Dear Carrier:

The General Services Administration Freight Program Management Office is requesting Intra-Alaska General freight rate offers in accordance with the General Program Request for Offers (RFO) that was distributed on February 17, 2000. Currently, the supplemental window for rate offers under this RFO is open. GSA approved freight carriers may submit rates for this Intra-Alaska traffic until September 4, 2000, for an effective date of November 1, 2000. Rates **WILL NOT** be accepted under this RFO for shipments moving from/to points in CONUS from/to points in ALASKA.

Rates may be, but are not required to be, submitted for all origins/destinations and/or rate groups requested. A table of the rate groups as it appears in the RFO is attached to this letter. If your firm needs a copy of the RFO dated February 17, 2000, please refer to our website at [www.kc.gsa.gov/fsstt](http://www.kc.gsa.gov/fsstt) and go to the What's New section and click on the link dated February 17, 2000.

- ✍ Rate offers submitted for the identified Alaska Rate Groups **MUST** be submitted as **highway miles** only; and
- ✍ Rates submitted for Truckload shipments **MUST** be submitted as a cents per mile with a minimum charge per vehicle used.

In accordance with the RFO, all rate offers for the identified Intra-Alaska areas must be submitted electronically. If your firm does not have the capability of filing electronic rate offers with GSA, you may utilize the option of having a Rate Filing Service Provider (RFSP) compose and electronically submit these rate offers for your firm.

If you need a listing RFSPs or a hard copy of the RFO you may email your request to [cindy.schardt@gsa.gov](mailto:cindy.schardt@gsa.gov) or fax to the attention of Cindy Schardt at (816) 823-3656.

Any specific questions on Alaska traffic should be directed to Maria Gutierrez, (415) 522-2846, and questions regarding the electronic filing requirements and formatting of rate offers can be directed to Cindy Schardt at (816) 823-3646.

Sincerely,

Ed Hodges, Director  
Property & Traffic Management Division (6FBD)
