

# **Public Notice**

## **Denver Federal Center—Hospital Phase II, Parcel C**

### **Proposed Final Corrective Action Work Plan**

The Hospital Phase II Area is located in the southwestern corner of the Denver Federal Center—bound by Alameda Avenue to the south; private commercial properties along South Union Boulevard to the west; McIntyre Gulch and St. Anthony's Hospital property to the north; and DFC Building 810 to the east. This Corrective Action Work Plan presents the final remedy for soil and groundwater contamination.

### **Public comment period open from May 29 - July 1, 2008**

This document can be reviewed at the state health department at the address below, or by appointment at the Denver Federal Center.
