arbitrator shall be binding on both the County and the employee.

Scope of the Arbitrator's Review.

1. The arbitrator may affirm, modify or revoke the leave of absence or suspension.
2. The arbitrator may make his decision based only on evidence submitted by the County and the employee.
3. The arbitrator may order back pay or paid sick leave credits for any period of leave of absence or suspension if the leave or suspension is found not to be sustainable, subject to the employee's duty to mitigate damages.
4. The arbitrator's fees and expenses shall be paid one-half by the County and one-half by the employee or employee's union.

14.6 **Workers' Compensation.** A permanent non-safety employee shall continue to receive the appropriate percent of regular monthly salary for all accepted claims filed before January 1, 2000, during any period of compensable temporary disability absence not to exceed one year. For all accepted claims filed with the County on or after January 1, 2000, the percentage of pay for employees entitled to Workers' Compensation shall be decreased from 87% to 86%. If

SECTION 14 - SICK LEAVE

Workers' Compensation becomes taxable, the County agrees to restore the original benefit level (100% of monthly salary) and the parties shall meet and confer with respect to funding the increased cost.

A. Waiting Period. There is a three (3) calendar day waiting period before Workers' Compensation benefits commence. If the injured worker loses any time on the day of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of injury, the waiting period will be the first three (3) calendar days the employee does not work as a result of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for Workers' Compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.

B. Continuing Pay. A permanent employee shall receive 86% of regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work connected disability which qualifies for temporary disability compensation under Workers' Compensation Law set forth in Division 4 of the California Labor Code. When any disability becomes medically permanent and stationary, the salary provided by this Section shall terminate. No charge shall be made against sick leave or vacation for these salary payments. Sick leave and vacation rights shall not accrue for those periods during which continuing pay is received.

Employees shall be entitled to a maximum of one (1) year of continuing pay benefits

C. Continuing pay begins at the same time that temporary Workers' Compensation benefits commence and continues until either the member is declared medically permanent/stationary, or until one (1) year of continuing pay, whichever comes first provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from County service by resignation, retirement, layoff, or the employee is no longer employed by the County. In these instances, employees will be paid Workers' Compensation benefits as prescribed by Workers' Compensation laws. All continuing pay will be cleared through the County Administrator's Office, Risk Management Division.

Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours the employee shall be allowed time off up to three (3) hours for such treatment without loss of pay or benefits. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled work day whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.

- D. If an injured employee remains eligible for temporary disability beyond one year, applicable salary will continue by integrating sick leave and/or vacation accruals with Workers' Compensation benefits (vacation charges to be approved by the department and the employee). If salary integration is no longer available, Workers' Compensation benefits will be paid directly to the employee as prescribed by Workers' Compensation laws.

- E. Rehabilitation Integration. An injured employee who is eligible for Workers' Compensation rehabilitation temporary disability benefits and whose disability is medically permanent and stationary will continue to receive salary by integrating sick leave and/or vacation accruals with Workers' Compensation rehabilitation temporary disability benefits until those accruals are exhausted. Thereafter, the rehabilitation temporary disability benefits will be paid directly to the employee.

- F. Health Insurance. The County contribution to the employee's group insurance plan(s) continues during the continuing pay period and during integration of sick leave or vacation with Workers' Compensation benefits.

- G. Method of Integration. An employee's sick leave and/or vacation charges shall be calculated as follows: $C = 8 [1 - (W \div S)]$

C = Sick leave or vacation charge per day (in hours)
W = Statutory Workers' Compensation for a month
S = Monthly salary

For example:

W = \$960 per month Workers' Compensation
S = \$1667 per month salary
8 = 8 hours
C = Hours to be charged to Sick Leave

$C = 8 [1 - (\$960 \div \$1,667)]$

SECTION 15 - CATASTROPHIC LEAVE BANK

$$C = 8 [1 - (.5758)]$$

$$C = 8 (.4242)$$

$$C = 3.39$$

3 hours chargeable to sick leave

5 hours chargeable to Workers' Compensation

14.7 **Rehabilitation Program.** On May 26, 1981, the Board of Supervisors established a Labor-Management Committee to administer a rehabilitation program for disabled employees. It is understood that the benefits specified above in this Section 14 shall be coordinated with the rehabilitation program as determined by the Labor-Management Committee. The Rehabilitation Committee will meet within sixty (60) days of ratification of this MOU. The County will schedule committee meetings on a quarterly basis.

14.8 **Accrual During Leave Without Pay.** No employee who has been granted a leave without pay or an unpaid military leave shall accrue any sick leave credits during the time of such leave nor shall an employee who is absent without pay accrue sick leave credits during the absence.

SECTION 15 - CATASTROPHIC LEAVE BANK

15.1 **Program Design.** The County Human Resources Department will operate a Catastrophic Leave Bank which is designed to assist any County employee who has exhausted all paid accruals due to a serious or catastrophic illness, injury, or condition of the employee or family member. The program establishes and maintains a Countywide bank wherein any employee who wishes to contribute may authorize that a portion of his/her accrued vacation, compensatory time, holiday compensatory time or floating holiday be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, credits from the Catastrophic Leave Bank may be transferred to a requesting employee's sick leave account so that employee may remain in paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury, or condition.

Catastrophic illness or injury is defined as a critical medical condition, a long-term major physical impairment or disability which manifests itself during employment.

15.2 **Operation.** The plan will be administered under the direction of the Director of Human Resources. The Human Resources Department will be responsible for receiving and recording all donations of accruals and for initiating transfer of credits from the bank to the recipient's sick leave account. Disbursement of accruals will be subject to the approval of a six (6) member committee composed of three (3) members appointed by the County

SECTION 15 - CATASTROPHIC LEAVE BANK

Administrator and three (3) members appointed by the majority representative employee organizations. The committee shall meet as necessary to consider all requests for credits and shall make determinations as to the appropriateness of the request. The committee shall determine the amount of accruals to be awarded for employees whose donations are non-specific. Consideration of all requests by the committee will be on an anonymous requester basis.

Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of sick leave accruals and shall be treated as regular sick leave accruals.

To receive credits under this plan, an employee must have permanent status, must have exhausted all time off accruals to a level below eight (8) hours total, have applied for a medical leave of absence and have medical verification of need.

Donations are irrevocable unless the donation to the eligible employee is denied. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours per donation from balances in the vacation, holiday, floating holiday, compensatory time, or holiday compensatory time accounts. Employees who elect to donate to a specific individual shall have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank.

Time donated will be converted to a dollar value and the dollar value will be converted back to sick leave accruals at the recipient's base hourly rate when disbursed. Credits will not be on a straight hour-for-hour basis. All computations will be on a standard 173.33 basis, except that employees on other than a forty (40) hour week will have hours prorated according to their status.

Any recipient will be limited to a total of one thousand forty (1040) hours or its equivalent per catastrophic event; each donor will be limited to one hundred twenty (120) hours per calendar year.

No element of this plan is grievable. All appeals from either a donor or recipient will be resolved on a final basis by the Director of Human Resources.

No employee will have any entitlement to catastrophic leave benefits. The award of Catastrophic Leave will be at the sole discretion of the committee, both as to amounts of benefits awarded and as to persons awarded benefits. Benefits may be denied, or awarded for less than six (6) months. The committee will be entitled to limit benefits in accordance with available contributions and to choose from among eligible applicants, on an anonymous basis, those who will receive benefits, except for hours donated to a specific employee. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the donating employee may authorize the hours to be donated to the bank or returned to the donor's account.

SECTION 16 - STATE DISABILITY INSURANCE (SDI)

The donating employee will have fourteen (14) calendar days from notification to submit his/her decision regarding the status of their donation, or the hours will be irrevocably transferred to the Catastrophic Leave Bank.

Any unused hours transferred to a recipient will be returned to the Catastrophic Leave Bank.

SECTION 16 - STATE DISABILITY INSURANCE (SDI)

16.1 **General Provisions.** The California SDI program provides disability benefits beginning on the eighth (8th) calendar day of a qualifying disability unless the employee is hospitalized. Upon hospitalization, benefits can be payable from the first day of the disability. If the disability exceeds fourteen (14) calendar days, benefits can be payable from the first day of the disability. The maximum period of state disability payments is up to one (1) year. Determination of SDI payments and eligibility to receive payments is at the sole discretion of the State of California.

Integration means that employees will be required to use sick leave accruals to supplement the difference between the amount of the SDI payment and the employee's base monthly salary. Integration of sick leave with the SDI benefit is automatic and cannot be waived. Integration applies to all SDI benefits paid. For employees off on SDI, the department will make appropriate integration adjustments, including retroactive adjustments if necessary. Employees must inform their department of hospitalization in a timely manner in order for the department to make appropriate integration adjustments. State Disability benefit payments will be sent directly to the employees at their home address by the State of California.

When there are insufficient sick leave accruals available to fully supplement the difference between the SDI payment and the employee's base monthly salary, accruals other than sick leave may be used. These accruals may be used only to the extent that total payments do not exceed the employee's base monthly salary.

16.2 **Procedures.** Employees with more than 1.2 hours of sick leave accruals at the beginning of the disability integration period must integrate their sick leave accrual usage with their SDI benefit to the maximum extent possible.

When employees have 1.2 hours or less of sick leave accruals at the beginning of the disability integration period, the department shall automatically use 0.1 hour of sick leave per month for the duration of their SDI benefit.

When sick leave accruals are totally exhausted, integration with the SDI benefit terminates. An employee may use any other accruals without reference to or integration with the SDI benefit.

When the SDI benefit is exhausted, sick leave integration terminates. Then the employee may use sick leave or other accruals.

Employees with no sick leave balance at the beginning of the disability integration period may use any other accruals without reference to or integration with the SDI benefit.

Employees whose SDI claims are denied must present a copy of their claim denial to their department. The department will then authorize use of unused sick leave and shall authorize the use of other accruals as appropriate.

Employees may contact the Human Resources Department, Benefits Division, for assistance in resolving problems.

16.3 **Method of Integration.** Until an employee has a balance of 1.2 hours of sick leave, the employee's sick leave accrual charges while receiving SDI benefits shall be calculated each month.

The amount of sick leave charged each employee will be calculated in the following manner:

The percentage of base monthly salary not covered by the SDI benefit will be applied to the daily hours in the employee's schedule and that number of sick leave hours will be charged against the employee's sick leave accruals.

For purposes of integration with the SDI program, all full-time employees' schedules will be converted to 8-hour/5-day weekly work schedules during the period of integration. The formula for full-time employees' sick leave integration charges is shown below:

- L = $[(S-D) \div S] \times 8$
- S = Employee Base Monthly Salary
- H = Estimated Highest Quarter (3-mos) Earnings [H = S x 3]
- W = Weekly SDI Benefit from State of California SDI Weekly Benefit Table
- C = Calendar Days in each Month
- D = Est. Monthly SDI Benefit [D = (W ÷ 7) x C]
- L = Sick Leave Charged per Day

Permanent part-time, permanent-intermittent employees, and those full-time employees working a light/limited duty reduced schedule program shall have their sick leave integration adjusted accordingly.

16.4 **Definition.** "Base Monthly Salary" for purposes of sick leave integration is defined as the salary amount for the employee's step on the salary schedule for the employee's permanent classification as shown in the "Salary"

SECTION 17 - LEAVE OF ABSENCE

17.1 Leave Without Pay. Any employee who has permanent status may be granted a leave of absence without pay upon written request, approved by the appointing authority; provided, however, that leaves for pregnancy, pregnancy disability, serious health conditions, and family care shall be granted in accordance with applicable state and federal law.

17.2 General Administration - Leaves of Absence. Requests for leave without pay shall be made upon forms prescribed by the Director of Human Resources and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return.

- A. Leave without pay may be granted for any of the following reasons:
1. Illness or disability.
 2. Pregnancy.
 3. Parental.
 4. To take a course of study such as will increase the employee's usefulness on return to the position.
 5. For other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request family care leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not foreseeable, the employee must provide written notice to the employer within five (5) days of learning of the event by which the need for family care leave arises.
- C. A leave without pay may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. The procedure in granting extensions shall be the same as that in granting the original leave, provided that the request for extension must be made not later than thirty (30) calendar days before the expiration of the original leave.
- D. Nevertheless, a leave of absence for the employee's serious health condition or for family care shall be granted to an employee who so

requests it for up to eighteen (18) weeks in each calendar year period in accordance with Section 17.5 below.

- E. Whenever an employee who has been granted a leave without any pay desires to return before the expiration of such leave, the employee shall submit a request to the appointing authority in writing at least fifteen (15) days in advance of the proposed return. Early return is subject to prior approval by the appointing authority. The Human Resources Department shall be notified promptly of such return.
- F. Except in the case of leave of absence due to family care, pregnancy, pregnancy disability, illness, or serious health condition, the decision of the appointing authority on granting or denying a leave or early return from leave shall be subject to appeal to the Director of Human Resources and not subject to appeal through the grievance procedure set forth in this MOU.

17.3 Furlough Days Without Pay (VTO). Subject to the prior written approval of the appointing authority, employees may elect to take furlough days or hours without pay (pre-authorized absence without pay), up to a maximum of fifteen (15) calendar days for any one period. Longer pre-authorized absences without pay are considered leaves of absence without pay. Employees who take furlough time shall have their compensation for the portion of the month worked computed in accord with Section 5.8 (Compensation for Portion of Month) of this MOU. Full-time and part-time employees who take furlough time shall have their vacation, sick leave, floating holiday, and any other payroll computed accruals computed as though they had worked the furlough time. When computing vacation, sick leave, floating holiday, and other accrual credits for employees taking furlough time, this provision shall supersede Section 12.1, 13.1, 13.3, 14.2 and 14.8 of this MOU regarding the computation of vacation, sick leave, floating holiday, and other accrual credits as regards furlough time only. For payroll purposes, furlough time (absence without pay with prior authorization of the appointing authority) shall be reported separately from other absences without pay to the Auditor-Controller. The existing VTO program shall be continued for the life of the contract.

17.4 Military Leave. Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof shall be granted a military leave for the period of such service, plus ninety (90) days. Additionally, any employee who volunteers for service during a mobilization under Executive Order of the President or Congress of the United States and/or the State Governor in time of emergency shall be granted a leave of absence in accordance with applicable state or federal laws. Upon the termination of such service or upon honorable discharge, the employee shall be entitled to return to his/her position in the

SECTION 17 - LEAVE OF ABSENCE

classified service provided such still exists and the employee is otherwise qualified, without any loss of standing of any kind whatsoever.

An employee who has been granted a military leave shall not, by reason of such absence, suffer any loss of vacation, holiday, or sick leave privileges which may be accrued at the time of such leave, nor shall the employee be prejudiced thereby with reference to salary adjustments or continuation of employment. For purposes of determining eligibility for salary adjustments or seniority in case of layoff or promotional examination, time on military leave shall be considered as time in County service.

Any employee who has been granted a military leave, may upon return, be required to furnish such evidence of performance of military service or of honorable discharge as the Director of Human Resources may deem necessary.

17.5 **Family Care Leave or Medical Leave.** Upon request to the appointing authority, in each calendar year any employee who has permanent status shall be entitled to at least eighteen (18) weeks leave (less if so requested by the employee) for:

- a. Medical leave of absence for the employee's own serious health condition which makes the employee unable to perform the functions of the employee's position; or
- b. Family care leave of absence without pay for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee, or the serious illness or health condition of a child, parent, spouse, or domestic partner of the employee.

17.6 **Certification.** The employee may be asked to provide certification of the need for family care leave or medical leave. Additional period(s) of family care or medical leave may be granted by the appointing authority.

17.7 **Intermittent Use of Leave.** The eighteen (18) week entitlement may be in broken periods, intermittently on a regular or irregular basis, or may include reduced work schedules depending on the specific circumstances and situations surrounding the request for leave. The eighteen (18) weeks may include use of appropriate available paid leave accruals when accruals are used to maintain pay status, but use of such accruals is not required beyond that specified in Section 17.12 below. When paid leave accruals are used for a medical or family care leave, such time shall be counted as a part of the eighteen (18) week entitlement.

17.8 **Aggregate Use for Spouses.** In the situation where husband and wife are both employed by the County, the family care of medical leave

entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of eighteen (18) weeks during each calendar year period. Employees requesting family care leave are required to advise their appointing authority(ies) when their spouse is also employed by the County.

17.9 **Definitions.** For medical and family care leaves of absence under this section, the following definitions apply:

- a. Child: A biological, adopted, or foster child, stepchild, legal ward, conservatee or a child who is under eighteen (18) years of age for whom an employee stands in loco parentis or for whom the employee is the guardian or conservator, or an adult dependent child of the employee.

- b. Parent: A biological, foster, or adoptive parent, a step-parent, legal guardian, conservator, or other person standing in loco parentis to a child.

- c. Spouse: A partner in marriage as defined in California Civil Code Section 4100.

- d. Domestic Partner: An unmarried person, eighteen (18) years or older, to whom the employee is not related and with whom the employee resides and shares the common necessities of life.

- e. Serious Health Condition: An illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of treatment or supervision and involves either inpatient care in a hospital, hospice or residential health care facility or continuing treatment or continuing supervision by a health care provider (e.g. physician or surgeon) as defined by state and federal law.

- f. Certification for Family Care Leave: A written communication to the employer from a health care provider of a person for whose care the leave is being taken which need not identify the serious health condition involved, but shall contain:
 - 1. The date, if known, on which the serious health condition commenced.

 - 2. The probable duration of the condition.

 - 3. An estimate of the amount of time which the employee needs to render care or supervision.

SECTION 17 - LEAVE OF ABSENCE

4. A statement that the serious health condition warrants the participation of a family member to provide care during period of treatment or supervision.
 5. If for intermittent leave or a reduced work schedule leave, the certification should indicate that the intermittent leave or reduced leave schedule is necessary for the care of the individual or will assist in their recovery, and its expected duration.
- g. Certification for Family Medical Leave: A written communication from a health care provider of an employee with a serious health condition or illness to the employer, which need not identify the serious health condition involved, but shall contain:
1. The date, if known, on which the serious health condition commenced.
 2. The probable duration of the condition.
 3. A statement that the employee is unable to perform the functions of the employee's job.
 4. If for intermittent leave or a reduced work schedule leave, the certification should indicate the medical necessity for the intermittent leave or reduced leave schedule and its expected duration.
- h. Comparable Positions: A position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave. Ordinarily, the job assignment will be the same duties in the same program area located in the same city, although specific clients, caseload, co-workers, supervisor(s), or other staffing may have changed during an employee's leave.

17.10 Pregnancy Disability Leave. Insofar as pregnancy disability leave is used under Section 14.3.D (Sick Leave Utilization for Pregnancy Disability), that time will not be considered a part of the eighteen (18) week family care leave period.

17.11 Group Health Plan Coverage. Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the County contribution by maintaining their employment in pay status as described in Section 17.12. During the eighteen (18) weeks of an approved medical or family care leave under Section

SECTION 17 - LEAVE OF ABSENCE

17.5 above, the County will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under Section 17.12. In order to maintain such coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the County directly.

SECTION 17 - LEAVE OF ABSENCE

17.12 Leave Without Pay - Use of Accruals.

- A. All Leaves of Absence. During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under Section 14.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be "broken" into segments and accruals used on a monthly basis at the employee's discretion. After the first twelve (12) months, the leave period may not be "broken" into segments and accruals may not be used, except when required by LTD Benefit Coordination or SDI/Sick Leave Integration or as provided Section 16.3 or in the sections below.
- B. Family Care or Medical Leave. During the eighteen (18) weeks of an approved medical or family care leave, if a portion of that leave will be on a leave of absence without pay, the employee will be *required* to use *at least* 0.1 hour of sick leave (if so entitled under Section 14.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements if such are available, although use of additional accruals is permitted under subsection A. above.
- C. Leave of Absence/Long Term Disability (LTD) Benefit Coordination. An eligible employee who files an LTD claim and concurrently takes a leave of absence without pay will be required to use accruals as provided in Section B herein during the eighteen (18) week entitlement period of a medical leave specified above. If an eligible employee continues beyond the eighteen (18) week entitlement period on a concurrent leave of absence/LTD claim, the employee may choose to maintain further pay status only as allowed under subsection A. herein.
- D. Sick leave accruals may not be used during any leave of absence, except as allowed under Section 14.3 - Policies Governing the Use of Paid Sick Leave.

17.13 Leave of Absence Replacement and Reinstatement. Any permanent employee who requests reinstatement to the classification held by the employee in the same department at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification and department and then only on the basis of seniority. In case of severance from service by reason of the reinstatement of a permanent employee, the provisions of Section 11 - Workforce Reduction/Layoff/Reassignment shall apply.

SECTION 18 - JURY DUTY AND WITNESS DUTY

17.14 Leave of Absence Return. In the Employment & Human Services Department an employee shall have the right to return to the same class, building, and assignment (position control number) if the return to work is within eighty-nine (89) consecutive days from the initial date the employee started the leave of absence. At such time the leave of absence is approved by the Appointing Authority, the Employment & Human Services Department shall notify the employee of the final date by which he/she shall return to be assigned to the same position control number.

17.15 Reinstatement From Family Care/Medical Leave. In the case of a family care or medical leave, an employee on a 5/40 schedule shall be reinstated to the same or comparable position if the return to work is after no more than ninety (90) work days of leave from the initial date of a continuous leave, including use of accruals, or within the equivalent on an alternate work schedule. A full-time employee taking an intermittent or reduced work schedule leave shall be reinstated to the same or comparable position if the return to work on a full schedule is after no more than seven hundred twenty (720) hours, including use of accruals, of intermittent or reduced schedule leave. At the time the original leave is approved, the appointing authority shall notify the employee in writing of the final date to return to work, or the maximum number of hours of leave, in order to guarantee reinstatement to the same or comparable position. An employee on a schedule other than 5/40 shall have the time frame for reinstatement to the same or comparable position adjusted on a pro rata basis.

17.16 Salary Review While on Leave of Absence. The salary of an employee who is on leave of absence from a County position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the preceding year, shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

17.17 Unauthorized Absence. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or canceled by the appointing authority, or at the expiration of a leave, shall be without pay. Such absence may also be grounds for disciplinary action.

17.18 Non-Exclusivity. Other MOU language on this subject, not in conflict, shall remain in effect.

SECTION 18 - JURY DUTY AND WITNESS DUTY

18.1 Jury Duty. For purposes of this Section, jury duty shall be defined as any time an employee is obligated to report to the court.

SECTION 18 - JURY DUTY AND WITNESS DUTY

- a. When called for jury duty, County employees, like other citizens, are expected to discharge their jury duty responsibilities.
- b. Employees shall advise their department as soon as possible if scheduled to appear for jury duty.
- c. If summoned for jury duty in a Municipal, Superior, or Federal Court, or a Coroners jury, employees may remain in their regular County pay status, or they may take paid leave (vacation, floating holiday, etc.) or leave without pay and retain all fees and expenses paid to them.
- d. When an employee is summoned for jury duty selection or is selected as a juror in a Municipal, Superior or Federal Court, employees may remain in a regular pay status if they waive all fees (other than mileage), regardless of shift assignment and the following shall apply:
 - 1. If an employee elects to remain in a regular pay status and waive or surrender all fees (other than mileage), the employee shall obtain from the Clerk or Jury Commissioner a certificate indicating the days attended and noting that fees other than mileage are waived or surrendered. The employee shall furnish the certificate to his department where it will be retained as a department record. No "Absence/Overtime Record" is required.
 - 2. An employee who elects to retain all fees must take leave (vacation, floating holiday, etc.) or leave without pay. No court certificate is required but an "Absence/Overtime Record" must be submitted to the department payroll clerk.
- e. Employees are not permitted to engage in any employment regardless of shift assignment or occupation before or after daily jury service that would affect their ability to properly serve as jurors.
- f. An employee on short notice standby to report to court, whose job duties make short notice response impossible or impractical, shall be given alternate work assignments for those days to enable them to respond to the court on short notice.
- g. When an employee is required to serve on jury duty, the County will adjust that employee's work schedule to coincide with a Monday to Friday schedule for the remainder of their service, unless the employee requests otherwise.

- h. Permanent-intermittent employees are entitled to paid jury duty leave only for those days on which they were previously scheduled to work.

18.2 **Witness Duty.** Employees called upon as a witness or an expert witness in a case arising in the course of their work or the work of another department may remain in their regular pay status and turn over to the County all fees and expenses paid to them other than mileage allowance or they may take vacation leave or leave without pay and retain all fees and expenses.

Employees called to serve as witnesses in private cases or personal matters (e.g., accident suits and family relations) shall take vacation leave or leave without pay and retain all witness fees paid to them.

Retention or waiver of fees shall be governed by the same provisions as apply to jury duty as set forth in Section 18 of this MOU. Employees shall advise their department as soon as possible if scheduled to appear for witness duty. Permanent-intermittent employees are entitled to paid witness duty only for those days on which they were previously scheduled to work.

SECTION 19 - HEALTH, LIFE & DENTAL CARE

19.1 **County Programs.** The County will continue to offer existing County Group Benefit Programs of medical, dental and life insurance coverage through December 31, 1999 to all permanent employees regularly scheduled to work twenty (20) or more hours per week. Effective January 1, 2000, the County will offer Group Benefit Programs for medical, dental and life insurance coverage to all permanent employees regularly scheduled to work twenty (20) hours or more per week as described in the September 30, 1999 agreement (Attachment N) between the County and the Labor Coalition.

19.2 **Rate Information.** The County Benefits Division will make health and dental plan rate information available upon request to employees and departments. In addition, the County Benefits Division will publish and distribute to employees and departments information about rate changes as they occur during the year.

19.3 **Medicare Rates.** Corresponding Medicare rates for employees covered under this MOU shall be as follows: for Employee Only on Medicare by taking the Employee Only rate for the option selected and subtracting the monthly Part B Medicare premium withheld from Social Security payments for one enrollee; for Employee and Dependent(s) with one member on Medicare by taking the Employee and Dependent(s) rate for the option selected and subtracting the monthly Part B Medicare premium withheld from Social Security payments for one enrollee; for Employee and Dependent(s) with two members on Medicare by taking the Employee and Dependent(s) rate for the option selected

and subtracting the monthly Part B Medicare premium withheld from Social Security payments for two enrollees.

19.4 **Partial Month.** The County's contribution to the health plan premium is payable for any month in which the employee is paid. If an employee is not paid enough compensation in a month to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller. The responsibility for this payment rests with the employee. If payment is not made, the employee shall be dropped from the health plan. An employee is thus covered by the health plan for the month in which compensation is paid.

19.5 **Coverage During Absences.** An employee who is on approved leave of absence may convert to individual health plan coverage within thirty (30) days of the commencement of leave.

Employees shall be allowed to maintain their health plan coverage at the County group rate for twelve (12) months if on approved leave of absence provided that the employee shall pay the entire premium (i.e. both employer and employee share) for the health plan during said leave. Said payment shall be made by the employee at a time and place specified by the County. Late payment shall result in cancellation of health plan coverage.

An employee on leave in excess of twelve (12) months may continue health plan coverage by converting to an individual health plan option (if available) or continuing group coverage subject to the provisions of the Consolidated Omnibus Budget Reduction Act (COBRA) provided the employee pays the entire cost of coverage, plus any administrative fees, for the option selected. The entire cost of coverage shall be paid at a place and time specified by the County. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

19.6 **Retirement Coverage.** Upon retirement, employees may remain in the same County group medical plan if immediately before their retirement they are either active subscribers to one of the County Health Plans or if on authorized leave of absence without pay they have retained their membership by either continuing to pay their monthly premium to the County by the deadlines established by the County, or converting to individual conversion membership from the County plan through the medical plan carrier, if available.

19.7 **Deferred Retirement.** Effective two (2) months following an approved agreement, employees who resign and file for a deferred retirement may continue in their County group health and dental plan; the following conditions and limitations apply:

- a. Life insurance coverage is not included.

- b. To be eligible to continue health and dental coverage, the employee must:
 - 1. Be qualified for a deferred retirement under the 1937 Retirement Act provisions.
 - 2. Be an active member of a County group health and/or dental plan at the time of filing their deferred retirement application and elect to continue health benefits.
 - 3. Be eligible for a monthly allowance from the Retirement System and direct receipt of a monthly allowance within twenty-four (24) months of their application for deferred retirement.
 - 4. File an election to defer retirement and to continue health benefits hereunder with the County Benefits Division within thirty (30) days before their separation from County service.
- c. Deferred retirees who elect continued health benefits hereunder may maintain continuous membership in their County health and/or dental plan group during the period of deferred retirement at their full personal expense, by paying the full premium for their health and dental coverage on or before the 11th of each month to the Auditor-Controller. When they begin to receive retirement benefits, they will qualify for the same health and/or dental plan coverage and County subvention to which retirees who did not defer retirement are entitled.
- d. Deferred retirees who elect continued health benefits hereunder may elect not to maintain participation in their County health and/or dental plan during their deferred retirement period; and may instead qualify for the same coverage and County subvention in any County health and/or dental plan when they begin to receive retirement benefits as retirees who did not defer retirement are entitled; provided reinstatement to a County group health and/or dental plan with County subvention occurs no sooner than the first of the month following a full three (3) calendar month waiting period after the commencement of their monthly allowance.
- e. Eligibility for County subvention will not exist hereunder unless and until the member draws a monthly retirement allowance within not more than twenty-four (24) months after separation from County service.

- f. Deferred retirees are required to meet the same eligibility provisions for health/dental plans as active/retired employees.

19.8 Dual Coverage. If a husband and wife both work for the County and one of them is laid off, the remaining eligible shall be allowed to enroll or transfer into the health coverage combination of his/her choice.

An eligible employee who is no longer covered for medical or dental coverage through a spouse's coverage shall be allowed to enroll or transfer into the health coverage combination of his/her choice within thirty (30) days of the date coverage is no longer afforded under the spouse's plan.

19.9 PERS Long Term Care. The County proposes to deduct and remit monthly premium and eligible lists to the PERS Long Term Care Administrator, at no County administrative cost, for County employees who are eligible and voluntarily elect to purchase long term care through the PERS Long Term Care Program.

The County further agrees that County employees interested in purchasing PERS Long Term Care may participate in meetings scheduled by PERS Long Term Care on County facilities during non-work hours. (i.e: coffee breaks, lunch hour).

19.10 Health Care Spending Account. The County will offer regular full-time and part-time (20/40 or greater) County employees the option to participate in a Health Care Spending Account (HCSA) Program designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a pre-determined amount of money from their paycheck not to exceed \$2400 per year, for health care expenses not reimbursed by any other health benefits plan with before tax dollars. HCSA dollars can be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Effective January 1, 2000, this amount shall be increased to \$3000 per year. Any unused balance cannot be recovered by the employee.

19.11 Confidentiality of Information/Records. Any use of employee medical records will be governed by the Confidentiality of Medical Information Act (Civil Code Sections 56 to 56.26).

19.12 Child Care. The County will continue to support the concept of non-profit child care facilities similar to the "Kid's at Work" program established in the Public Works Department.

19.13 Health Care Oversight Committee. The County and the Health Care Oversight Committee, as a subcommittee of the County and the Labor Coalition, shall seek and secure mutually agreeable options of health plans which provide improved "portability" for participants.

A. The County and the Labor Coalition agree that the joint labor/management Health Care Oversight Committee shall consider the following issues:

1. Improve the appointment scheduling for CCHP.
2. Reduce the wait for pharmacy orders for CCHP.
3. Expand the portability of CCHP.
4. Improve vision care coverage.

The Committee shall report its findings to the County and the Labor Coalition by no later than July 1, 2000 following which, upon request, the parties will meet and confer regarding options.

For original entrance appointments, the probationary period shall be from nine (9) months to two (2) years duration. For promotional appointments, the probation period shall be from six (6) months to two (2) years duration.

20.2 **Classes With Probationary Period Over Six /Nine Months.** Listed below are those classes represented by the Union which have probation periods in excess of nine (9) months for original entrance appointments and six (6) months for promotional appointments:

20.3 **Revised Probationary Period.** When the probationary period for a class is changed, only new appointees to positions in the classification shall be subject to the revised probationary period.

20.4 **Criteria.** The probationary period shall date from the time of appointment to a permanent position after certification from an eligible list. It shall not include time served under provisional appointment or under appointment to limited term positions or any period of continuous leave of absence without pay or period of work connected disability exceeding fifteen (15) calendar days.

For those employees appointed to permanent-intermittent positions with a nine (9) month probation period, probation will be considered completed upon serving fifteen hundred (1500) hours after appointment except that in no instance will this period be less than nine (9) calendar months from the beginning of probation. If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours per month.

20.5 **Rejection During Probation.** An employee who is rejected during the probation period and restored to the eligible list shall begin a new probationary period if subsequently certified and appointed.

- A. **Appeal from Rejection.** Notwithstanding any other provisions of this section, an employee (probationer) shall have the right to appeal from any rejection during the probationary period based on political, or religious or union activities, or race, color, national origin, sex, age, disability, or sexual orientation.

- B. The appeal must be written, must be signed by the employee and set forth the grounds and facts by which it is claimed that grounds for appeal exist under Subsection A and must be filed through the Director of Human Resources to the Merit Board by 5:00 p.m. on the seventh (7th) calendar day after the date of delivery to the employee of notice of rejection.

- C. The Merit Board shall consider the appeal, and if it finds probable cause to believe that the rejection may have been based on grounds prohibited in Subsection A, it may refer the matter to a Hearing Officer for hearing, recommended findings of fact, conclusions of law and decision, pursuant to the relevant provisions of the Merit Board rules in which proceedings the rejected probationer has the burden of proof.

- D. If the Merit Board finds no probable cause for a hearing, it shall deny the appeal. If, after hearing, the Merit Board upholds the appeal, it shall direct that the appellant be reinstated in the position and the appellant shall begin a new probationary period unless the Merit Board specifically reinstates the former period.

20.6 Regular Appointment. The regular appointment of a probationary employee shall begin on the day following the end of the probationary period, subject to the condition that the Director of Human Resources receive from the appointing authority a statement in writing that the services of the employee during the probationary period were satisfactory and that the employee is recommended for permanent appointment. A probationary employee may be rejected at any time during the probation period without regard to the Skelly provisions of this Memorandum, without notice and without right of appeal or hearing. If the appointing authority has not returned the probation report, a probationary employee may be rejected from the service within a reasonable time after the probation period for failure to pass probation. If the appointing authority fails to submit in a timely manner the proper written documents certifying that a probationary employee has served in a satisfactory manner and later acknowledges it was his or her intention to do so, the regular appointment shall begin on the day following the end of the probationary period.

Notwithstanding any other provisions of the MOU, an employee rejected during the probation period from a position in the Merit System to which the employee had been promoted or transferred from an eligible list, shall be restored to a position in the department from which the employee was promoted or transferred.

An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position in the Merit System to a position not included in the Merit System shall be restored to a position in the classification in the department from which the employee was promoted or transferred.

A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the Director of Human Resources whose decision is final. The Director of Human Resources shall not certify the name of a person restored to the eligible list to the same appointing authority by whom the person was rejected from the same eligible list, unless such certification is requested in writing by the appointing authority.

20.7 Layoff During Probation. An employee who is laid off during probation, if reemployed in the same class by the same department, shall be required to complete only the balance of the required probation.

If reemployed in another department or in another classification, the employee shall serve a full probationary period. An employee appointed to a permanent position from a layoff or reemployment list is subject to a probation period if the position is in a department other than the department from which the employee

SECTION 21 - PROMOTION

separated, displaced, or voluntarily demoted in lieu of layoff. An appointment from a layoff or reemployment list is not subject to a probation period if the position is in the department from which the employee separated, displaced or voluntarily demoted in lieu of layoff.

20.8 Rejection During Probation of Layoff Employee. An employee who has achieved permanent status in the class before layoff and who subsequently is appointed from the layoff list and then rejected during the probation period shall be automatically restored to the layoff list, unless discharged for cause, if the person is within the period of layoff eligibility. - c. The incumbent must meet the minimum education and experience requirements for the higher class.

SECTION 22 - TRANSFER & REASSIGNMENT

The appropriate rules regarding probationary status and salary on promotion are applicable.

21.5 Requirements for Promotional Standing. In order to qualify for an examination called on a promotional basis, an employee must have probationary or permanent status in the merit system and must possess the minimum qualifications for the class. Applicants will be admitted to promotional examinations only if the requirements are met on or before the final filing date. If an employee who is qualified on a promotional employment list is separated from the merit system, except by layoff, the employee's name shall be removed from the promotional list.

21.6 Seniority Credits. Employees who have qualified to take promotional examinations and who have earned a total score, not including seniority credits, of seventy (70) percent or more, shall receive, in addition to all other credits, five one-hundredths of one percent (.05%) for each completed month of service as a permanent County employee continuously preceding the final date for filing application for said examination. For purposes of seniority credits, leaves of absence shall be considered as service. Seniority credits shall be included in the final percentage score from which the rank on the promotional list is determined. No employee, however, shall receive more than a total of five percent (5%) credit for seniority in any promotional examination.

21.7 Release Time for Physical Examination. County employees who are required as part of the promotional examination process to take a physical examination shall do so on County time at County expense.

SECTION 22 - TRANSFER & REASSIGNMENT

22.1 Transfer Conditions. The following conditions are required in order to qualify for transfer:

- a. The position shall be in the same class, or if in a different class shall have been determined by the Director of Human Resources to be appropriate for transfer on the basis of minimum qualifications and qualifying procedure.
- b. The employee shall have permanent status in the merit system and shall be in good standing.

SECTION 22 - TRANSFER & REASSIGNMENT

- c. The appointing authority or authorities involved in the transaction shall have indicated their agreement in writing.
- d. The employee concerned shall have indicated agreement to the change in writing.
- e. The Director of Human Resources shall have approved the change. Notwithstanding the foregoing, transfer may also be accomplished through the regular appointment procedure provided that the individual desiring transfer has eligibility on a list for a class for which appointment is being considered.

22.2 **Transfer Policy.** Any employee or appointing authority who desires to initiate a transfer may inform the Director of Human Resources in writing of such desire stating the reasons therefore. The Director of Human Resources shall if he or she considers that the reasons are adequate and that the transfer will be for the good of the County service and the parties involved, inform the appointing authority or authorities concerned and the employee of the proposal and may take the initiative in accomplishing the transfer.

22.3 **Reassignment of Work Location.** Employees desirous of reassignment to a position in the same classification at another work location shall submit a request for reassignment in writing to the Department Head. When openings occur in various work locations, requests for reassignment will be reviewed with consideration given to various factors including but not limited to distance of employee's residence from desired work location and relative length of service of the applicants for a particular location. The Department Head or designated representative shall make the sole determination as to assignment of personnel, except as otherwise provided in the supplemental sections of this MOU. This provision applies to intradepartmental reassignments only.

This provision for work location reassignments applies only to the following units: Agriculture Unit (excluding the Weights and Measures Division) and Library Unit.

22.4 **Voluntary Reassignment (Bidding) Procedure.** The below listed procedure shall apply to the following groups of employees: the entire General Services and Maintenance Unit, the entire LVN-Attendant/Aide Unit, the entire Health Services Unit, Probation Counselors in the Probation Department and that portion of the Engineering Unit in the Public Works Department.

Permanent employees may request reassignment to vacant permanent positions in the same classification or in the same level of their deep classification. All permanent vacancies will be offered for bid to presently assigned full-time, part-time and permanent-intermittent employees for reassignment. Nothing herein

SECTION 22 - TRANSFER & REASSIGNMENT

precludes the making of temporary reassignments not entailing the filling of vacant permanent positions. The following procedures shall apply:

- a. Responsibility. Implementation of the reassignment procedure is the responsibility of the supervisor of the position which is vacant.

- b. Vacancy Notices Posted. Vacant position notices for positions which are to be filled shall be posted for seven (7) calendar days. The notice shall specify job characteristics and shall be posted only once. The supervisor may begin interviewing bidders immediately upon posting the bid notice. If the supervisor receives less than three (3) bidders, he or she may fill the position by using the Merit System eligible list or by making internal reassignments. For purposes of this procedure, a bidder is an employee in the same class who is eligible to bid under Section d, following, and who meets all the minimum qualifications for the position including any specialized requirements such as bilingual ability, position flag requirements, and who submits a bid on the position.

- c. All Vacancies Must be Posted. All vacant positions which may occur by creation of new positions, separation, promotion, demotion or reassignment must be posted for permanent employee bidding.

- d. Who May Request Reassignment. All permanent full-time, permanent part-time or permanent-intermittent employees may request reassignment to any open permanent position in the same classification or in the same level of a deep classification anywhere else in their Department.

- e. Who May Not Request Reassignment. Employees who are in a temporary status or provisionally appointed to a permanent position may not bid for reassignment under this procedure.

- f. Employee Selection. If three (3) or more employees bid on the position, the position shall be filled from among the three (3) most senior bidders. For the purposes of bidder selection, the "Rule of 3" shall apply. That is, the supervisor is entitled to select from three (3) candidates and the three (3) most senior may be considered as equal. Seniority for bidding purposes means classification seniority for layoff purposes. If two (2) employees bid, the supervisor shall be entitled to one (1) additional name from an eligible list. If one (1) employee bids, the supervisor shall be entitled to two (2) additional names from an eligible list. If no employees bid, the supervisor may fill the position from an eligible list or otherwise in accordance with the Personnel Management Regulations.

SECTION 22 - TRANSFER & REASSIGNMENT

The supervisor shall offer to interview all candidates either in person or on the telephone. Subsequent to submitting a bid, an employee may waive consideration for the position at any time by notifying the supervisor verbally or in writing in which case the next most senior bidder (if any) or candidate from the eligible list may be considered. The remaining active bidders will be advised within ten (10) work days after the posting is removed whether they have been selected or the status of their bid. If requested by the employee, supervisors shall give an employee in writing the reason(s) why he or she was not selected.

- g. No Old Job Claim. The selected employee shall have no claim on the job(s) he or she left. If a decision is made by the employee to seek immediate reassignment, the employee may only be placed in another vacant position in accordance with this policy.
- h. Bidding While on Leave. Employees interested in a particular assignment and wishing to be notified of an open position while on vacation, sick leave or leave of absence (not scheduled day off) may leave a written notice or a self-addressed, stamped envelope with the supervisor of the position they are interested in.
- i. Probationary and New Assignment Bidding. Employees who are on probation or who have been in a new work assignment for less than three (3) months, may bid for a vacant position which is open. The bid will be considered if, when bidding is closed, there are less than three (3) employees who are not on probation or in new assignments who have bid for the position. Bids from employees on probation or in new assignments will be in addition to any names referred to the department through the certification process described in Section 22.4-f above. Probation Counselors who have completed three (3) months of their one (1) year probation may bid the same as all other permanent employees.

22.5 Involuntary Reassignment Procedure. The below listed procedure shall apply to the following groups of employees (except in the case of layoffs where Section 22.6 governs): entire General Services and Maintenance Unit; entire LVN/Attendant/Aide Unit; entire Health Services Unit; Probation Counselors in the Probation Department; and that portion of the Engineering Unit in the Public Works Department.

Department management, at its sole discretion, may determine from time to time that involuntary reassignments of staff are required. Involuntary reassignments are the reassignments of permanent employees in their existing classification to a new worksite, shift, or program area. Such decisions may result from inability to fill a vacancy through the voluntary reassignment procedure or from a determination that excess staff are allocated to a certain site, shift, or program. When such decisions are made and the reassignments are permanent, the below listed procedure shall apply.

This policy shall not apply to temporary reassignments of less than eight (8) weeks duration to cover such things as vacation relief, sick leave absences, temporary shifts in workload, training assignments, or temporary short term assignments to cover vacant positions which could not be filled through the voluntary reassignment policy and for which actions are underway to fill permanent from an eligible list. If a temporary reassignment is expected to exceed eight (8) weeks in duration, the affected Department shall either use the below listed procedure or will meet and confer with the Union on a case by case basis regarding an alternative approach:

- a. Management will identify the classifications and positions from which reassignments are necessary.
- b. Affected employees will be provided with a list of vacancies/ assignments for which they may apply.
- c. Affected employees shall be given the opportunity to volunteer for the available vacancies/assignments and shall be considered in accordance with Part f. of the voluntary reassignment procedure.
- d. If there are insufficient volunteers for the number of available positions or no volunteers, and involuntary reassignments are still required, the least senior qualified affected employee shall be reassigned to the vacant assignment identified by management, followed by the next least senior employee, and so on in inverse order of seniority until all necessary reassignments are completed. Qualified is defined as a person possessing the necessary training or experience for the specific assignment.

Seniority for involuntary reassignment purposes shall be defined as seniority within classification. Nothing contained in this Section shall

prohibit the Department and the Union from making a mutually agreed upon alternative arrangement.

In no event shall reassignments be utilized for disciplinary purposes.

22.6 Reassignment Due to Layoff or Displacement. When reassignment of an employee or employees is necessary due to layoff or displacement, the following procedures shall be followed:

- a. A list of vacant positions shall be posted in work areas of all affected employees for a minimum of five (5) work days.
- b. Employees shall be given the opportunity to volunteer for vacancies and shall be reassigned on the basis of seniority.
- c. If there are no volunteers for reassignment, the least senior employee(s) in that class shall be reassigned.
- d. Management shall have the sole prerogative to select the vacancy to which the least senior employee(s) shall be reassigned.

Seniority for reassignment purposes shall be defined as (in Section II, Layoff) seniority within classification. If reduction or reassignment by site is necessary, the least senior employee in the affected class at the site shall be reassigned. If reduction or reassignment is necessary by shift, the least senior employee in the affected class assigned to the affected shift shall be reassigned. Nothing contained in this Section shall prohibit a Department and the Union from making a mutually agreed upon alternative arrangement.

SECTION 23 - RESIGNATIONS

An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the Human Resources Department by the appointing authority immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee and to the Human Resources Department and shall indicate the effective date of termination.

23.1 Resignation in Good Standing. A resignation giving the appointing authority written notice at least two (2) weeks in advance of the last date of service (unless the appointing authority requires a longer period of notice, or consents to the employee's terminating on shorter notice) is a resignation in good standing.

SECTION 23 - RESIGNATIONS

23.2 **Constructive Resignation.** A constructive resignation occurs and is effective when:

- a. An employee has been absent from duty for five (5) consecutive working days without leave; and
- b. Five (5) more consecutive work days have elapsed without response by the employee after the receipt of a registered or certified letter citing a notice of resignation by the appointing authority to the employee at the employee's last known address, but no more than ten (10) working days from mailing of said notice.

23.3 **Effective Resignation.** A resignation is effective when delivered or spoken to the appointing authority, operative on that date or another date specified. An employee who resigns without advance notice as set forth in Section 23.1, may seek recession of the resignation and reinstatement by delivering an appeal in writing to the Human Resources not later than close of business on the third (3rd) calendar day after the resignation is effective. Within five (5) work days of receipt of the appeal, the Human Resources Director shall consider the appeal and render a final and binding decision including, if applicable, the date of reinstatement.

23.4 **Revocation.** A resignation that is effective is revocable only by written concurrence of the employee and the appointing authority.

23.5 **Coerced Resignations.**

- A. Time Limit. A resignation which the employee believes has been coerced by the appointing authority may be revoked within seven (7) calendar days after its expression, by serving written notice on the Director of Human Resources and a copy to the appointing authority.
- B. Reinstatement. If the appointing authority acknowledges that the employee could have believed that the resignation was coerced, it shall be revoked and the employee returned to duty effective on the day following the appointing authority's acknowledgment without loss of seniority or pay.
- C. Contest. Unless, within seven (7) days of the receipt of the notice, the appointing authority acknowledges that the resignation could have been believed to be coerced, this question should be handled as an appeal to the Merit Board. In the alternative, the employee may file a written election with the Director of Human Resources waiving the employee's right of appeal to the Merit Board in favor of

***SECTION 24 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION
IN PAY, AND DEMOTION***

the employee's appeal rights under the grievance procedure contained in Section 25 of the MOU beginning with Step 3.

- D. Disposition. If a final decision is rendered that determines that the resignation was coerced, the resignation shall be deemed revoked and the employee returned to duty effective on the day following the decision but without loss of seniority or pay, subject to the employee's duty to mitigate damages.

**SECTION 24 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN
PAY, AND DEMOTION**

24.1 Sufficient Cause for Action. The appointing authority may dismiss, suspend, temporarily reduce the pay of, or demote any employee for cause. The reduction in pay may not exceed five percent (5%) for a three (3) month period. The following are sufficient causes for such action; the list is indicative rather than inclusive of restrictions and dismissal, suspension or demotion may be based on reasons other than those specifically mentioned:

- a. Absence without leave.

24.2 Skelly Requirements. Before taking a disciplinary action to dismiss, suspend for more than five (5) work days (four (4) work days for employees on a 4/10 work week), temporarily reduce the pay of, or demote an employee, the appointing authority shall cause to be served personally or by certified mail, on the employee, a Notice of Proposed Action, which shall contain the following:

- a. A statement of the action proposed to be taken.
- b. A copy of the charges; including the acts or omissions and grounds upon which the action is based.
- c. If it is claimed that the employee has violated a rule or regulation of the County, department or district, a copy of said rule shall be included with the notice.

IN PAY, AND DEMOTION**

24.3 **Employee Response.** The employee upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond to the appointing authority either orally or in writing before the proposed action may be taken. Upon request of the employee and for good cause, the appointing authority may extend in writing the period to respond. If the employee's response is not filed within seven (7) days or during an extension, the right to respond is lost.

24.4 **Leave Pending Employee Response.** Pending response to a Notice of Proposed Action within the first seven (7) days or extension thereof, the appointing authority for cause specified in writing may place the employee on temporary leave of absence, with pay.

24.5 **Length of Suspension.** Suspensions without pay shall not exceed thirty (30) days unless ordered by an arbitrator, an adjustment board or the Merit Board.

24.6 **Procedure on Dismissal, Suspension, Temporary Reduction in Pay, or Demotion.**

A. In any disciplinary action to dismiss, suspend, temporarily reduce the pay of, or demote an employee having permanent status in a position in the merit system, after having complied with the Skelly requirements where applicable, the appointing authority shall make an order in writing stating specifically the causes for the action.

B. **Service of Order.** Said order of dismissal, suspension, temporary reduction in pay, or demotion shall be filed with the Director of Human Resources, showing by whom and the date a copy was served upon the employee to be dismissed, suspended, temporarily reduced in pay, or demoted, either personally or by certified mail to the employee's last known mailing address. The order shall be effective either upon personal service or deposit in the U.S. Postal Service.

C. **Employee Appeals from Order.** The employee may appeal an order of dismissal, suspension, temporary reduction in pay, or demotion either to the Merit Board or through the procedures of **Section 25 - Grievance Procedure** of this MOU provided that such appeal is filed in writing with the Director of Human Resources within ten (10) calendar days after service of said order. An employee may not both appeal to the Merit Board and file a grievance under Section 25 of this MOU.

SECTION 25 - GRIEVANCE PROCEDURE

24.7 **Employee Representation Rights.** The County recognizes an employee's right to representation during any disciplinary interview or meeting which may result in discipline. The County will not interfere with the representative's right to assist an employee to clarify the facts during the interview.

SECTION 25 - GRIEVANCE PROCEDURE

25.1 **Definition and Procedural Steps.** A grievance is any dispute which involves the interpretation or application of any provision of this MOU excluding, however, those provisions of this MOU which specifically provide that the decision of any County official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure. The Union may represent the grievant at any state of the process.

Grievances must be filed within thirty (30) calendar days of the incident or occurrence about which the grievant claims to have a grievance and shall be processed in the following manner:

Step 1. Any employee or group of employees who believes that a provision of this MOU has been misinterpreted or misapplied to his or her detriment shall discuss the complaint with the grievant's immediate supervisor, who shall meet with the grievant within five (5) work days of receipt of a written request to hold such meeting.

Step 2. If a grievance is not satisfactorily resolved in Step 1 above, the grievant may submit the grievance in writing within ten (10) work days to such management official as the Department Head may designate. This formal written grievance shall state which provision of the MOU has been misinterpreted or misapplied, how misapplication or misinterpretation has affected the grievant to the grievant's detriment, and the redress he or she seeks. A copy of each written communication on a grievance shall be filed with the Director of Human Resources. The Department Head or his or her designee shall have ten (10) work days in which to respond to the grievance in writing. If either the union or grievant request a meeting with the Department Head or his/her designee at this step, such a meeting will be held.

Step 3. If a grievance is not satisfactorily resolved in Step 2 above, the grievant may appeal in writing within ten (10) work days to the Director of Human Resources. The Director of Human Resources or his/her designee shall have twenty (20) work days in which to investigate the merit of the complaint and to meet together at the same time with the Department Head or his/her designee and the grievant and attempt to settle the grievance and respond in writing.

Step 4. No grievance may be processed under this Section which has not first been filed and investigated in accordance with Step 3 above and filed within ten (10) work days of the written response of the Director of Human Resources or his/her designee. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this MOU, such grievance shall be submitted in writing within seven (7) work days to an Adjustment Board comprised of three (3) Union representatives, no more than two (2) of whom shall be either an employee of the County or an elected or appointed official of the Union presenting this grievance, and three (3) representatives of the County, no more than two (2) of whom shall be either an employee of the County or a member of the staff of an organization employed to represent the County in the meeting and conferring process. The Adjustment Board shall meet and render a decision within twenty (20) work days of receipt of the written request and render a decision. If the County fails to meet the time limits specified in Step 4 and the grievant demands in writing that an Adjustment Board be convened, the County will convene an Adjustment Board within ten (10) work days of receipt of the original request or the grievance will move to arbitration upon demand.

This step of the grievance procedure may be waived by the written mutual agreement of the parties.

Step 5. If an Adjustment Board is unable to arrive at a majority decision, either the grievant or the County may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the grievant and the Director of Human Resources. Such request shall be submitted within twenty (20) work days of the rendering of the Adjustment Board decision. Within twenty (20) work days of the request for arbitration, the parties shall mutually select an arbitrator who shall render a decision within thirty (30) work days from the date of final submission of the grievance including receipt of the court reporter's transcript and post hearing briefs if any. The fees and expenses of the arbitrator and of the court reporter shall be shared equally by the grievant and the County. Each party, however, shall bear the costs of its own presentation, including preparation and post- hearing briefs, if any.

25.2 Scope of Adjustment Board and Arbitration Decisions.

- A. Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by law.
- B. No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union which has been certified as the recognized employee organization for such unit

SECTION 25 - GRIEVANCE PROCEDURE

and under such dispute falls within the definition of a grievance as set forth in Subsection 25.1 above.

- C. Proposals to add to or change this MOU or to change written agreements supplementary hereto shall not be arbitrable and no proposal to modify, amend, or terminate this MOU, nor any matter or subject arising out of or in connection with such proposals, may be referred to arbitration under this Section. Neither any Adjustment Board nor any arbitrator shall have the power to amend or modify this MOU or written agreements supplementary hereto or to establish any new terms or conditions of employment.
- D. If the Director of Human Resources in pursuance of the procedures outlined in Step 3 above, or the Adjustment Board in pursuance of the provisions of Step 4 above resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time.
- E. No change in this MOU or interpretations thereof (except interpretations resulting from Adjustment Boards or arbitration proceedings hereunder) will be recognized unless agreed to by the County and the Union.

25.3 **Time Limits.** The time limits specified above may be waived by mutual agreement of the parties to the grievance. If the County fails to meet the time limits specified in Steps 1 through 3 above, the grievance will automatically move to the next step. If a grievant fails to meet the time limits specified in Steps 1 through 5 above, the grievance will be deemed to have been settled and withdrawn.

25.4 **Union Notification.** An official, with whom a formal grievance is filed by a grievant who is included in a unit represented by the Union, but is not represented by the Union in the grievance, shall give the Union a copy of the formal presentation.

25.5 **Compensation Complaints.** All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Director of Human Resources. Only complaints which allege that employees are not being compensated in accordance with the provisions of this MOU shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process, if not detailed in the MOU which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than six (6) months from the date upon which the complaint was filed.

No change in this MOU or interpretations thereof (except interpretations resulting from Adjustment Board or arbitration proceedings hereunder) will be recognized unless agreed to by the County and the Union.

25.6 **Strike/Work Stoppage.** During the term of this MOU, the Union, its members and representatives, agree that it and they will not engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, sick-out, or refusal to perform customary duties.

In the case of a legally declared lawful strike against a private or public sector employer which has been sanctioned and approved by the labor body or council having jurisdiction, an employee who is in danger of physical harm shall not be required to cross the picket line, provided the employee advises his or her supervisor as soon as possible, and provided further that an employee may be required to cross a picket line where the performance of his or her duties is of an emergency nature and/or failure to perform such duties might cause or aggravate a danger to public health or safety.

25.7 **Merit Board.**

- A. All Grievances of employees in representation units represented by the Union shall be processed under Section 25 unless the employee elects to apply to the Merit Board on matters within its jurisdiction.

- B. No action under Steps 3, 4 and 5 of Subsection 25.1 above shall be taken if action on the complaint or grievance has been taken by the Merit Board, or if the complaint or grievance is pending before the Merit Board.

25.8 **Filing by Union.** The Union may file a grievance at Step 3 on behalf of affected employees when action by the County Administrator or the Board of Supervisors violates a provision of this MOU.

SECTION 26 - BILINGUAL PAY

A salary differential of seventy dollars (\$70.00) per month shall be paid incumbents of positions requiring bilingual proficiency as designated by the appointing authority and Director of Human Resources. Said differential shall be paid to eligible employees in paid status for any portion of a given month. Designation of positions for which bilingual proficiency is required is the sole prerogative of the County. The Union shall be notified when such designations are made. Effective October 1, 2000, the differential shall be increased to a total

SECTION 27 - RETIREMENT CONTRIBUTION

of seventy-five dollars (\$75.00) per month. Effective October 1, 2001, the differential shall be increased to a total of eighty dollars (\$80.00) per month.

SECTION 27 - RETIREMENT CONTRIBUTION

27.1 Contribution. Pursuant to Government Code Section 31581.1, the County will continue to pay fifty percent (50%) of the retirement contributions normally required of employees. Such payments shall continue for the duration of this MOU, and shall terminate thereafter. Employees shall be responsible for payment of the employees' contribution for the retirement cost of living program as determined by the Board of Retirement of the Contra Costa County Employees' Retirement Association without the County paying any part of the employee's share. The County will pay the remaining one-half (½) of the retirement cost-of-living program contribution.

The wage and retirement benefit provisions for safety employees represented by Contra Costa County Employees' Association Local One expire September 30, 2006.

27.2 Tier III. Subject to the enactment of enabling legislation amending the 1937 Employees' Retirement Act to allow such election, the County will permit certain Tier II employees to elect a Tier III Retirement Plan under the following conditions:

- a. The County and the Labor Coalition must agree on the wording of the legislation and both parties must support the legislation.
- b. Except for disability, all benefit rights, eligibility for and amounts of all other benefit entitlements for Tier III, from and after the date of implementation, shall be the same as Tier I. The disability benefits for Tier III shall be the same as the current Tier II disability provisions.
- c. The amount of the employee's required retirement contribution shall be established by the County Employees' Retirement Association and shall be based on the employee's age at entry into the retirement system.
- d. Employees represented by the Labor Coalition and its member employee organizations (herein referred to as "Labor Coalition") enrolled in Tier II who have attained five (5) years of retirement credited service as of the effective date of the enabling legislation shall have a six (6) month period after such date to make a one time irrevocable election of the Tier III Retirement Plan expressed herein subject to action by the Board of Supervisors to implement the Plan.

SECTION 27 - RETIREMENT CONTRIBUTION

Thereafter, employees represented by the Labor Coalition enrolled in Tier II who have attained five (5) years of retirement credited service shall have a ninety (90) day period to make a one time irrevocable election of the Tier III Retirement Plan expressed herein.

The County's employer contributions and subvention of employee contributions for Labor Coalition employees electing Tier III which exceed those which would be required for Tier II membership shall:

- a. Be funded by reducing the general wage increase agreed upon to be effective October 1, 1997, and the pay equity amounts attributable thereto, by a percentage sufficient to reduce the County's wage obligation by \$3 million dollars per year; and the general wage increase of all employees represented by the Labor Coalition shall be reduced accordingly; and
- b. In the event the County's costs attributable to the creation and operation of Tier III exceed \$3 million per year or the County Employees' Retirement Association's actuaries determine in future years that the County's retirement costs have increased and that the increase is attributable to the creation of Tier III and/or the impact of Tier III on the County's retirement costs, such increase shall be funded by reducing the general wage increase(s) agreed upon in future years, and the pay equity amounts attributable thereto, to the extent that future wage increases are granted; and the general wage increase(s) of all employees represented by the Labor Coalition shall be reduced accordingly; and
- c. In the event the County's costs attributable to the Tier III Retirement Plan are less than \$3 million per year, the difference shall be divided by twelve (12) and each twelfth (12th) shall be augmented by an amount equal to the County's common pooled fund interest which would have accrued if one (1) twelfth (12th) had been invested in the first month of the past year, two (2) twelfths (12ths) in the second month of the past year and so forth; and
- d. Any savings to the County resulting from the creation and operation of Tier III shall be used to offset future County retirement cost increases attributable to the creation and operation of Tier III; and
- e. County savings shall be held in an account by the Auditor-Controller which is invested in the County's common pooled fund and will accrue interest accordingly. The County will report yearly to the Labor Coalition on a) the beginning account balance, b) the interest earned, c) expenditures from the account to cover increased costs

SECTION 27 - RETIREMENT CONTRIBUTION

resulting from the Tier III Retirement Plan, and d) the ending account balance.

Any increased costs to the County, due to Tier III participation by employees not represented by the Labor Coalition, shall not be funded by reduction of general wage increases otherwise due to the employees represented by the Labor Coalition.

Subject to the provisions expressed above, any and all additional employer and County-paid employee contributions which exceed the sum of the County's legally required contributions under Tier II shall be recovered by reducing general wage increases to the employees represented by the Labor Coalition.

Any disputes regarding cost or savings shall be subject to binding arbitration upon demand of the Labor Coalition or the County.

The enabling legislation shall provide that the Tier III Retirement Plan may be implemented only by an ordinance enacted by the Board of Supervisors.

Board of Supervisors' action to implement the Tier III Retirement Plan shall be taken not earlier than seven (7) months after the effective date of the legislation plus thirty (30) days after an actuarial report on the County cost of the Plan is received by the County, provided that before enactment of the ordinance, the Labor Coalition has not notified the County in writing that a one percent (1%) wage increase shall be implemented by the County effective October 1, 1997, without interest, in lieu of implementation of the Tier III Retirement Plan.

The establishment of the Tier III Retirement Plan pursuant to the terms of this MOU shall be subject to approval by the Board of Retirement of the Contra Costa County Employees' Retirement Association.

In the event the County is prevented from implementing the Tier III Retirement Plan for any reason on or before the termination date of this MOU, the agreement of the parties regarding a Tier III Retirement Plan shall expire and a one percent (1%) lump sum wage increase shall be implemented by the County within sixty (60) days after the determination that Tier III cannot be implemented or as soon thereafter as practicable for the period covering October 1, 1997 through such termination date, without interest, in lieu of the Tier III Retirement Plan.

Effective October 1, 2002, Tier 2 of the retirement plan shall be eliminated and all employees in Tier 2 of the retirement plan shall be placed in Tier 3.

Employees in Tier 2 with ten (10) or more years of County/District service, will be eligible to participate in the County's buy back program. Employees may replace Tier 2 benefits with Tier 3 benefits as follows:

SECTION 28 - TRAINING REIMBURSEMENT

2. Employee buys back four (4) years, County will buy back two (2) years for a total of six (6) years of buyback.
3. Employee buys back six (6) years, County will buy back three (3) years for a total of nine (9) years of buyback.

SECTION 28 - TRAINING REIMBURSEMENT

The County Administrative Bulletin on Training shall govern reimbursement for training and shall limit reimbursement for career development training to six hundred fifty dollars (\$650) per year, except as otherwise provided in the supplemental sections of this MOU. Registration and tuition fees for career development education may be reimbursed for up to fifty percent (50%) of the employee's net cost. Books necessary for courses taken for career development education may be reimbursed for up to one hundred percent (100%) of the employee's net cost.

SECTION 29 - SAFETY SHOES AND PRESCRIPTION SAFETY EYEGLASSES

The County shall expend every effort to see to it that the work performed under the terms and conditions of this MOU is performed with a maximum degree of safety consistent with the requirement to conduct efficient operations.

For each two year period starting January 1, 2000, eligible employees will be allowed reimbursement for the purchase and repair of safety shoes up to a maximum of two hundred dollars (\$200). For each two year period starting January 1, 2002, eligible employees will be allowed reimbursement for the purchase and repair of safety shoes up to a maximum of two hundred twenty-five dollars (\$225). There is no limitation on the number of shoes or number of repairs allowed.

The County will reimburse eligible employees for prescription safety eyeglasses which are approved by the County and are obtained from such establishment as required by the County up to one (1) pair per year.

The County will provide those employees currently eligible for safety shoe allowance with two (2) methods for purchasing safety shoes:

- a. Reimbursement for the purchase and repair of safety shoes up to the maximum amount stated above for each two (2) year period.

SECTION 30 - VIDEO DISPLAY TERMINAL (VDT) USERS EYE EXAMINATION

- b. Voucher obtained from the eligible employees' Department for an identified vendor for the purchase of safety shoes up to the maximum amount stated above for each two (2) year period.
- c. The County agrees to provide a second vendor for the purchase of safety shoes. The County will endeavor to secure Red Wings as the second vendor and to identify two locations where the shoes may be obtained by voucher.

The eligible employee will inform his/her Department's accounting section of the desired method for purchasing safety shoes at the beginning of each calendar year.

SECTION 30 - VIDEO DISPLAY TERMINAL (VDT) USERS EYE EXAMINATION

Employees in the Library Unit, Probation Unit, and Investigative Unit shall be eligible to receive an annual eye examination on County time and at County expense in accordance with the following conditions:

- a. Eligible employees must use a video display terminal at least an average of two hours per day as certified by their department.
- b. Eligible employees who wish an eye examination under this program should request it through the County Human Resources Department, Benefits Division, who will arrange for eye examinations and monitor the results on a County-wide basis.
- c. Should prescription VDT glasses be prescribed for an employee following an eye examination, the County agrees to provide, at no cost, the basic coverage including a ten (\$10) dollar frame and single vision lenses. Employees may, through individual arrangement between the employee and his/her doctor, and solely at the employee's expense, include bifocal, trifocal or blended lenses and other care, services or materials not covered by the plan. The basic plan coverage, including the examination, may be credited toward the employee enhanced benefit.

SECTION 31 - PERFORMANCE EVALUATION PROCEDURE

SECTION 31 - PERFORMANCE EVALUATION PROCEDURE

The following procedures shall apply in those departments which already have a formal written performance evaluation system. Nothing herein shall be construed to require the establishment of such a system where it does not currently exist.

- A. Goal: A basic goal of the employee evaluation is to help each employee perform his/her job more effectively to the mutual benefit of the employee and the County. The evaluation process provides an ongoing means of evaluating an employee's job performance and promoting the improvement of the job performance. The evaluation process also provides the opportunity to recognize and document outstanding service as well as service that has been unsatisfactory to the County.
- B. Frequency of Evaluation.
1. Probationary employees shall be evaluated at least once during their probationary period.
 2. Permanent employees may be evaluated every year.
- C. Procedure.
1. An employee shall generally be evaluated by the first level management supervisor above the employee.
 2. It will be necessary in some cases for a supervisor to consult with the employee's immediate work director in order to make a comprehensive evaluation.
 3. Where feasible, evaluations will be based primarily on observation by the evaluator of the employee in the performance of his/her duties. Comments based on secondary information shall have supportive documentation.
 4. An employee will be informed in advance of a meeting with his/her supervisor to discuss the employee's evaluation and to put the evaluation in writing on the department evaluation forms.
 5. The employee shall be informed of his/her right to prepare and have attached to the evaluation form any written comments which the employee wishes to make.
 6. When an employee is rated below satisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing.

SECTION 32- MILEAGE

7. The employee's signing of an evaluation form does not necessarily mean that the employee agrees with the evaluation but it does mean that the employee has had an opportunity to discuss the evaluation with his/her evaluator.
8. The employee will be given a copy of his/her completed evaluation form at the time form is signed by the employee. (Confirmation of final version to be received later.)
9. Any rating below average or unsatisfactory shall be supported by written documentation received by the employee at the time the incident(s) occurred.
10. Nothing shall be added by management to an evaluation after the employee has signed and received a copy of the evaluation without the employee's written acknowledgment.

Failure to follow the foregoing procedure is subject to the grievance procedure. However, disputes over the actual content or ratings themselves in individual evaluations are not grievable, but may be mediated by the Director of Human Resources upon request of either the employee or the Department. Prior to being mediated by the Director of Human Resources either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finders shall have twenty (20) work days from notice of selection to investigate and render opinions to the Director of Human Resources.

SECTION 32- MILEAGE

32.1 Reimbursement for Use of Personal Vehicle. The mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate on the date it becomes effective or the first of the month following announcement of the changed rate by the Internal Revenue Service, whichever is later.

32.2 Charge For Use of Home Garaged County Vehicle. Employees hired after July 1, 1994 who are assigned vehicles to garage at home will be charged the IRS mileage rate for all commute miles driven outside the limits of Contra Costa County that exceed thirty (30) miles round-trip in any one day.

SECTION 33 - PAY WARRANT ERRORS

If an employee receives a pay warrant which has an error in the amount of compensation to be received and if this error occurred as a result of a mistake by the Auditor-Controller's Department, it is the policy of the Auditor-Controller's Department that the error will be corrected and a new warrant issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay warrant is in error. If the pay warrant error has occurred as a result of a mistake by an employee (e.g. payroll clerk) other than the employee who is receiving the pay, the error will be corrected as soon as possible from the time the department is made aware that pay warrant is in error.

Pay errors in employee pay shall be corrected as soon as possible as to current pay rate but that no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the six (6) month period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, the Director of Human Resources or designee, or the Auditor-Controller or designee. Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties.

When the County notifies an employee of an overpayment and proposed repayment schedule and the employee wishes to meet with the County, a meeting will be held at which time a repayment schedule shall be determined.

If requested by the employee, a Union representative may be present at a meeting with management to discuss a repayment schedule in the case of overpayments to the employee.

SECTION 34 - FLEXIBLE STAFFING

Certain positions may be designated by the Director of Human Resources as flexibly staffed positions. Positions are generally allocated at the first level of the job series when vacated. When the position is next filled and an incumbent of one of these positions meets the minimum qualifications for the next higher level and has met appropriate competitive requirements he or she may then be promoted to the next higher classification within the job series without need of a classification study. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to promote an employee on the first of the month when eligible, said appointment shall be made retroactive to the first of the month when eligible. An employee who is denied a promotion to a flexibly staffed position may appeal such denial to the Merit Board.

SECTION 35 - PROVISIONAL APPOINTMENT

Whenever an appointing authority makes a request for personnel to fill a position in a class for which no reemployment or employment list is available, or in a class for which no eligible or insufficient eligibles to complete the certification will accept appointment to the position, the Director of Human Resources may authorize the appointing authority to appoint any person who possesses the minimum qualifications for the class as set forth in the class specifications, provided that the names of eligibles available and the names of persons who have indicated the intention to take the next examination for the class shall be referred to the appointing authority at the time authorization is issued.

In no case shall a permanent position be filled by a provisional appointment for a period exceeding six (6) calendar months except under the following conditions:

- a. If an examination has been announced for the class and recruitment of applicants is in process, the Director of Human Resources may authorize a continuation of provisional appointments until an eligible list is established.
- b. In case of a provisional appointment to a permanent position vacated by a leave of absence, such provisional appointment may be continued for the duration of said leave.

A provisional appointment shall be terminated within thirty (30) days after the date of certification of eligibles from an appropriate eligible list. All decisions of the Director of Human Resources relative to provisional appointments are final and not subject to the grievance procedure.

Before filling a position by a provisional appointment, the appointing authority shall post notice and shall consider current qualified employees for the appointment. Only if there are insufficient internal applicants to constitute a full certification may the appointing authority consider applicants from outside County service.

SECTION 36 - PERSONNEL FILES

An employee shall have the right to inspect and review any official record(s) relating to his or her performance as an employee or to a grievance concerning the employee which is kept or maintained by the County in the employee's personnel file in the Human Resources Department or in the employee's personnel file in their Department. The employee's union representative, with written authorization by the employee, shall also have the right to inspect and

review any official record(s) described above. The contents of such records shall be made available to the employee and/or the employee's union representative, for inspection and review at reasonable intervals during the regular business hours of the County.

The County shall provide an opportunity for the employee to respond in writing to any information which is in the employee's personnel file about which he or she disagrees. Such response shall become a permanent part of the employee's personnel record. The employee shall be responsible for providing the written responses to be included as part of the employee's official personnel file. This section does not apply to the records of an employee relating to the investigation of a possible criminal offense, medical records and information or letters of reference.

Counseling memos which are not disciplinary in nature are to be retained in the file maintained by the employee's supervisor or the person who issued the counseling memo and are not to be transferred to the employee's central file which is normally retained by the Human Resources Department unless such memos are subsequently used in conjunction with a disciplinary action such as a letter of reprimand.

All documents pertaining to disciplinary actions shall be placed in the employee's official personnel file within five (5) work days after the time management becomes aware of the incident and has completed its investigation as to whether the employee is culpable and shall be date stamped or dated at time of entry. This section is not intended to include supervisor's notes or reminders of specific incidents or ongoing reports such as attendance records. Generally, such investigations should be completed within thirty (30) calendar days of the date management becomes aware of the incident(s), it being understood that under certain circumstances such as the unavailability of witnesses or the possibility of a criminal act having been committed may cause the investigation to take longer than the aforementioned thirty (30) days.

Copies of written reprimands or memoranda pertaining to an employee's unsatisfactory performance which are to be placed in the employee's personnel file shall be given to an employee who shall have the right to respond in writing to said documents.

Letters of reprimand are subject to the grievance procedure but shall not be processed past Step 3 unless said letters are used in a subsequent discharge, suspension or demotion of the employee, in which case an appeal of the letters of reprimand may be considered at the same time as the appeal of the disciplinary action. Prior to being submitted to Step 3 of the grievance procedure, either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finder shall have twenty (20) work

Employees have the right to review their official personnel files which are maintained in the Human Resources Department or by their departments. In a case involving a grievance or disciplinary action, the employee's designated representative may also review his/her personnel file with specific written authorization from the employee. The County shall supply the Union with lists of official personnel files and locations. Derogatory material in an employee's personnel file (such as warning letters) over two years old will not be used in a subsequent disciplinary action unless directly related to the action upon which the discipline is taken. Derogatory material does not include prior suspensions, demotions or dismissals for cause.

The County will participate in a committee of four (4) union and four (4) operating department managers to revise and clarify MOU Section 36, Personnel Files. Subject committee will be chaired by a non-voting chairperson from the County Human Resources Department and will hold their first meeting within ninety (90) days of approval of this MOU and will issue a report within one hundred eighty (180) days of the date of the first meeting.

Such employees shall have the option of either remaining in temporary status (not to exceed 1000 hours in a fiscal year) or being appointed to a Permanent-Intermittent, Permanent Part-time, or Permanent Full-time position. The formula to be used to calculate the position type (full-time, part-time) for each employee who elects appointment to a permanent position is the employee's total number of temporary hours worked on or after January 1, 1991 divided by the total number of months of service in which those temporary hours were worked.

In addition, temporary employees who meet the eligibility requirements and who have been voluntarily paying for a County group health program shall be allowed to enroll in CCHP Plan A-2 without a waiting period.
4. Family Coverage. Employees may elect to purchase at their own expense, family coverage, including domestic partner, and shall follow the procedures outlined in 3. above for payment for this optional coverage.

The Union understands and agrees that the County is not obligated to meet and confer regarding wages, hours or conditions of employment during the term of this extended agreement, except as otherwise required by law.

55.2 Separability of Provisions. Should any section, clause or provision of this MOU be declared illegal, unlawful or unenforceable, by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this MOU.

- U. Hospital Call-In Procedures. The following procedures shall apply to employees in the class of Licensed Vocational Nurse, Psychiatric Technician and Hospital Attendant employed at CCCRMC who become ill prior to a scheduled work shift and supersedes Section 14.4 of this MOU.
 - 1. Employees in the Hospital Nursing Service are required to notify the Nursing Office at least two (2) hours prior to the commencement of the evening or night shift or one (1) hour prior to the day shift if they are calling in sick or requesting unplanned time off. Employees in the

58.2 - Attendant-LVN-Aide Unit

Ambulatory Care Nursing Service are required to call in at least one (1) hour prior to then scheduled shift and leave a message in voice mail. Notification shall include the reasons and possible duration of the absence.

2. Employees in the Hospital Nursing Service returning from sick leave or emergency leave of any kind must give two (2) hours prior notice unless it was clearly understood at the outset of the leave when the employee planned to return. In the Ambulatory Care Nursing Service, to the extent possible, employees should notify the Charge Nurse by 4:00 p.m. of the day preceding their anticipated return.
3. Employees in the Hospital Nursing Service calling in sick, asking for emergency time off or calling in to say they will be late, must call the Nursing Office directly and not their unit area to advise of their intentions.
4. Employees who do not give the required notice of their intent not to come to work as scheduled shall be coded as absent without pay for payroll purposes unless they provide a reason which is satisfactory to Nursing Administration. Infrequent absences with justification shall normally later be charged to sick leave.

Hospital Nursing Service or Ambulatory Care Nursing Service employees who are called in to work a shift for which they are not scheduled after that shift has begun shall receive payment for actual time worked plus one (1) hour and shall be paid a minimum of two (2) hours pay.

- V. Vacation. The following vacation accruals shall be effective October 1, 1981 for employees in the Attendant LVN-Aide Unit and other accruals listed in Section 13.2 shall not apply.

<u>Length of Service</u>	<u>Hours</u>	<u>Hours</u>	Max.Cumulative
Under 15 years	10		240
15 through 19 years	13-1/3		320
20 through 24 years	16-2/3		400
25 through 29 years	20		480
30 years and up	23-1/3		560

Vacation for employees in the Hospital and Clinic Divisions Hospital Nursing Service (including the Detention Facilities) and Ambulatory Care Nursing Services shall be scheduled on an annual cycle, April 1 through March 31.

Employees must submit their written vacation request by March 1st of each year. The hospital will post a schedule of vacations by April 1st of each year.

Only one employee per classification from each worksite and shift may receive vacation at the same time. In case of conflict, the employee with the greater length of service in their classification will receive the requested vacation time. Less senior employees will be given the opportunity to request a different time before the annual schedule is posted.

Vacation requests submitted after March 1st shall be considered on a first come basis and shall be subject to staffing availability.

An employee voluntarily changing worksite or shift after March 1st must resubmit a vacation request for consideration on a first come basis.

Vacations which include major holidays, Thanksgiving, Christmas and New Year's Day shall be rotated amongst staff rather than determined by seniority.

- W. Appointment Salary. The County may hire new employees into classes in this bargaining unit at any step of the salary range for the particular class. Consideration shall be given to the qualifications of the appointee relative to current incumbents. The County shall advise the Union of any appointments made at a salary level higher than that of an incumbent with equal qualifications.

- X. Low Census. Unanticipated declines in hospital patient census may result in the need to temporarily reduce staffing hours for periods of time not requiring formal layoff procedures. When this occurs, the Hospital Nursing Service shall use a variety of procedures to call off and reassign staff. Those procedures will generally emphasize the call off of volunteers first, and the retention of permanent employees.

Employees may voluntarily request accrued time off by calling the Staffing Office and asking to be placed on a standing Absent Day list to be used for voluntary call offs in future low census days.

The Staffing Office will seek voluntary call offs on a shift-to-shift basis.

Employees will be floated to available assignments in other units for which they are oriented or otherwise qualified.

If necessary, as assessed on a daily basis, employees will be required to take Involuntary Call Off days on an equitable rotation. Order of Involuntary Call Off will normally be Registry, Temporary, Permanent-intermittent, Permanent Part Time and Permanent Full-time. The maximum number of

Involuntary Call Off days per permanent employee will not exceed one shift per month or three (3) shifts per year. Permanent employees will be offered the option of using vacation or holiday accruals if the employee has the accruals available. Otherwise, the employee will be placed on AWOP.

LT, Overtime or Registry Nurses will not be assigned to work on units for which an employee who is on Involuntary Call Off day is qualified to work. Involuntary Call Offs will be reasonably distributed among the various nursing classifications consistent with the staffing patterns for patient census and acuity needs.

Employees will be notified a minimum of two hours in advance of each shift for which an Involuntary Call Off day is assigned. In the event such notice is not given, the affected employee will receive a minimum of two (2) hours work at the employee's regular rate. Should the hospital make such a documented attempt to notify the employee of a cancellation of shift, but be unsuccessful in doing so, this pay provision will not apply. It is the responsibility of the employee to maintain a current telephone number with the Staffing Office. Failure to do so relieves the Hospital of the notification and pay obligations.

The same procedures will be used in the event of reduced patient visits in the Ambulatory Care Nursing Service. They will be applicable at all Clinics and Health Centers.

These procedures will apply in the hospital when the patient census falls below 120. This provision shall remain in effect for the duration of this MOU.

- Y. Central Supply. For employees in Central Supply, the County will provide pant suits as an option and shall also provide poncho type rain apparel as needed in rainy weather.

Employees in Central Supply are scheduled on the basis of an eight and one-half hour day and are on their own time during the lunch period. If operational reasons preclude an employee from leaving the work area during the lunch period, such time shall be considered worked and will be paid at the overtime rate.

The Health Services Department agrees to study the organization of work and classifications within the Central Supply Division. The study will begin within ninety (90) days following the ratification of this MOU.

- Z. Public Service Officers. At the Service Integration Program Family Service Centers, the Public Service Officers shall be allowed a one-half (½) hour

paid lunch to remain on-site throughout the 8:30 a.m. - 5:00 p.m. service hours.

- shall be eligible for eighty (80) hours annually thereafter. Said personal leave must be used during the calendar year in which credited and may not be carried forward. Paid personal leave is separate from paid vacation and will be accounted for accordingly. Upon separation from County service, there shall be no payoff for unused personal leave credits.
- C. The Public Defender's Office agrees to continue the current leave policy for Deputy Public Defenders.
- D. Effective July 1, 1992, the Public Defender's Department agrees to discontinue the current Miranda Watch provisions that provide for one day of compensatory time for each week of Miranda Watch as set forth in the agreement between the County and the Union dated February 19, 1980.

Commencing July 1, 2000, the maximum will be increased to six hundred dollars (\$600) for each fiscal year.

Any unused accrual may be carried forward to the next fiscal year up to seven hundred dollars (\$700).  - 1. The choice can be made only once in each calendar year.
 - 2. Payment shall be based on an hourly rate determined by dividing the employee's monthly salary by 173.33.
 - 3. The maximum number of hours that may be reimbursed in any one year is one-third (1/3) of the annual accrual.

In those instances where a lump sum payment has been made in lieu of a retroactive general salary adjustment for a portion of the calendar year which is subsequent to exercise by an employee of the vacation buy-back provision herein, that employee's vacation buy-back shall be adjusted to reflect the percentage difference in base pay rates upon which the lump sum payment was computed provided that the period covered by the lump sum payment was inclusive of the effective date of the vacation buy-back.

The granting of such vacation buy-back is subject to the sole discretion of the Public Defender whose decision is final. The Public Defender will meet and confer with employee representatives to develop criteria for the granting of such vacation buy-back.

A. Public Health Nurses.

1. The current Public Health Nurse Professional Standards and Practices Committee (PSPC) shall continue for the duration of this MOU. The PSPC will be comprised of seven members.
2. Effective July 1, 1996, approved Continuing Education Leave (CE) time entitlement will be twenty-four (24) hours per fiscal year for the full-time, permanent Public Health Nurse. Permanent part-time PHN's will have their approved CE time entitlement prorated on the basis of the number of hours they work in relation to the regular forty (40) hour work week, with a minimum of fifteen (15) hours per fiscal year.

CE time may be carried over into the next fiscal year and added to the CE time entitlement for that year without restriction, up to twice the annual accrual. Employees who have more than twenty-four (24) hours unused CE time at the end of fiscal year 95/96, may carry over the entire balance into fiscal year 96/97.

An employee who attends a pre-approved course on a date for which he/she is not regularly scheduled to work or who completes a pre-approved home study course will be granted CE time off for the number of hours equivalent to the CE units earned. Only Board of Registered Nurses Accredited Courses will be approved. Such time off must be scheduled in advance by mutual agreement between the employee and the supervisor.

3. The pay differential between the classes of Public Health Nurse and Registered Nurse existing on 6/30/85 shall be maintained for the duration of this MOU.
4. Public Health Nurses may take either a half-hour (1/2) or one-hour (1) lunch break, provided the operational needs of the department are met.
5. The deep class resolution for Public Health Nurse shall remain in effect for the duration of this MOU unless modified by mutual agreement.
6. If reassignments of less than eight (8) weeks duration are needed to cover for vacation relief, sick leave, temporary shifts in workload, training assignments or other short term needs, management shall solicit volunteers. If there are insufficient volunteers, assignments will be based on inverse seniority within the affected program.
7. Vacations.
 - a. Vacations for Public Health Nurses shall be scheduled on an annual cycle, April 1 through March 30. Employees must submit their written vacation requests by February 1st of each year. Administration will post a schedule of vacations by March 1st of each year.
 - b. At least one Public Health Nurse from each office or program will receive scheduled absences, including continuing education and vacation, at any given time. With supervisor's approval, additional time off requests may be granted, based on staffing and caseload. The employee with the greater length of service in their classification will receive the requested vacation time. Less senior employees will be given the opportunity to request a different time before the annual schedule is posted. Absences for sick leave, disability and regular days off will not be counted as scheduled absences.
 - c. An approved vacation will not be unilaterally canceled.

- d. An employee voluntarily changing work position or assignment between programs or regional offices after March 1st must resubmit a vacation request for consideration on a first come basis.
 - e. Vacations which include major holidays, Thanksgiving, Christmas and New Year's Day shall be rotated amongst staff rather than determined by seniority.
8. Public Health Nurses in Home Health.
- a. Scheduling. The Home Health Agency management is responsible for developing a Countywide weekend/holiday schedule. That schedule will include four (4) nurses, one (1) with primary call, two (2) with secondary call and the fourth with back-up call. The primary nurse on-call is responsible for covering HHA cases Countywide. The primary nurse position generally is filled by the two (2) permanent part-time (PPT) weekend nurses (W/E) who will rotate on an every other week basis with the following exceptions:
 - 1. The permanent part-time W/E nurses are never responsible for covering any of the four (4) major holidays, even if they occur on a weekend.
 - 2. PPT W/E nurses do not cover any mid-week holidays (Tuesday through Thursday).
 - 3. Three (3) day weekends are covered by the PPT W/E nurses on a rotating basis according to their schedule.
 - 4. Any remaining weekend days, and all remaining holidays to be covered, will be assigned to HHA pool nurses according to an alphabetical rotation, but taking into consideration those nurses who have not yet been assigned a major holiday.
 - 5. The secondary nurses are responsible for covering all the cases that cannot be seen by the primary nurse. Generally, the secondary nurses will work during his/her assigned weekend. The fourth nurse scheduled, the back-up nurse, will work only if one of the primary or secondary nurses is unavailable to work.

6. The secondary and back-up call lists are developed using the alpha list as a basic tool, modified to take into account the following principles:
 - a. beginning with the new year where the previous alpha list left off;
 - b. the previous major holiday assignments;
 - c. personal preferences submitted by staff;
 - d. avoidance of back-to-back weekend assignments;
 - e. attempt to make scheduled weekends at least six weeks apart;
 - f. attempt coordination of Central County staff members with West County staff members on mid-week holidays and major holidays;
 - g. avoidance of scheduling an individual for more than one (1) three (3) day weekend during the year;
 - h. avoidance of scheduling any given employee for more than one (1) major and one (1) non-major holiday during the year;
 - i. administration will attempt to ensure that no nurse is scheduled for more than six (6) weekends per year.

- b. Major Holidays. The major holidays are:

Thanksgiving Day
The day after Thanksgiving
Weekend following Thanksgiving Day
Christmas Day
New Year's Day

Once a nurse has been scheduled for a major holiday, he or she will not be scheduled for an additional major holiday until everyone else has been scheduled.

- c. Filling Vacancies. Vacancies in the schedule will first be filled by nurses who volunteer to work additional call assignments, if

feasible. New nurses will be used to fill vacancies on a prorated basis. If neither of the above methods is feasible, the back-up position will be shifted to cover secondary call and secondary call would be shifted to cover primary call. The resulting vacant back-up position will be designated by HHA management.

- d. Trades. Call can be traded with the agreement of the two (2) nurses involved and approval of HHA management. Nurses who volunteer for additional weekends will have those weekends count toward their maximum. A nurse may request a day off following a weekend worked on-call, and will receive a day off during that following week.
- e. Permanent Part-time Weekend Nurses. Permanent part-time (PPT) employees will normally work every other weekend, but that schedule may be modified according to the provisions for PPTs W/E above. The normal work schedule for the PPT W/E nurse includes the day before the weekend worked and the day after, but this schedule may be modified at the request of the nurse with the approval of the supervisor. The remaining time of the PPTs will be scheduled by the nursing supervisor, taking into account the preference of the nurse.
- f. Discharge Planner. The Discharge Planner provided to CCCRMC by the HHA is not part of the weekend/holiday call schedule.

B. Environmental Health

I. The County Library Reassignment Policy shall be as follows:

Definition. A reassignment is the voluntary or involuntary transfer or movement of an employee from one work site to another in the same classification.

Reassignment Criteria. Reassignments are made to facilitate the Library System's service function and efficiency. Library Administration shall make reassignments based on the needs of the branch/system in relation to public service and will consider the following employee factors as they relate to these needs: the employee's job performance and development, the employee's subject/age specialization, the employee's seniority in the classification within the department, the distance between the work site and the employee's residence, and the assignment preferences of the employee as obtained by the procedures outlined below.

When circumstances other than seniority appear to Administration to equally or nearly equally meet the system service needs, then seniority shall govern.

In accordance with the above criteria, the Administration shall consider all internal requests for reassignment before making an appointment from any eligibility list and in no event shall reassignments be utilized for disciplinary purposes.

Procedures for Reassignment. Any employee may submit a request for reassignment to Administration at any time. Such requests will be kept on file for the current fiscal year.

Announcement of vacancies from resignations or promotions shall be distributed to all geographic work sites for a posting period of five work days. The announcement shall include: (1) Classification and total hours of position; (2) Work site; (3) Age-level assignments. During the posting period, the vacancy shall not be filled.

Vacancies occurring from transfers (spin-offs) cannot, in the interest of time, always be posted; but when such spin-off transfers can be anticipated, Library Administration will notify appropriate employees so that requests for voluntary reassignment from interested employees can be obtained prior to any reassignment decision.

Before any decisions necessitating involuntary reassignments are made, Administration will solicit information from employees involved regarding their career development, goals, assignment preferences and their view of branch needs. This information will generally be obtained through employee conferences with Deputy County Librarian or Assistant County Librarian.

Whenever feasible, an employee who is reassigned will be given two (2) weeks notice.

Any employee who has been reassigned or any employee who has requested a vacancy and is not reassigned to that position, may request to meet with Administration to discuss the reasons for the decision, or may request the reasons be provided in writing.

- J. The Librarians assigned to work in the County Detention Facility shall receive in addition to his/her base pay a differential of five percent (5%) of base pay differential as premium compensation for this assignment.
- K. The Library Practice Advisory Committee shall continue for the duration of this MOU.
- L. The County Library agrees to continue the present vacation scheduling policy. Vacations in the Library Department are scheduled by location. Preference of vacation shall be given to employees at that location according to County service, as reasonably as possible. Vacation requests will be submitted by employees for the twelve (12) month period, March 1 to February 28. Preference in choices of dates will be given on the basis of greatest County service of employees submitting vacation requests by March 1, irrespective of employee organization affiliation.

The process shall consist of the employee in the branch (or other work unit assigned), with most County service making his/her first choice of one continuous block of time, and continuing to the next most senior employee, until each employee, on this first round, shall have been assigned his/her first choice (second or third if more senior employee(s) also requested the dates). This procedure shall be repeated for the second block of time, with the next most senior employee who requested at least two blocks of time, having first choice, from the remaining vacant time slots, and so on, for as many rounds of assignment as there were blocks of vacation time requested. Completed vacation schedule will then be posted in the branch or other work unit. Those employees unable to specify a choice of dates will turn in a vacation request form with no choices indicated. Subsequent requests can then be made, in writing, at least two weeks before the

requested vacation time. These requests will be granted on a "first come, first served" basis.

Employees may cancel or reschedule their granted vacation dates. These cancellations and requests for rescheduling should be made, in writing, at least two weeks before the canceled or rescheduled vacation time. The rescheduling will be granted or denied according to same "first come, first served" basis mentioned above.

All cancellations of previously approved vacation dates will be posted on Vacation Schedule, and be available to other employees on the basis of seniority rather than "first come, first served." Upon reassignment, employees take their approved vacation dates with them to their new location.

- M. The Library Department shall make every effort consistent with efficient operations to provide that no employee shall be scheduled to work more than two (2) after 6:00 p.m. shifts in a calendar week, unless that employee specifically requests that shift for a specified period of time.

No employee shall work more than half the Saturday shifts within a mutually agreed upon period of time (two (2) or eight (8) week cycles), unless that employee specifically requests that shift for a specified period of time.

Thirty-two (32) and twenty (20) hour employees will maintain a four (4) day work week unless employees specifically agree to a variant days-off schedule. Choice of shift assignments at a work site shall be determined by County seniority in class.

However, employees who mutually agree to trade shift assignments at a given work site may do so, on a temporary or permanent basis, depending on their mutual agreement.

- N. Thirty-two (32) hour employees who voluntarily reduced their hours to reduce the impact of layoff shall be treated as forty (40) hour employee's for purposes of a future layoff pursuant to Section 11.4 of this MOU.
- O. Permanent full-time and permanent part-time staff represented by the Library Unit of Local One shall be eligible for reimbursement of up to twenty-five dollars (\$25) per fiscal year for membership in either the American Library Association or the California Library Association. Reimbursement will occur through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).

The following vacation accruals shall be effective October 1, 1981 for employees in the Library Unit and other accruals listed in Section 13.2 shall not apply.

<u>Length of Service</u>	<u>Monthly Accrual</u>		<u>Maximum Cumulative</u>
	<u>Hours</u>	<u>Hours</u>

P. When there are promotional or open and promotional exams for positions within the Library, the Library will provide training for staff members who meet the qualifications for the position in order to assist staff to prepare for the exam.

Q. The County shall continue to provide to the Union a copy of any layoff or recall list(s) for all affected employees in the unit. Furthermore, it is agreed that the County shall continue to recall for all assignments, whether permanent, short-term or provisional, employees who have been reduced in time, demoted or reassigned to Permanent-Intermittent in strict seniority order.

In addition, the County agrees to keep a written record of all offers of employment and assignments to affected employees and to make such information available to the Union upon request. Qualified eligible permanent employees will be considered for acting or provisional appointments before filling vacancies with temporary employees.

R. The County and Union agree to establish a joint labor-management task force to discuss workload related issues. The task force shall consist of up to three members selected by the Union and up to three members selected by management.

S. The Library will request that all vacant, funded permanent positions be filled following the adoption of the 1994-95 budget.

Individual Deputy Probation Officers currently on a 4/10 schedule may remain on said schedule for the duration of the MOU except when a change to a 5/8 schedule is mutually agreed upon between the employee and their immediate supervisor. However, as positions vacate, the Probation Department reserves the prerogative to change the assignment to a 5/8 work schedule before refilling it. Nothing herein precludes supervisors from recommending that vacated 4/10 positions be retained.

- B. The current reassignment policy for Deputy Probation Officers in the Probation Department which is attached hereto shall remain in effect for the duration of this MOU unless modified by mutual agreement.

Permanent Probation Counselors assigned Lead Counselor duties and responsibilities will receive this monetary compensation for hours worked.

Facility administrators have the sole responsibility for selecting and assigning Lead Counselors. The selection process shall include an assessment of experience, skills, leadership abilities, seniority, and the needs of the unit or facility among other considerations. The assignment may apply to Probation Counselors I, II and III depending on the above criteria when the supervisor designates the "Lead Counselor."

The selection and assignment of Probation Counselors in accordance with the above criteria is not grievable.
