This Agreement made as of the 11th day of May, 2001 by and between the State of New Jersey, hereinafter called the "STATE" and the State Troopers Fraternal Association of New Jersey, hereinafter called the "ASSOCIATION".

WHEREAS the parties hereto have entered into collective negotiations and desire to reduce the results thereof to writing, NOW THEREFORE, it is mutually agreed as follows:

**ARTICLE I
RECOGNITION**

The State recognizes the Association as the sole and exclusive representative for all Troopers in the Division of State Police but excluding Sergeants, Lieutenants, Captains, Majors, Lt. Colonels, and the Colonel, for purposes of negotiating terms and conditions of employment.

All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

**ARTICLE II
DUES CHECKOFF**

A. The State agrees to deduct from the salaries of Association members biweekly dues for membership in the Association provided the member has signed and filed an appropriate written authorization as required by law.

The dues so deducted will be transmitted by the 15th of the month following the month in which the deductions were made, to the Association's Treasurer. The Association shall certify to the appropriate State official in writing the current rate of the membership dues.

Dues deductions for any employee in this bargaining unit shall be limited to the Association, the duly certified majority representative, and employees shall be eligible to withdraw such authorization only as of July 1 provided a notice of withdrawal is filed timely with the responsible payroll clerk.

B. It is agreed that employees who are not members of the Association shall be required to pay a fair share fee in lieu of the regular dues, fees and assessments of members. The fair share fee shall be determined by the Association but shall not exceed 85% of the payments of regular members. New employees who are not Association members shall be required to pay the established fair share fee in the first payroll period following thirty (30) days of employment. The fair share fee shall be withheld from regular bi-weekly payroll and remitted to the Association at the same time and in the same manner as monies collected for dues. Any change in the rate of deduction shall be provided to the State thirty (30) days prior to its implementation.

This provision shall become effective in the first payroll period thirty (30) days after the Association has submitted satisfactory evidence of the establishment of a demand and return system as provided in the statute. It is further conditioned upon the additional requirements set forth in Sections 2 and 3 of Chapter 477 Laws of 1979, and such requirements must be continuously met.

**ARTICLE III
MANAGEMENT RIGHTS**

The State shall retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested therein by the laws and constitutions of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the State and the Association and The New Jersey Employer-Employee Relations Act, Chapter 303, L. 1968 as amended, all such rights, powers, authority, prerogatives of management and responsibility to enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

ARTICLE IV NO STRIKE

During the term of this Agreement the parties hereto agree that there shall be no strikes of any kind whatsoever, work stoppages, slow-downs, or job actions which interfere with or interrupt the operation of the Division.

ARTICLE V HOURS OF WORK AND OVERTIME

A. General Provisions

1. Except as provided in paragraph G below, all work performed in excess of forty (40) hours in a seven (7) consecutive calendar day work cycle shall be considered overtime.
2. The seven (7) consecutive day work cycle, for computation purposes, shall commence at 12:01 a.m. on Saturday and end at midnight on Friday.
3. Work, for purposes of this Article, shall be defined as any service performed which arises out of the employee's status as a law enforcement officer. Meal and break periods which occur during periods of work shall be computed as work time.
4. Any schedule change or shift change which is effective on less than forty-eight (48) hours notice to the employee shall cause the entire work obligation so changed to be paid at the overtime rate. Change shall be defined as an alteration from a regularly posted work schedule. Work schedule posting shall continue pursuant to past practice. The forty-eight (48) hour notice period shall be calculated from the time that the extra work, overtime work, is completed.

5. Except as provided in paragraph G below, under no circumstances shall there be less than eight (8) hours of time off between consecutive shifts of work. Any violation of this provision shall result in paid overtime compensation for all time which violates the eight (8) hour provision.

6. The regularly scheduled work day shall consist of no less than eight (8) hours and shall not include split shifts.

B. 1. Meal time will not be scheduled in those assignments where meal facilities are not available to the employees.

2. When non-scheduled hours are worked and the Division adjusts the previously scheduled hours, the Trooper shall not be required to work a period of less than a half shift of previously scheduled time. Adjustments of previously scheduled time may reflect unforeseen occurrences. When such changes are made, the Trooper shall be given as much notice as is practicable under the circumstances.

C. Call In Time

1. When an employee is called in for duty outside his normal tour of duty, or on a day when he/she is not scheduled for duty, the employee shall be guaranteed a minimum of three (3) hours compensation, whether or not the three (3) hours are worked, except when the end of the call-in period coincides with the beginning of his scheduled shift.

2. When an employee is required to appear before any court, administrative agency or judicial tribunal as a witness, or otherwise in matters directly related to the exercise of responsibilities emanating from his/her employment on a day he/she is not scheduled to work, or is called in at a time other than his/her normal tour of duty, the employee shall be guaranteed a minimum of three (3) hours compensation regardless of the actual time involved, except when the call-in period falls within the three (3) hour period immediately preceding his/her scheduled shift.

D. Appendix C is herein incorporated by reference. (Letter of Assistant Attorney General Deborah Portiz, dated 5-9-87, memo dated 4-22-87, revision of S.O.P. C22 "Activity Reporting System" dated 5-11-87).

E. Hours of Work

1. Except as modified herein, Article V shall continue in full force and effect.
2. The seven (7) consecutive day work cycle, for computation purposes, for employees

assigned to a pass list based upon five (5) eight (8) hour workdays (8 hour pass list), shall commence at 12:01 a.m. on Saturday and end at midnight on Friday. The seven (7) consecutive day work cycle, for computation purposes, for employees assigned to a pass list based upon four (4) ten (10) hour workdays (10 hour pass list), shall commence not earlier than 5:00 p.m. (1700) on Friday afternoon. The seven (7) consecutive day work cycle, for computation purposes, for employees assigned to a pass list based upon a combination of twelve (12) hour and eight (8) hour workdays (12 hour pass list), shall commence not earlier than 7:00 p.m. (1900) on Friday afternoon.

3. The foregoing enumeration of the eight (8), ten (10) and twelve (12) hour pass lists is not intended to limit the present practice by the Superintendent to schedule employees for workdays which are not less than eight (8) hours, but which may not be ten (10) or twelve (12) hour shifts.

4. The Superintendent's decision to implement or discontinue, in whole or in part, a ten (10) or twelve (12) hour pass list, and the Superintendent's decision to determine those work units and those employees within a work unit which may be assigned to an eight (8), ten (10) or twelve (12) hour pass list, shall not constitute a policy, rule or practice, and shall not be subject to review through the grievance procedure or any other forum.

5. Vacation leave and personal leave will be charged to the employee on an hour for hour basis. For example, vacation leave or personal leave taken on a ten (10) hour workday will be charged as 1.25 vacation or personal leave days. All other leave days and holidays will be charged on a day for day basis.

F. Compensatory Time Off

1. Compensatory time off will be recorded in a "bank" up to a maximum of forty-eight (48) straight time hours. Any overtime earned by an employee with forty-eight (48) hours banked is payable only in cash.

2. C.T.O., once banked in the C.T.O. bank, shall remain and only be used at the request of the employee. Each request is subject to prior employer approval based on operational needs.

3. All overtime shall be compensated as paid compensation at the time and one-half (1-1/2) rate, (the overtime rate shall be base plus maintenance divided by 2,080 x 1.5), unless the employee, at said employee's sole option, elects to take compensation for overtime in compensatory time off (C.T.O.) which shall accumulate in a C.T.O. bank. Compensatory time compensation in the C.T.O. bank shall accumulate at time and one-half (one and one-half hours banked for each hour of overtime worked in quarter hour units).

4. Employees who are required to work on a Saturday or Sunday which had been scheduled as a day(s) off, will to the extent practicable, be granted a Saturday or Sunday as compensatory time off.

5. No compensatory time off shall be lost as the result of an inter-troop transfer or reassignment to a different pass list.

6. Upon request, compensatory time off may be attached to vacation with the approval of the Division.

7. The Department reserves the right to pay off all or a portion of any earned compensatory time off balances in the employee's C.T.O. bank at the end of a fiscal year. The employee will be notified by May 1 if the Department decides to make any such payment.

8. The Department reserves the right to pay off all or a portion of any earned compensatory time off balances in the employee's C.T.O. bank prior to any promotion and/or inter-troop transfer. In the event of promotion, any earned compensatory time balances in the employee's C.T.O. bank will be valued at the rate of pay in effect for the employee at his last permanent rank immediately prior to promotion (C.T.O. dollar valuation). In the further event that the Department decides to make no payment or a partial payment upon an employee's promotion, the C.T.O. dollar valuation as adjusted by any payment will be credited to the promoted employee's C.T.O. bank. Any balances in the promoted employee's C.T.O. bank not in one-quarter hour increments will be rounded up to the next one-quarter hour.

- G. Twelve Hour Work Day**
- Where a twelve (12) hour pass list is utilized, the schedule of work shall consist of twelve (12) or eight (8) consecutive hours of duty based upon alternating thirty-six (36) and forty-four (44) hour seven (7) day work cycles.
 - There shall be a minimum of ten (10) hours time off between consecutive shifts of work. Any violation of this provision shall result in paid overtime compensation for all time which violates the ten (10) hour provision.
 - All work performed in excess of thirty-six (36) hours in a seven (7) day work cycle in the thirty-six (36) hour workweek of an alternating thirty-six (36)/forty-four (44) hour workweek schedule will be considered overtime. All work performed in excess of forty-four (44) hours in a seven (7) day work cycle in the forty-four (44) hour workweek of an alternating thirty-six (36)/forty-four (44) hour workweek schedule will be considered overtime.
 - Overtime may be returned within the seven (7) day work cycle providing forty-eight (48) hour notice is made in accordance with A.4 above.
 - Movement of an eight (8) hour shift within a fourteen (14) consecutive day work cycle will require forty-eight (48) hours notice.
 - There will be only one (1) forty-four (44) hour workweek in a fourteen (14) consecutive day work cycle.
 - Vacation leave and personal leave will be charged to the employee on an hour for hour basis. For example, vacation leave or personal leave taken on a twelve (12) hour workday will be charged as 1.5 vacation or personal leave days. All other leave days and holidays will be charged on a day for day basis.

**ARTICLE VI
TIME OFF**

- A. Vacations**
- Troopers shall receive annual vacation without loss of pay as follows:
- Less than one (1) year of service, one (1) day vacation for each month of service. Service will not include time spent in the Academy.
 - After one (1) year of service and up to five (5) years service, twelve (12) days vacation.
 - After five (5) years service and up to twelve (12) years service, fifteen (15) days vacation.

 - If a permanent employee dies, having earned vacation credits, a sum of money equal to the compensation figured on his/her salary rate, at the time of death, shall be calculated and paid to his estate.
 - Each employee covered by this Agreement may, at his/her option, carry forward up to one year's earned vacation.
- B. Holidays**
- All troopers shall be entitled to the following holidays as additional days off without loss of pay or if worked, shall be compensated with compensatory time off:

New Year's Day	Labor Day
Martin Luther King's Birthday	Columbus Day
Lincoln's Birthday	Election Day
Washington's Birthday	Veteran's Day
Good Friday	Thanksgiving Day

- a. When the Governor grants a holiday which is in addition to the existing scheduled number of holidays, Troopers shall be granted such additional holiday, which shall be scheduled at the discretion of the Troop Commander or his designee.
- b. In the event the Governor grants less than a day off, Troopers shall be granted an equal number of hours regardless of the assignment of the Troopers.

C. Bereavement Leave

- All Troopers shall be permitted bereavement leave with pay not to exceed three (3) calendar days to be taken during a period beginning with the date of death of spouse, children, brothers, sisters, mothers, fathers, mothers-in-law, fathers-in-law, grandparents of employee or spouse and grandchildren or any other member of the employee's household, and ending the day after the funeral.
- The aforesaid bereavement leave shall not be construed as a limitation or restriction on the emergency leave practices beneficial to employees heretofore applied by the Division of State Police, but shall merely be considered a guarantee of a minimum leave in cases of death as referred to herein.
- It is expressly understood by and between the parties that such bereavement leave, or part thereof, will only be granted when the three (3) days or part thereof occur on the affected Trooper's duty day or duty days.

D. Layoff and Recall

When it is necessary to lay off employees of the Unit, the Association shall be notified at once. Division seniority shall be the determining factor in identifying those to be affected, and layoffs shall be implemented in inverse order of hiring (those hired last being laid off first). The State will provide a minimum of forty five (45) calendar days notice of layoff to affected employees. Laid off employees' names shall be placed on a special re-employment list, and persons on such list will be given preferential consideration over all other applicants considered for appointment, or employment and rehired in reverse order of layoff without examination.

**ARTICLE VII
LEAVES OF ABSENCE**

A. Leave of Absence Without Pay

An employee may make written application for a leave of absence. The application shall set forth the reason for the request and should be forwarded through channels to the Superintendent. Leave of absence without pay for a maximum period of twelve (12) months shall only be granted under unusual circumstances where denial would result in extreme personal hardship and deprivation of opportunity for the requesting employee. Consideration of such requests shall be weighed against the negative effect of such leave on Division operations and scheduling. The decision with regard to the granting or denial of requests for leave of absence under this Article shall lie ultimately with the Superintendent.

B. Personal Leave Days

- There shall annually be three (3) personal leave days with pay granted to employees. Such leave shall not be cumulative.
- Newly hired employees shall be credited with one-half (1/2) day of personal leave after each full calendar month of employment to the maximum allowance in each year as provided above.
- Scheduling the use of personal leave days shall be in accordance with the principles surrounding use of vacation time. Consideration shall be given to emergency use of such leave.

ARTICLE VIII PROMOTIONS

Promotions to Sergeant and Detective Sergeant

- A. Promotions to the rank of Sergeant and Detective Sergeant shall be made based upon the application of criteria to be established by the Division as to each vacancy to be filled by promotion.
- B. When such vacancies occur, the Division shall announce all criteria to be met by the candidates and the weight to be assigned to each of the criterion announced which will constitute the exclusive basis for promotion in accordance with provisions set forth in this Article.
- C. 1. The announcement shall be made as follows:
 - (a) By teletype message to each station, troop, section, bureau and unit;
 - (b) By written notice posted on all official STFA bulletin boards throughout the Division;
 - (c) By written copies personally delivered or mailed to the President of the STFA.
2. The announcement shall be made in a minimum of two (2) weeks prior to the actual promotions.
3. The announcement shall contain the following information:
 - (a) An exact description of the specific vacant position;
 - (b) The location of the vacancy by section or troop, bureau, unit or station;
 - (c) The title and rank of the vacancy;
 - (d) The criteria to be met by candidates;
 - (e) The exact percent of total weight to be assigned each criterion.
 - (f) In the event the Division elects to use or apply seniority in any form it shall be included in detail in its notice of vacancy.

- D. 1. The total weight to be assigned to criteria shall be 100 percentage points (100%).
2. The Division shall apply the criteria to each candidate and shall prepare a list of candidates for each position vacancy in order of highest to lowest total score, including the individual scores relating to each of the criterion.

3. (a) The candidate(s) with the highest numerical score(s) shall be first promoted, subject to the Superintendent's judgement that the candidate with the highest score on the list is qualified for promotion. If the Superintendent determines that the candidate with the highest score on the list is not qualified for promotion, that list will no longer be utilized.

(b) If the list remains effective for a period after the announced vacancies are filled, subsequently announced similar vacancies may be filled from the remaining list in the order of the highest score subject to the Superintendent's determination that such list shall continue and subject to his judgment that the highest scoring individual(s) on the list is (are) qualified for promotion.

- E. 1. At a reasonable time prior to the date of formal announcement, the Division shall provide the President of the STFA the list(s) of candidates as described in B.4.b. above.
2. Each candidate shall be notified in writing of his/her final score and numerical standing on the list(s) within a reasonable time prior to the announcement of promotion.
3. The list(s) of candidates shall remain in effect until otherwise determined by the Division, provided the criteria for the specific announced vacancy does not change.
4. In the event a candidate rejects an offer of promotion to a specific announced vacancy he/she shall be removed from the list and the candidate with the next highest score on the list(s) shall be considered for the promotion. The candidate who rejected the promotion shall remain eligible for other announced vacancies on other lists, if any, for which he or she is qualified.
5. (a) Within the two (2) week period following the announcement of the promotion(s), all candidates shall be afforded the opportunity, upon written request, to examine their scores, gradings, documentation and other factors relating to the application of criteria. Extension of the two (2) week period may be granted in unusual circumstances where the trooper is not available.
 - (b) Upon written request, the Division shall provide the Association with information relating to the process and mechanics utilized by the Division in the scoring of any or all candidates.
 - (c) A promoted candidate shall receive written notification of the new rate of pay and

date of rank within one (1) week after promotion and shall within ten (10) days of the effective date of the promotion assume the vacant position for which the promotion was announced, subject to the overriding operational requirements of the Division.

F. All promotions are probationary for one (1) year during which time the employee must meet requirements of the new rank or grade established by the Superintendent. The probationary period may be extended for an additional six (6) months if the Superintendent deems that conditions warrant the extension and, in such cases, the affected employee and the Association shall be notified of such extension, in writing, prior to the expiration of the original one (1) year probationary period. In the event the employee fails to meet the requirement of the new rank or grade, he/she may be subject to reduction to the former rank or grade. In the event the Superintendent effects such a reduction during or at the conclusion of the probationary period, the affected employee shall receive, in writing, the specific reasons for the reduction including, but not limited to, the requirements not met by the employee during his/her probationary period or as extended. If no reduction in rank or grade takes place at the conclusion of the original probationary period or as extended, then the probation will be deemed ended.

G. In order to provide the employee with that information necessary in order to prepare for and otherwise be guided in the attainment of career goals, the Division shall:

1. Provide the Association and the unit membership with notice of any changes in criteria in advance of announcements for vacancies.
2. The Division shall make reasonable attempts to develop a text or list of approved source material for the guidance and information necessary to meet the criteria for specific positions to which employees can aspire and apply for promotion.

H. In the event the Division elects to include a written or oral examination as part of the promotional process, all procedures relating to the use of such examination shall be negotiated to the extent required by law.

I. The promotional procedure set forth in the article shall be uniformly applied to all employees. Arbitration disputes arising under the Article shall be limited to consideration of the procedures set forth herein. In no case shall an arbitrator consider the propriety of the application of promotional criteria or the selection of the most qualified candidate(s).

ARTICLE IX SPECIALIST SELECTION

A. Normally, except as Division needs require and except for reassignment within a section, position vacancies for Specialists will be announced via teletype specifying the appropriate criteria to be met by applicants. Said announcement shall be posted for at least seven (7) days on bulletin boards throughout the Division.

B. The Troop Commander shall forward a complete list of all Troopers who meet the criteria and who have expressed interest in the position to the appropriate Division office. Should a Trooper submit a summary of his qualifications that summary will be forwarded for review in the selection process.

C. When requested by a Trooper applicant, the Division will provide reasons for the selection which has been made. If specifically requested, such response will be made in writing. Either request must be made within thirty (30) days of the selection. If a Trooper fails to request the reasons for the selection, the Trooper shall waive the right to proceed through the grievance procedure.

D. For the purpose of this Article, all Trooper positions assigned to Division or Troop Headquarters (except Tactical Patrol Units) and Station Detectives are to be considered Specialist positions.

ARTICLE XII

GRIEVANCE PROCEDURE

- A. **Establishment**
This Article establishes the policy and procedure for the submission and settlement of grievances of Troopers of the New Jersey State Police.
- B. **Definition of a Grievance**
The term "Grievance" shall mean an allegation that there has been:

8. A Trooper, his/her representative or any witnesses relevant to the grievance who attend a scheduled grievance hearing while on duty, shall suffer no loss of pay as a result thereof and shall not be required to make up such time or the reasonable time required to travel to and from such hearing.

9. Copies of all written grievances and written determinations at each phase, will be forwarded to the Association President or a designated representative before the expiration of the time limits within which the grievant or Association must move to the next phase of the grievance procedure or to arbitration or Attorney General's determination.

10. Group grievances, i.e., grievances involving more than one (1) individual employee of this unit as grievants, shall be presented to a designated superior officer common to all employees of the grievant-group.

11. Grievances involving the issue of promotion may be filed initially at Phase Two.

12. If the finding or resolution of a grievance at any phase in the formal grievance procedure is not appealed within the prescribed time, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review. Failure of the State to take the appropriate action within the time limits specified in this Article should be construed as a rejection of the grievance.

13. Time limitations herein may be extended by written mutual agreement of the parties.

E. Grievance Investigation-Time Off

1. When a grievance has been formally submitted in writing and the Association represents the grievant, and where the Association officer or other mutually acknowledged Association representative who has been recognized for these purposes requires time to investigate such grievance to achieve an understanding of the specific problem during working hours, the officer or representative will be granted permission and a reasonable amount of time, limited to one (1) hour, to investigate without loss of pay. Requests for the use of this time shall be acted upon promptly. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the officer or representative and of any involved employee are adequately covered and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and, upon request, could be extended beyond the one (1) hour limit for specified reasons if, to the supervisor, the circumstances warrant an exception to this limit.

2. If a request for use of grievance investigation time is denied by the supervisor, the Association representative making the request may appeal that judgment directly to the Labor Relations Officer without prejudice to the rights of the Association under the grievance procedure.

3. The Association and the State shall discuss and agree upon the representatives of the Association who shall have the authority to implement this procedure and the area or function they may represent. Thereafter the parties shall keep a current list of all mutually agreed upon representatives and their respective areas of authority.

F. Mechanics

The Trooper may orally and informally present any grievance arising out of employment to the Trooper's immediate superior. Within three (3) calendar days of such presentation, the immediate superior will reply to the Trooper.

1. Phase One

A grievance may be submitted in writing by the Trooper or the Association representative to the Troop Commander, Bureau Chief or their designee within fifteen (15) calendar days from the act or event which is the subject of the grievance or fifteen (15) calendar days from the date on which the grievant (employee, group, or Association) should reasonably have known of its occurrence or of the acquisition of knowledge of the act or event which is the subject of the grievance. The Troop Commander, Bureau Chief or their designee may schedule a meeting between the parties to resolve the matter in dispute.

The Troop Commander, Bureau Chief or their designee shall provide the Trooper and the Association with a written determination within fifteen (15) calendar days of the grievance

submission.

2. Phase Two

a. In the event the grievance is not satisfactorily resolved, the Association may within ten (10) calendar days of receipt of the Phase One written determination, submit the written grievance to the Superintendent or his/her designee through channels explaining the specific nature of the grievance and the relief sought on the form provided.

b. Within five (5) calendar days of the receipt of the grievance, the Superintendent or his/her designee shall advise the Association if he/she intends to conduct a hearing and schedule same within fifteen (15) calendar days of receipt of the grievance. If no hearing is to be held, the Association will have seven (7) calendar days to submit their position in writing to the Superintendent or his/her designee. Further, if no hearing is to be held, the Association may advance the grievance to Phase Three a. or b. as appropriate.

c. The Superintendent or his/her designee may respond in writing to the substance of the grievance at this time or at any time within twenty (20) calendar days of receipt of the grievance notwithstanding the above stated right of the Association to move the grievance to Phase Three.

d. If a hearing is held, the Superintendent or his/her designee shall provide a written decision within twenty (20) calendar days of receipt of the grievance or not later than five (5) calendar days after the completion of the hearing if later. A copy of the decision shall be forwarded to the Office of the Attorney General, the grievant and the Association. If no hearing is held at Phase Two, then the Association will be entitled to a hearing at Phase Three.

3. Phase Three

a. If a grievance, as defined in paragraph B.2. of the Grievance Procedure is not satisfactorily resolved as provided in Phase Two, the Association may, within ten (10) calendar days from receipt of the answer to Phase Two, or if no answer is received, or no hearing is to be held, submit the grievance to the Attorney General. If no hearing was held in Phase Two, the Association shall have an opportunity for a hearing at this phase to present its views on the issue(s) in dispute. If a hearing was held at Phase Two, then, the Attorney General or his/her designee shall review the grievance and the written record developed at Phase One and Phase Two, together with any written submissions which the parties may make and take whatever action he/she deems appropriate. A written decision shall be rendered within twenty (20) calendar days of the submission of the grievance to the Attorney General, and the decision shall be final and binding on the parties. In no event shall the Attorney General's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement.

It is understood this procedure is on a trial basis and may be terminated by the Attorney General. Prior to termination, parties agree that a meeting may be scheduled with the Attorney General to discuss any modifications to the procedure.

It is further understood that the trial utilization is not intended to preclude the Association from pursuing its position as to the arbitrability of such issues before the Public Employment Relations Commission via a Scope of Negotiations petition.

Nothing herein shall preclude the Attorney General from designating the Policy Council to hear B.2. grievances as the final step.

b. (1) If a grievance, as defined in paragraph B.1. of this Article, is not satisfactorily resolved at Phase Two, the Association may, within twenty (20) calendar days from receipt of the answer, or from the date on which the answer was due, submit the grievance to arbitration pursuant to the rules of the Public Employment Relations Commission. Notice shall also be given to the Superintendent and the Director of the Office of Employee Relations.

(2) The arbitrator shall be selected pursuant to the rules of the Public Employment Relations Commission and shall be made from the list of arbitrators provided by the Public Employment Relations Commission.

(3) The arbitration shall be final and binding upon the parties. In no event shall the arbitration decision have the effect of adding to, subtracting from, modifying or amending the

provisions of this Agreement. The cost of the arbitrator shall be borne equally by both parties.

(4) At the request of either party, a pre-arbitration conference shall be held at a mutually convenient time and place to frame the issue(s) or to attempt a resolution of the grievance. Factual stipulations and issues of discovery may be addressed in an attempt to avoid delays in the arbitration procedure if it is to be undertaken. Such conference will not delay the arbitration of the grievance unless mutually agreed upon by the parties.

G. Expedited Grievance Procedure

1. The Association, through its President, may make written request to the Superintendent for expedited handling of a grievance. The request must set forth the specific nature of the grievance and the relief sought and must be submitted within seven (7) calendar days from the date on which the act or event which is the subject of the grievance occurred, or seven (7) calendar days from the date on which the grievant should reasonably have known of its occurrence.

2. Requests for use of the expedited grievance procedure may be appropriate for those grievances where the granting of a timely remedy would be precluded because of the time limits set forth in Section F of this Article, and where the central issue involved in the grievance is clearly of very substantial consequence or emergent in nature.

3. The Superintendent shall respond within forty-eight (48) hours of receipt of a request for expedited grievance handling with a determination regarding whether the expedited procedure should be invoked. If the Superintendent denies the request, the Association may appeal the decision to a special arbitrator selected in advance by the parties who shall determine the sole issue of whether the expedited procedure should be invoked under the terms of this Agreement. The decision of the arbitrator on this issue shall be binding on the parties, and should be transmitted to the parties in the most expeditious manner. Upon denial of expedited processing by the arbitrator, the grievance may be initiated within eight (8) days at the proper phase under paragraph D. or F. of this Article.

4. If the Superintendent grants expedited processing of a grievance, or if the special arbitrator orders expedited processing, the Superintendent shall make a ruling on the merits within ten (10) days of such determination.

5. If the Superintendent denies the grievance on its merits or fails to respond within the required ten (10) day period, the Association may appeal that decision to arbitration, except as provided under paragraph G.6. following. Under these procedures, the arbitrator selected must be able to schedule a hearing on the grievance within thirty (30) days of the Superintendent's denial of the grievance or thirty (30) days after the expiration of the ten (10) day period established in paragraph G.4. (whichever occurs first). The arbitrator will be required to render a decision on the merits of the grievance within fifteen (15) days of the completion of the hearing.

When the arbitrator is to be selected for expedited procedures above, the Public Employment Relations Commission should be advised that arbitrators provided must be prepared to meet the schedule.

6. A grievance, as defined under paragraph B.2. of this Article, that would normally proceed to the Attorney General shall not be entitled to arbitration as provided in paragraph G.5. above. Upon denial of such a grievance on its merits by the Superintendent, or the expiration of the ten (10) day period established in paragraph G.4. (whichever occurs first) the Association may make written appeal of the decision directly to the Attorney General. In the event of such appeal, the Attorney General shall render a decision within fifteen (15) days and such decision shall be final and binding on the parties.

7. The Superintendent may initiate the expedited grievance procedure set forth herein with respect to any pending grievance. If the Association objects, the matter is appealable to the special arbitrator as provided under paragraph G.3. of this Article.

8. The parties agree that John Tesaro and Michael Murray shall serve as the special panel of arbitrators described in paragraph G.3. The arbitrator shall be selected on a rotational basis in each incident.

Costs of expedited arbitration shall be shared by both parties.

9. Whenever the expedited grievance procedure shall be utilized, expedited processing will in no way serve to modify, amend or otherwise alter the conditions established in the grievance procedure unless specifically provided for in paragraph G.

H. Written Reprimands

1. Phase One

A grievance concerning a written reprimand may be presented in writing by the Trooper or the Association representative within fifteen (15) calendar days from the issuance of the written reprimand to the Troop Commander, Bureau Chief or his/her designee, who shall schedule a meeting with the parties within fifteen (15) calendar days of receipt of the grievance.

The Troop Commander, Bureau Chief or his/her designee shall provide the Trooper and the Association with a written determination within fifteen (15) calendar days from the date of the meeting. The written determination shall include the position of both parties and a reference to any documentation considered.

2. Phase Two

In the event the grievance is not satisfactorily resolved, the Trooper, the Association President or his/her designee may present the grievance within ten (10) calendar days of the issuance of the Phase One decision to the Superintendent or his/her designee. The Phase One decision must be attached to the grievance. At the time of the presentation of the grievance to the Superintendent or his/her designee, the Association must indicate whether they want a hearing or a review on the papers. If a hearing is requested it will be scheduled within fifteen (15) calendar days of receipt of the grievance. The Association may bring a court reporter to this hearing. If no hearing is requested, the Superintendent or his/her designee will issue a written decision at Phase Two after a review, on the papers, of the Phase One decision, together with any supplemental papers submitted by the parties.

The Superintendent or his/her designee shall issue the written decision within twenty (20) calendar days of receipt of the grievance. If a hearing is held a written decision shall be issued within ten (10) calendar days after the completion of the hearing. The Phase Two written decision shall be appealable to Phase Three under F.3a.

If the written reprimand was issued by the Superintendent then the Association may advance the grievance directly to Phase Three under F.3a.

**ARTICLE XXVI
NON-DISCRIMINATION**

The State and the Association agree that the provisions of the Agreement shall apply equally to all Troopers and that there shall be no intimidation, interference, or discrimination because of age, sex, marital status, race, color, creed or national origin, political activity, private conduct or Association activity which is permissible under law and which does not interfere with an employee's employment obligation.

**ARTICLE XXVII
PRINTING OF AGREEMENT**

The State will reproduce this Agreement in sufficient quantities so that each employee in the negotiations unit may receive a copy, plus additional reserve copies for distribution to employees hired during the term of the Agreement. The Agreement cover will include the seal of the State of New Jersey and the Association insignia.

**ARTICLE XXVIII
CONTRACT NEGOTIATION**

A. This Agreement shall continue in full force and effect until June 30, 2004, and shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing by certified mail prior to October 1 in the year preceding the contract expiration that it desires to amend the terms of this Agreement. Either party may submit to the other a written list of

changes desired in the terms of a successor Agreement.

B. Should either party notify the other of its desire to amend this Agreement through the procedure in A. above, the terms of this Agreement shall remain in force until the effective date of a successor Agreement, unless one party notifies the other party of its discontinuation within ninety (90) days.

C. Collective negotiation meetings shall be held at times and places mutually convenient to the parties.

D. The State agrees to grant the necessary duty time off to Association officers and representatives not to exceed six (6) in number, to attend scheduled negotiation meetings.

MEMORANDUM OF UNDERSTANDING

It is understood by the parties that the State's obligation to defend and indemnify employees against liability claims or judgments arising out of the performance of their official State duties is governed by the TORT Claims Act, specifically N.J.S.A. 59:10A-1 through 59:10A-6. For informational purposes, it is here stated that the above obligation has been interpreted by the Attorney General of New Jersey to include actions against State Troopers and Non-Commissioned Officers alleging false arrest, except that such obligation shall not extend to false arrest actions where it is determined by the Attorney General that:

- a. the act or omission was not within the scope of employment; or
- b. the act or omission was because of actual fraud, willful misconduct or actual malice; or
- c. the defense of the action or proceeding by the Attorney General would create a conflict of interest between the State and the employee.

Additionally, the State's obligation to indemnify shall not extend to any award for punitive damages ultimately granted against the Trooper or Non-Commissioned Officer who is the defendant in the action.

In any of the above matters, the Attorney General may determine and authorize the use of outside counsel where, in his judgment, such is warranted. In such cases the reasonable costs of such counsel shall be borne by the State.

IN WITNESS WHEREOF, the State and the Association have caused this Agreement to be signed by their duly authorized representatives.

TO : Executive Officer, Section Supervisors, Bureau Chiefs and Unit Heads, Division Headquarters, Commanders, Troops A, B, C, D, E; and All Stations

TROOPERS

1. S.O.P. C22 has been revised to reflect a change in the handling of unscheduled time for troopers. Troopers who work in excess of forty (40) hours in a seven (7) consecutive calendar work cycle, shall be compensated at the overtime rate of time and one-half.

a. The seven consecutive day work cycle, for computation purposes, shall commence at 11:01 a.m. on Saturday and end at midnight on Friday.

b. The regularly scheduled work day shall consist of no less than eight (8) hours.

c. Work, for the purposes of this order, shall be defined as any activity performed which arises out of the employee's status as a law enforcement officer. Meal periods which occur during periods of work shall be computed as work time.

d. Any schedule change or shift change which is effective on less than forty-eight (48) hours notice to the trooper shall cause the entire work obligation so changed to be paid at the overtime rate. Change shall be defined as an alteration from a regularly posted work schedule.

(1) Any regular schedule or shift may be changed or adjusted providing a notice of forty-eight (48) hours prior to the change.

(2) When the hours of a regularly scheduled work day of not less than eight (8) hours are extended, the minimum forty-eight hour notification time of a future adjustment shall begin when the trooper

is notified. Extra hours worked may be reduced from a future scheduled work day within the work week. Notice of such a reduction may not be made prior to the commencement of the regularly scheduled work day on which extra hours were worked.

(3) When notice is not given under d.(2), then the forty-eight (48) hour period shall be calculated from the completion of the extra time worked.

When non-scheduled hours are worked and the work schedule is adjusted, the trooper shall not be required to work less than four hours.

a. Overtime, compensation shall be paid in cash unless the trooper at his sole option elects compensatory time off. Such election shall be made at the end of the workweek and shall not be changed. Compensatory time off (C.T.O.) shall accumulate in a C.T.O. bank. Compensatory time in the C.T.O. bank shall accumulate at the time and one-half rate (one and one-half hours banked for each hour of overtime worked in quarter hour units).

f. C.T.O. once banked shall only be used at the request of the trooper. C.T.O. may be accumulated and granted in hours, up to and including a full working day. Each request is subject to prior approval based on the Division's operational needs.

9. At no time shall any trooper's accumulated time in the bank exceed the total of twenty-four (24) hours, e.g. (16 hours C.T.O. + 24 hours in the C.T.O. bank).

h. Under no circumstances shall there be less than eight (8) hours of time off between consecutive scheduled work days. Any violation of this provision shall result in paid overtime compensation for those hours which violate the eight (8) hour provision. Call-in time shall not be included in the eight (8) hour provision.

1. Call in time hours worked shall be compensated for at a minimum of three (3) hours at straight time whether or not the three (3) hours were worked, except when the end of the call in time period coincides with the beginning of the regularly scheduled shift. Example: a trooper called in at 8:00 a.m. instead of coming in normally at 8:00 a.m. shall receive two extra hours compensation. SEE THE MINIMUM GUARANTEE.

3. Authorized paid leave time and compensatory time from the C.T.O. bank shall be counted as work time for the purpose of counting overtime, providing such leave or compensatory time is granted on a scheduled work day.
