

ART LINKLETTER
USA Freedom Corps – Volunteering PSA

(:60)

Hello there, I'm Art Linkletter.

In my 93 years, I've been lucky to play lots of roles, from hosting *Kids say the Darndest Things* on television to writing the book *Old Age is not for Sissies*.

I've also been a lifelong volunteer, and I know from experience that helping those who really need your help gives you the passion and energy that makes life worth living.

Whether it's aiding victims of disaster, mentoring young people, or serving the homeless, nothing equals the rewards that come from service to others in causes that really matter. Not wealth, not power, not fame.
