

within the Executive Director's discretion to accept a repayment agreement instead of proceeding by salary offset.

(c) If the Executive Director decides that the proposed repayment agreement is unacceptable, the employee will have 15 days from the date he or she received notice of the decision to file a petition for a hearing.

(d) If the Executive Director decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and the Executive Director.

#### § 1639.26 Special review.

(a) An employee subject to salary offset or a voluntary repayment agreement in connection with a debt owed to the Board may, at any time, request that the Board conduct a special review of the amount of the salary offset or voluntary payment, based on materially changed circumstances, such as catastrophic illness, divorce, death, or disability.

(b) To assist the Board in determining whether an offset would prevent the employee from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the employee will submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents, indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee must file an alternative proposed salary offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in an extreme financial hardship to the employee.

(d) The Executive Director will evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an extreme financial hardship

on the employee. The Executive Director will notify the employee in writing of his determination, including, if appropriate, a revised offset or payment schedule.

(e) If the special review results in a revised offset or repayment schedule, the Board will provide a new certification to the paying agency.

#### § 1639.27 Procedures for salary offset.

(a) The Board will coordinate salary deductions under this subpart.

(b) The Board's payroll office will determine the amount of an employee's disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Board's payroll office of certification for the creditor agency.

(d) Types of collection—

(1) *Lump-sum offset*. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions*. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.

(3) *Deductions from final check*. A deduction exceeding the 15 percent disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, 4 CFR chapter II, in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources*. If an employee subject to salary offset is separated from the Board, and the balance of the debt cannot be liquidated by offset of the final salary check, the Board may offset any later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards, 4 CFR chapter II.

(e) Multiple debts. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Board's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(f) Precedence of debts owed to the Board. For Board employees, debts owed to the Board generally take precedence over debts owed to other agencies. In the event that a debt to the Board is certified while an employee is subject to a salary offset to repay another agency, the Board may decide whether to have the first debt repaid in full before collecting the claim or whether changes should be made in the salary deduction being sent to the other agency. If debts owed the Board can be collected in one pay period, the Board payroll office may suspend the salary offset to the other agency for that pay period in order to liquidate the debt to the Board. When an employee owes two or more debts, the best interests of the Board will be the primary consideration in the payroll office's determination of the order in which the debts should be collected.

**§ 1639.28 Coordinating salary offset with other agencies.**

(a) *Responsibility of the Board as the creditor agency.* (1) The Board will coordinate debt collections with other agencies and will, as appropriate:

- (i) Arrange for a hearing or special review upon proper petitioning by the debtor; and
- (ii) Prescribe, upon consultation with the General Counsel, the additional practices and procedures that may be necessary to carry out the intent of this subpart.

(2) The Board will ensure:

- (i) That each notice of intent to offset is consistent with the requirements of § 1639.22;
- (ii) That each certification of debt that is sent to a paying agency is consistent with the requirements of § 1639.24; and
- (iii) That hearings are properly scheduled.

(3) Requesting recovery from current paying agency. Upon completion of the

procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Board will provide the paying agency with a certification as provided in § 1639.24.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Board must submit a debt claim to the paying agency for collection under 31 U.S.C. 3716. The paying agency must certify the total amount of its collection on the debt and notify the employee and the Board. If the paying agency's collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. The Board must submit a properly certified claim to the agency responsible for making the payments before the collection can be made.

(5) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Board may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Board will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Board will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.
