

litter (lit'ər) **n.** Trash that has not been disposed of properly. Examples include items thrown from car windows such as cans, bottles, wrappers and cigarette butts.

stormwater (stôrm'wôt ə) **n.** Rainwater that flows from streets, parking lots, and other city surfaces into streams and lakes. Also transports litter into streams and lakes.

*You can help redefine the
condition of Greensboro's stormwater.
Don't Litter.*

Volunteer to apply drain markers to storm drains in your neighborhood.

Also, consider adopting a street to remove litter from our roadways and reduce water pollution.
