**PREAMBLE**

This agreement is entered into by the City of Memphis, Tennessee, hereinafter referred to as the City or Employer, and Local 1733, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union.

It is the purpose of this Memorandum of Understanding to promote harmonious relations, cooperation, and understanding between the City, the Union and the employees covered hereby, to insure the well-being of said employees and the efficient and economical operation of the departments in which they are employed, to establish and maintain a basic understanding relative to personnel policies, practices, and procedures involving wages, hours, and other conditions of employment, and to provide a means for amicable discussion and adjustment of matters of mutual interest.

**ARTICLE I  
RECOGNITION**

The City of Memphis recognizes the American Federation of State, County and Municipal Employees, AFL-CIO, Local 1733, as the sole and exclusive bargaining agent for all employees in classifications specified in Appendix A of this Memorandum of Understanding, in the Public Works Division, General Services Division, Engineering, Police Services Division, Fire Services Division, Park Commission and the Judicial System (City Court Clerks and Traffic Violations Bureau), for the purpose of negoti-

ating wages, hours, and other conditions of employment to the full extent provided by the applicable laws of the City of Memphis, the State of Tennessee and the City Council Labor Policy.

The City grants exclusive recognition to the Union in accordance with the City Council Labor Policy, which provides that no other labor organization shall be recognized unless they be designated by a majority of the non-supervisory employees of the appropriate unit.

The term "appropriate unit" shall mean the Public Works Division (including Solid Waste Management and Auto Testing Stations), General Services Division, Engineering, Fire Services Division, Police Services Division, and Park Commission, which are under the Administration of the Mayor and Judicial System (the City Court Clerks and Traffic Violations Bureau) which is under the administration of the City Court Clerk. For purposes of definition, "supervisor" shall mean those who have authority to hire, fire, discipline, promote, transfer, or assign or to effectively recommend such action.

## ARTICLE 2 MANAGEMENT RIGHTS

The City of Memphis has the exclusive right to determine the purpose of each of its agencies and to set the standards of services to be offered to its citizens. It is also the right of the City to direct its employees, to hire, promote, demote, transfer, assign

or retain employees in positions within an agency or department, and to establish reasonable work rules which do not conflict with this agreement. However, any work rule change that affects an established system shall be discussed with the Union in advance of change.

The City has the right to suspend, discharge or take other disciplinary action against its employees for just cause and in accordance with the provisions of the Memorandum of Understanding, and to relieve its employees from duty in the event of lack of work, funds, or other legitimate reasons provided, however, that nothing contained in this article shall be deemed to deny the rights of any employee to submit a grievance concerning the application or interpretation of the terms of this Memorandum of Understanding or a claimed violation, misinterpretation, or misapplication of the rules or regulations of the City affecting the terms and conditions of employment.

All rights and duties of both parties are specifically expressed in this Memorandum of Understanding and each of the parties reserves to itself the rights and privileges otherwise accorded it whether by Charter, statute, or common law with respect to any matter not expressly covered by this Memorandum of Understanding.

### ARTICLE 3

#### GENERAL PROVISIONS

Section 1. The Union and City agree that no employee shall be discriminated against, harassed or discharged because of Union membership, sex, marital status, race, religion, creed, national origin, political affiliation, or except as allowed by law a disability within the meaning of the Americans with Disabilities Act, or for exercising the use of the grievance procedure. "Employee" as used in this agreement or used in the male gender in this agreement shall be construed as including female.

Section 2. Nothing in this Memorandum of Understanding can be construed to require an employee to join the Union or any other employee organization. The Union and Management shall not coerce any employee in the exercise of his rights to join or not to join the Union. The City, its supervisors, the Union, or any other person in authority shall not coerce, intimidate, harass or in any other manner discriminate against any employee who exercises his right to join, not join, or continue membership in the Union. No employee shall be denied promotion to any city job, nor denied any other benefit because of his/her membership in the union.

Section 3. The employer will not engage in aiding, encouraging, supporting and assisting in any way any other Union, employee group or organization within the bargaining unit, nor hold employee meetings in the bargaining unit which excludes Union members.

### ARTICLE 4 UNION STEWARDS AND UNION REPRESENTATION

Section 1. The City recognizes and shall deal with the designated Union Stewards, appropriate Union Chapter Chairpersons, Local President, and representatives of the American Federation of State, County and Municipal Employees, whether local union representative, district council representatives or international representatives.

Section 2. Union staff representatives shall be admitted to the buildings and grounds of the City during working hours for the purpose of assisting in the adjustment of grievances, and the conducting of other Union business, except Union solicitation and Union meetings, or any Union activities which would disrupt the normal work schedule. Any Union meetings with all employees assigned to the particular area called by the Union Representative or Chapter Chairperson may be held on City property during work hours upon prior request of the Division Director, City Court Clerk, or their designee, which permission shall not be unreasonably withheld.

Section 3. A written list of Union Stewards and Chapter Officers shall be furnished to the City Director of Human Resources within ten (10) days after their designation and the Union shall notify the City Director of Human Resources and the appropriate Division Director within five (5) days of such Union Stewards designation or changes thereof.

Section 4. The appropriate Union Stewards within the area and/or appropriate Chapter Chairperson shall be granted reasonable time off, without loss of pay, during working hours to investigate potential grievances, accidents and settle complaints which have not become formal grievances, upon given notice and receiving approval of the supervisor, which approval shall not be unreasonably withheld. Once a grievance has been filed at Step 1, the Union Steward, Chief Steward, the aggrieved employee and Chapter Chairperson will be granted reasonable time off without loss of pay during working hours only at the appropriate step specified for each named position in the grievance procedure.

Section 5. If an employee has to come in when he is not scheduled to work in order to attend the grievance meeting, or arbitration hearing, he shall be paid for such time. The City will comply with the employee's request regarding pay or time off. Grievances shall not be scheduled on a steward's off day, but when scheduled on different shifts or when the steward cannot attend, the union will provide a chief steward or alternate steward when notified by management.

Section 6. The City will provide an office area whenever available for the use of the Chapter Chairperson. The City will provide an office area with a desk and chairs for the Local President. It is not intended that his full work day be spent in the office.

## ARTICLE 5 GRIEVANCE AND ARBITRATION PROCEDURE

Any grievance, defined as a dispute between the City or any representative of the City and any employee or group of employees covered by this agreement over the application, meaning, or interpretation of this Memorandum of Understanding, shall be handled in a simple and direct manner as follows:

Step 1. The Union Steward, with the aggrieved employee, shall discuss the grievance with his/her immediate supervisor within ten working (10) days of the date of the grievance or the employee's knowledge of its occurrence. The immediate supervisor shall attempt to adjust the dispute and shall respond to the Union Steward within five (5) working days.

Step 2. If not resolved at Step 1, the grievance shall be reduced to writing, indicating the specific article allegedly violated, and giving a brief description of the grievance. The written grievance shall be presented to the Step 2 supervisor within twenty (20) working days of the occurrence of the grievance or the employee's knowledge of its occurrence, or within ten (10) working days of the immediate supervisor's response, whichever is longer. The Step 2 supervisor shall discuss the matter, upon receipt of the written grievance from the Union, with the aggrieved employee, the Chief Steward and the Steward. The Step 2 Supervisor shall respond within (5) working days from receipt of the written grievance.

Step 2. The Union shall deliver to the Division Director, or the City Court Clerk, within ten (10) working days of the Step 2 Supervisor's response, written notice (on the grievance form) of its acceptance or rejection of a Step 2 answer. After receipt of such notice, in cases of the Union's rejection of a Step 2 answer, the Division Director, City Court Clerk, or designee shall within ten (10) working days conduct a thorough discussion with the appropriate supervisory personnel, the aggrieved employee, the Union Staff Representative or Union Director, Chapter Chairperson, Chief Steward, and Steward.

Within ten (10) working days thereafter the Division Director, City Court Clerk, or designee shall deliver his answer to the Chapter Chairperson. Appropriate supervisory personnel shall mean those who are named for Step 1 and Step 2 or those who have taken action in the instant grievance.

Any grievance not processed by the Union in accordance with the time limits provided herein shall be considered as acceptance of the answer. If the designated supervisors at any of the grievance steps, or the Division Director, City Court Clerk, or designee fails to respond within time limits provided herein, the grievance shall be considered upheld in favor of the employee and shall be implemented.

Step 4. The Union shall then review the answer of the Division Director, City Court Clerk, or designee and indicate in writing its acceptance or rejection and request for arbitration if desired, within twenty (20) working days after the rendering of the Division Director's, City Court Clerk's, or designee's written decision, unless extended by mutual agreement. The decision of the Division Director, City Court Clerk, or designee shall be mailed cer-

tified mail to the Union office, return receipt requested. The Union, in submitting its request for arbitration, as provided herein, shall send said request, certified mail, to the Mayor, with a copy by regular mail to the Director of Human Resources. Failure of the Union to request arbitration within the time allotted or extended shall be considered acceptance of the decision and the answer of the Division Director, City Court Clerk, or designee shall be considered satisfactory. It is understood that the Local Union President may be involved at both Step 3 and 4. The Union shall have the right to take up suspensions and/or discharges within ten (10) working days at Step 3 of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary by the Union. All time limits specified above, may be extended by written request by either party if the other party indicates mutual agreement thereto, in writing. **SELECTION OF THE ARBITRATOR:** The arbitrator shall be jointly selected by the Union and the City.

If, within five (5) days after the request for arbitration is made, the Union and City fail to agree upon the appointment of an arbitrator, a request will be made to the American Arbitration Association or the Federal Mediation and Conciliation Service for a list of five (5) arbitrators. The Union and City may select one of the list of arbitrators or if they still cannot agree, the following procedure shall be followed as stated below:

The party presenting the grievance shall be given the first opportunity to strike the name of one of the arbitrators contained on said list. The other party may then proceed to strike a name and this procedure shall continue until one arbitrator's name remains. The arbitrator whose name remains shall be designated as the arbitrator. In the event the arbitrator designated declines to act, the procedure of striking names will be reinstated until an arbitrator willing to act has been selected.

Section 5. In no event will the progressive steps be applied to different types of offenses. For example, an employee receiving an oral reprimand for tardiness shall not be given a written reprimand for a first offense, not related to tardiness.

Section 6. It is understood that any employee who does not receive any disciplinary action for a period of six (6) months shall have his or her record cleared for the purpose of progressive discipline.

Section 7. Any employee who reports to work or is found at work during the course of the shift to be under the influence of alcohol or the unlawful influence of a controlled substance, as determined by the supervisor, shall be immediately sent home and suspended for five (5) days in addition to the day sent home. - 4) Two and one-half (2-1/2) days for each month of service from the fifteenth (15th) year and thereafter.

Sick leave will not accumulate while an employee is absent on sick leave fifteen (15) days or longer, unauthorized absence, or during other leaves of absence, except military leave and/or officially granted educational leave.

Pay for holidays that occur while an employee is on sick leave shall not be charged as holiday. If the active employee does not have accumulated sick leave, he may select to use his holiday as a sick leave day.

Section 1. An employee who becomes ill while on vacation and whose illness is substantiated by a doctor's statement, may upon release by the employee's attending physician, have that portion of vacation which was interrupted by illness rescheduled. It shall be the employee's responsibility to report said illness to his Supervisor at the earliest possible date and present his doctor's statement to his Supervisor upon return to work.

Section 2. It is the responsibility of the employee to see that his immediate supervisor is notified on the first (1st) and second (2nd) day of his absence due to illness and, if longer than three (3)

consecutive work days, on the fourth (4th) day of his absence due to illness, or until a physician's statement is received if illness is beyond three (3) consecutive work days.

An employee who is absent three (3) consecutive work days due to illness shall be required by the City to submit a physician's statement reflecting the physician's signature and the date the employee is expected to return to his job duties.

When sick leave is requested, time will be posted up to a maximum of five (5) days provided a physician's statement is submitted. For pay purposes, a physician's statement must cover all time starting with the third (3rd) consecutive work day of absence. However, if such illness exceeds five (5) working days, the physician's statement covering the illness must be received for continuation of sick leave pay.

Section 3. When an employee enters a hospital and notifies the City of such hospitalization and requests to utilize his sick days, providing he has adequate sick leave accumulated to cover such hospitalization, the City shall, upon notification and request, place him on sick leave status. The employee is required to submit a physician's statement verifying such hospitalization upon his release from the hospital, or not later than ten (10) days from his date of release. The physician's statement is to reflect the expected date on which the employee can return to his job duties.

Section 4. Permanent City employees shall be entitled to Sick Leave benefits for illness resulting from the employee's pregnancy. The employee shall be required to notify her supervisor of

such illness as outlined in the notification section of this article. Such notification shall be substantiated by a physician's statement specifying the approximate date of birth.

The employee who exhausts all sick leave benefits must request, in writing, a leave of absence for maternity as outlined in Article 13.

Section 5. Proven cases of abuse of the sick leave provisions may result in the employee being denied unjust claims, and appropriate measures taken in accordance with Article 7 of this agreement. Proven cases of abuse may require an employee to submit a physician's statement for a single day absence, such requirements not to exceed three (3) months.

Section 6. Employees shall be compensated in cash for seventy (70) days of accumulated unused sick leave upon retirement.

The amount of payment for unused sick leave is to be calculated at the employee's rate of pay in effect on the payday immediately preceding the employee's retirement. Such payment shall not be counted as compensation for retirement.

Section 7. After completion of sixty (60) days of continuous service, an employee who works three (3) consecutive months without sick leave, or any unauthorized absence, will be eligible for one (1) bonus day leave with pay to be taken within twelve (12) months from the date it is earned.
