

Accessing Global Markets is Easier Than Ever

The U.S. Commercial Service Streamlines Fees for American Businesses

Updated May 2008

Connecting you to business opportunities in markets around the world as fast and efficiently as possible is a priority for the U.S. Commercial Service (CS).

CUSTOMIZED SERVICES

For customized services our fees vary depending on company size and scope of service. Customized client services include business facilitation services and customized market research.

Business Facilitation Services

Single Company Promotion: CS Santo Domingo will assist the US company or its local representative in organizing a product launch, technical seminar, cocktail reception or other similar events in the Ambassador's residence, when available/appropriate. Otherwise, we will help the client obtain preferential rates at other venues (e.g. hotels). The service is tailored to the specific needs of the U.S. Company.

Please contact the US Commercial Service in Santo Domingo for more details.
