### INSTRUCTIONS

1. This form shall be used in connection with the cash sale of Government personal property whenever the sales invitation permits an "individual invitation" type of deposit bond in lieu of cash or other form of bid deposit, and the sale terms provide for payment in full prior to release of the property. There shall be no deviation from this form except as authorized by the Administrator of General Services.
2. This form is not suitable for use in the conduct of sales involving term contracts or other unusual contractual arrangements.
3. The penal sum of the bond shall be equal to 20 percent of the total amount of the accompanying bid.
4. (a) Where a corporate surety is used on the bond, it shall be a corporation authorized by the Secretary of the Treasury to act as a surety.  
  
(b) Where individuals are used as sureties on the bond, they shall be two or more responsible persons, and in such instance, the bond must be accompanied by a completed Affidavit of Individual Surety (Standard Form 28) for each individual surety. Individuals acting as sureties may be required to furnish such additional substantiating information concerning their assets and financial capability as the Government may require.
5. The full legal name and business address of each individual principal to the bond shall be inserted in the space provided therefor; and each principal shall sign the bond with his/her usual signature in the space opposite the scroll seal.
6. If the principal or surety is a corporation, the name of the State in which incorporated shall be inserted in the space provided therefor, and the instrument shall be executed and attested under the corporate seal as indicated on the form. If the corporation has no corporate seal, that fact shall be stated; in which case a scroll or adhesive seal shall be affixed after the corporate name.
