## **AGREEMENT**

ROAD BUILDING AGREEMENT and Working Rules entered into this 1st day of June, 2001, for Cook, DuPage, Lake, Will, Grundy, Kendall, Kane, McHenry and Boone Counties, Illinois by and between the ILLINOIS BUILDERS ASSOCIATION, represented by the MID-AMERICA REGIONAL BARGAINING ASSOCIATION, Associates who are parties signatory hereto, and the present and future members of such Association who have designated the Association as their bargaining representative, together with such other Employers signatory to this Agreement, hereinafter called the "Employer," and LOCAL UNION NO. 76, LOCAL NO. 1006, LOCALS NO. 96 AND NO. 288 of the LABORERS' INTERNATIONAL UNION OF NORTH AMERICA and CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, hereinafter called "Union," covering Street Paving and Grade Separation Work in all its branches, shall remain in full force and effect until 11:59 p.m. on May 31, 2006.

If either party wishes to modify this Agreement, it shall serve written notice by certified or registered mail, upon the other party not less than sixty (60) days prior to May 31, 2006 of its intent to begin negotiations for a new Agreement. In the absence of the service of such notice, this Agreement shall automatically renew itself, together with all amendments and improvements as negotiated after said initial expiration date, by and between the parties in area-wide bargaining, from year to year thereafter.

The Employer shall pay the scale of wages herein agreed upon and give these Employers the Union conditions stipulated in this Agreement.

### **Article I EQUAL OPPORTUNITY**

The parties agree that Employees will not be discriminated against because of race, creed, religion, color, age, sex or national origin.

The masculine gender has been used in this Agreement to facilitate ease of writing and editing and therefore the masculine gender shall include the feminine gender. Whenever the words "he", "him", "his", or "man" is used, they shall be read and construed as "he or she", "him or her", "his or hers", and "man or woman", respectively.

### **Article II SUBCONTRACTING**

**Paragraph 1.** On work covered by this Agreement, the contractor or subcontractor agrees to see that all subcontractors on work within the Union's jurisdiction on this job site adhere to the wages and fringes contained in this Agreement when the subcontract is let by the contractor or subcontractor. If, upon the Union's request, the subcontractor chooses to sign a current labor agreement with the Union (although such signing might not be required under Paragraph 1), then the contractor shall be relieved of any liability under this Paragraph 1.

**Paragraph 2.** Work on the job site, that has been traditionally and historically assigned by the Employer to its Laborer employees, may be subcontracted only to a person, firm or corporation which is signatory to a current labor agreement with the Union. This provision only applies to subcontracts let directly by the contractor and not subsequent tiers of subcontractors.

**A)** Paragraph 2 applies to work to be performed at the site of construction, alteration, painting and repair of a building, structure or other work, and shall not apply to the delivery and removal of materials, supplies and equipment to and from the job site or other work not performed directly on the job site.

B) Further, Paragraph 2 shall not be applicable to jurisdictional disputes. Therefore, if the dispute involves entities who are signatory to a contract with an AFL-CIO affiliated union, there can be no violation of Paragraph 2.

C) All disputes arising under Paragraph 2 shall be resolved exclusively by resort to the grievance arbitration clause and in no event shall the Union strike or withdraw employees from the signatory contractor over alleged violations of Paragraph 2. The Employer shall not be liable for the wages and fringe benefits owed by a subcontractor.

D) Under Paragraph 2, if the subcontractor does not sign an agreement with the Union, then the Employer upon receipt of a written notice from the Union sent by hand, mail or facsimile shall remove the subcontractor within forty-eight (48) hours. Notices received on Friday in any work week shall require the subcontractor to be removed not later than the close of business on the following Monday. Contractors who follow this procedure will be relieved of any liability under this Paragraph 2.

**Paragraph 3.** The Employer shall promptly provide a list of all of its subcontractors on a job upon written request from the Union.

### **Article III HOURS AND OVERTIME**

When one shift is used, eight (8) hours per day, between 8:00 a.m. and 4:30 p.m. from Monday through Friday, inclusive, shall constitute the normal work day and straight time shall be paid. In weeks that have designated holidays that fall during the regular work week, but not more often than six (6) times per year, the Employer may schedule four (4) consecutive ten (10) hour days at straight time. The Union and the Employees must be informed and the Union must give permission to the Employer in writing. There shall be no overtime except for an emergency nature to preserve life or property at the discretion of the Employer.

On emergency work, the two and one-half (2½) hours immediately following the normal workday, from Monday through Friday, shall be paid for at the rate of time and one-half and thereafter double time will apply.

At the option of the Employer, the starting time for the day, (or the first) shift can be flexible. It is the Employer's responsibility to inform the Employee and obtain clearance from the Union of any change in starting time prior to quitting time the day before such change is to be effective. The first eight (8) hours' work shall be paid at straight time, the next 2½ hours at time and one-half and double time thereafter.

On emergency work performed on Saturdays, rates on single shift work shall be time and one-half for the first eight (8) hours, and thereafter double time shall be paid until 8:00 a.m., Monday; however, under no conditions shall more than eight (8) hours be worked at the rate of time and one-half.

Between December 1st and March 15th, Saturday may be used as a make-up day at straight time while tending masons whose Local Unions observe similar conditions; provided, however, that after forty (40) hours have been worked time and one-half will be paid.

### **Article IV HOLIDAYS**

Except to protect life or property, there shall be no work performed on Sunday or on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day, or on days when such holidays are celebrated, and all hours worked shall be paid for at the double time rate.

When a holiday falls on Monday through Friday, make-up day on Saturday shall be paid at time and one-half for the first eight (8) hours and double time thereafter. If a holiday falls on a Sunday, it shall

be celebrated on the following Monday. If a holiday falls on a day other than Sunday, it shall be celebrated on that date.

**Article V

**Paragraph 3. PENSION:** Beginning June 1, 2001 the Employer agrees to make a pension contribution of \$2.65 per hour for each hour worked by all Employees covered by this Agreement in addition to the wages and welfare payments herein stipulated. This \$2.65 per hour shall be paid to the Laborers' Pension Fund or to a designated appointee at the end of each month.

That for the periods June 1, 2002 to May 31, 2003; June 1, 2003 to May 31, 2004; June 1, 2004 to May 31, 2005; June 1, 2005 to May 31, 2006; that on May 1 of each year, if able, but not later than June 1, the Union in its sole discretion, shall determine the amount of additional contributions to Welfare and/or Pension and Training to be allocated from the economic package for that year. (See Article V, Paragraph 1)

The Employer agrees to bound by the Agreements and Declarations of Trust establishing the Laborers' Pension Fund, as well as any amendments thereto.

The parties agree that the Employer shall make lump sum contributions to employee fringe benefit accounts, administered by the Trustees on behalf of each employee. It is further agreed that such contribution shall be accompanied by a breakdown of payment according to appropriate benefits.

The Trustees of the Welfare Fund and the Trustees of the Pension Fund shall, among other things, have authority to determine the type and amount of benefits to be provided in each of said funds, the eligibility rules governing entitlement to benefits, and whether and to what extent benefits are to be provided for covered Employees.

The failure of the Employer to contribute to the said Welfare or Pension Fund, as provided herein, shall for the purposes of the remedies the Union may pursue, be deemed the same as the failure of the Employer to pay wages, and the Union shall be permitted to remove workers whom they represent for non-payment of such contributions, anything to the contrary in this Agreement notwithstanding.

A grace period of thirty (30) days shall be granted for Employers to submit reports and contributions as provided. Said reports and contributions not received during this grace period shall be assessed liquidated damages amounting to ten (10%) percent of the amount of the contributions which are owed. The Employer acknowledges that the liquidated damages shall be used to defer administrative costs arising by said delinquency and acknowledges the costs to be actual and substantial, though difficult to ascertain. However, the Employer acknowledges these costs to be at a minimum of ten (10%) percent, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions shall bear interest at a maximum legal rate of interest per annum from the due date until they are paid.

Further, in the event the Trustees refer the account to legal counsel for collection, the delinquent Employer shall be liable for reasonable attorneys' fees, and for all reasonable costs incurred in the collection process, including court fees, audit fees, etc.

Reasonable attorneys' fees shall mean: All reasonable attorneys' fees in the amounts for which the Trustees become legally bound to pay, including recovery of liquidated damages, interests, audit costs, filing fees, and any other expenses incurred by the Trustees.

The Trustees of the aforementioned Welfare and Pension Funds and the Union shall have the authority to audit the books and records of a participating Employer, either directly or through their authorized representative, whenever such examination is deemed necessary for the purpose of compliance with the provisions of this Agreement, including the obligation to remit Union Dues under Article VII.

Each participating Employer shall make its books and records available to the Trustees for such purpose. In the event the audit discloses that the Employer, during the period of the audit, had underpaid its contributions and/or wages, the Employer shall be liable for the costs of the examination, including but not limited to, audit fees and reasonable attorneys' fees. The Trustees' authority to waive any costs shall be governed by the terms of the Trust Agreement.

**Section 415 Excess Benefit Fund.** A Section 415 Excess Benefit Fund shall be established for the purpose of providing alternative benefit to any employees of the Employer who become unable to receive the entire amount of the accrued pension benefits to which they would be entitled under one or more of the pension plans sponsored by their Employer because of limitations established by Section 415 of the Internal Revenue Code. The Employer may be required and directed by the Board of Trustees of the Excess Benefit Fund to contribute a portion of its agreed-upon "pension" contribution to the Section 415 Excess Benefit Fund and shall not increase the Employer's cost beyond the amount that the Employer is obligated to contribute to the Laborers' Pension Fund and that the funding of the Section 415 Excess Benefit Fund shall be fully tax deductible to the Employer for Federal Income Tax purposes. The Employer hereby agrees that the Board of Trustees of any such Section 415 Excess Benefit Fund shall be authorized to determine each year the amount that will be contributed by the Employer and the amount to be credited to the account of any eligible retiree for payment in lieu of accrued benefits that would exceed the limits set by Section 415 of the Internal Revenue Code.

**Paragraph 4. SUPERVISORS:** To the extent permissible by the Internal Revenue Service or any Federal Act, and for the purposes of Paragraphs 2 and 3 of Article V of this Agreement only, the bargaining unit shall also include those persons in the employ of an Employer who are supervisors, as defined in the Labor Management Relations Act, as amended; and who at one time were Employee members of the bargaining unit herein on whose behalf contributions were required to be made to the trust funds described in the aforesaid Paragraphs 2 and 3 of Article V hereof.

**Article VI**  
**BONDING TO GUARANTEE WAGE PAYMENTS**  
**AND WELFARE AND PENSION CONTRIBUTIONS**

**Paragraph 1.** All Employers shall procure, carry and maintain a surety bond in form and amount satisfactory to the Union, but not less than in the principal sum of \$5,000.00, to guarantee payment of wages, Pension and Welfare Trust contributions, during the term of this Agreement.

**Paragraph 2.** If the Employer employs between seven (7) and ten (10) Laborers, the surety bond shall be increased to \$15,000. If the Employer employs between eleven (11) and twenty (20) Laborers, the surety bond shall be increased to \$25,000. If the Employer employs twenty-one (21) to forty (40) Laborers, the surety bond shall be increased to \$35,000. If the Employer employs forty-one (41) or more Laborers, the surety bond shall be increased to \$45,000.

**Paragraph 3.** The Employer shall give notice to the Union and the appropriate Fund Office in writing not later than ten (10) days after the occurrence of any of the following events relating to the Employer, occurring after the date hereof:

**Article VII**  
**CHECK-OFF & DUES DEDUCTIONS**

**Paragraph 1.** Employers also agree to deduct from the net earnings payable to an Employee covered by this Agreement, initiation fees and quarterly Union dues insofar as permitted by state and federal laws upon receipt and in accordance with a duly executed authorization form from the Employees. Said authorization form shall not be revocable for a period of more than one (1) year or prior to the termination date of this Agreement, whichever occurs sooner.

**Paragraph 2.** All Employers covered by this Agreement shall deduct from the wages of Employees covered by said contract, working dues in the amount of one and one-half percent (1.5%) of gross wages or such amount approved by the Union for each hour worked and shall remit monthly to the Union office the sums so deducted, together with an accurate list of Employees from whose wages said dues were deducted and the amounts applicable to each Employee, not later than the 10th day of the month next following the month for which such deductions were made. Dues remittance reports shall include a report of the hours worked and wages earned by each Laborer. Employers who fail to timely remit Union dues shall be assessed an additional ten percent (10%) liquidated damages.

**Paragraph 3.** The Union will submit to the Employer a written statement of respective amount of initiation fees and Union dues due the Union. The Employer will then deduct said amounts from each Employee's pay every weekly pay period until the total amount of initiation fees and dues have been deducted. Deductions from the weekly wages shall be not less than Twenty-five (\$25.00) Dollars per week to apply to initiation fees and dues until fully paid.

**Paragraph 4.** Deductions shall be remitted to the Union or to a designated appointee of the Employer promptly, and the Local Union shall acknowledge receipt of the money. The Employer shall furnish the Union with a record of those for whom deductions have been made, the amount of the deductions, and a list of absentees.

**Paragraph 5.** Employees may authorize deductions of more than the aforesaid Twenty-five (\$25.00) Dollars per week, if they so desire, in order to complete early payment of initiation fees and quarterly dues.

**Paragraph 6.** It is the intention of the parties that such deductions shall comply with the requirements of Section 302(c)(4) of the Labor Management Relations Act of 1947, as amended, and that such deductions be made only pursuant to written assignments from each Employee on whose account such deductions are made, which assignment shall not be revocable for a period of more than one (1) year, or prior to the termination date of this Agreement, whichever occurs sooner.

**Paragraph 7.** The Union agrees that it will indemnify and hold harmless the Employer from any and all claims, suits, causes of action, or otherwise, as regards the creation and administration of the dues check-off established by this Article and such indemnity and agreement to hold harmless shall include the payment of costs and attorneys' fees on behalf of the beneficiaries of such indemnity.

**Paragraph 8.** Should any Employer fail to remit dues to the Union as required under this Agreement, the Employer shall be liable for and pay all costs of collection, including reasonable audit expenses and reasonable attorney fees and costs. The Union may file suit, or remove employees that it represents, or both, for non-remittance or underpayment of dues by an Employer.

#### **Article VIII INDUSTRY FUNDS**

**Paragraph 1.** Each Employer shall pay into the MIDWEST CONSTRUCTION INDUSTRY ADVANCEMENT FUND (hereinafter sometimes referred to as the "Industry Fund"), or such other fund as MARBA may in its sole discretion designate at any time during the term of this Agreement, the amount of six cents (\$ .06) for each hour worked for the Employer by those of his Employees covered by this Agreement.

Each Employer shall pay into the Chicago-Area Laborers-Employers Cooperation and Education Trust ("LECET"), the amount of five cents (\$ .05) for each hour worked for the Employer by those of his Employees covered by this Agreement.

Each Employer shall pay into the Laborers' District Council Labor-Management Cooperation Committee ("LDC/LMCC"), the amount of twelve cents (\$ .12) for each hour worked for the Employer by those of his Employees covered by this Agreement.

Each contractor shall contribute one cent (\$ .01) per hour for each hour worked by his/her employees covered by this Agreement to the Construction Industry Service Corporation ("CISCO"), a not for profit corporation.

**Paragraph 2.** The Employer agrees to be bound by the Agreement and Declaration of Trust establishing the Industry Fund, as well as any amendments thereto, and agrees to be bound by all actions taken by the Trustees of said Industry Fund pursuant to said Agreement and Declaration of Trust and amendments thereto. The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the LECET and LDC/LMCC, as well as any amendments thereto.

**Paragraph 3.** Inasmuch as the existence and utilization of these Industry Fund(s) should result in increased construction and, therefore, in increased construction job opportunities for Employees, the Union agrees to cooperate in assuring that the contributions required by this Article are in fact made by Employers bound by this Agreement.

## SAFETY FUND

**Paragraph 4.** For the period June 1, 2001 to May 31, 2006 each Employer shall contribute one cent (\$.01) per hour for each hour worked by its Employees covered by this Agreement to the Chicago-land Construction Safety Council, a not for profit corporation.

## Article IX STEWARDS

**Paragraph 1.** The Business Agent of the Union in whose jurisdiction a job or project is located shall have the right to appoint one Laborer employed on the job as Steward on said job or project. Such Steward shall be subject to the same terms of employment as any other Employee, but taking into consideration that the Steward should be present during all working hours, all possible overtime work shall be assigned to all Stewards, if the Stewards do not replace another Laborer from that other Laborers' previously assigned duties.

**Paragraph 2.** The duties of the Steward shall include the checking of terms and conditions of work, safety conditions, starting dates of employment for new Laborers, whether Union or Non-Union, and report same to the Business Representative who appointed him. All Laborers employed on a job or project shall report to the Steward any differences or disputes which may arise in connection with the work or any part of it, and the Steward shall report same to the office of the Union. If it becomes necessary to discharge or lay off any Laborers because of completion of the work or otherwise, the Laborer appointed and acting as Steward shall not be discharged or laid off while other Laborers remain employed on the job or project so long as he is competent to perform the work. Nothing herein contained shall in any way restrict the right of any Employer to discharge a Steward for cause, upon notification to the Business Agent of the Local Union who appointed the Laborer to act as Steward.

**Paragraph 3.** Whenever one or more Laborers are required to work overtime, one of these Laborers shall be the regularly designated Steward if he is competent to do the work required; or if he cannot work, he will call the Business Manager and the Business Manager will designate someone on this job to act as Steward.

**Paragraph 4.** Where an Employer has been found to have engaged in:

- (a) a serious violation of the wage provisions of this Agreement by the Joint Grievance Committee or by an arbitrator;
  - (b) a violation of the fringe benefit provisions of this Agreement, by a court order or by a delinquency settlement agreement; or
  - (c) a violation of the rules of the apprenticeship program as determined by the JATC;
- then for the next six (6) months of active laborer employment, the Union shall have the right to appoint and place a steward of its own choosing on a then-current job of that Employer.

## Article X SHIFT WORK

When necessary from Monday through Friday, the Employer shall have the right to work his Employees in consecutive shifts of eight (8) hours for straight time, with one-half (½) hour for lunch during the shift which must be paid for, and not less than, the established overtime rates for all hours worked over eight (8) hours each day. Employees shall receive eight (8) hours pay under this Section even if they are permitted to leave after seven and one-half (7-1/2) hours, and it shall be a violation of this Agreement if an employee does not receive eight (8) hours pay. Employees who work eight (8) hours on a shift without receiving one-half hour lunch shall receive, in addition to the eight (8) hours pay as provided in this Section, one (1) hour's pay at the applicable premium rate.

Multiple shift work on Saturday shall start after 11:59 p.m. on Friday and not more than eight (8) hours will be worked at the rate of time and one-half during any one shift, and double time shall apply for all hours over and above eight (8) hours worked, until 8:00 a.m. Monday.

All hours worked on Sundays and Holidays, or on days when Holidays are celebrated, shall be paid at the double-time rate.

When less than three (3) shifts are worked, from Monday through Friday, during each day, the lunch period must be provided, but not paid for, and all established overtime rates must be complied with.

When it is necessary that the contractor use more than one shift for a period of three (3) or more consecutive days, the Union shall be notified twenty-four (24) hours in advance of the effective date of the starting of such multiple shift operations.

## **Article XI PAYDAY**

It is hereby agreed that the Employee shall be paid on the job and before quitting time on the regular payday of each weekly period. When a Laborer is discharged, he shall be paid in full and also, if he is laid off and demands his pay, except when the layoff is caused by bad weather or lack of material being furnished by others. Such wages due may be paid in person or placed in the mail on the same day of discharge or layoff at the option of Employer.

When a Laborer quits on his own accord, he shall receive his pay at the next regular payday. Payment may be made by check or currency of the United States at the option of the Employer; but in the event the Employer pays by check, he shall provide reasonable facilities for cashing same. #### **VI. Rehabilitation and Employee Assistance Program**

Employees are encouraged to seek help for a drug or alcohol problem before it deteriorates into a disciplinary matter. If treatment necessitates time away from work, the company shall provide for the employee an unpaid leave of absence for purposes of participation in an agreed upon treatment program. An employee who successfully completes a rehabilitation program shall be reinstated to his or her former employment status, if work for which he/she is qualified exists.

Employees returning to work after successfully completing the rehabilitation program will be subject to drug tests without prior notice for a period of one year. A positive test will then result in disciplinary action as previously outlined in this policy and program.
