Includes:

- Full equipment set-up
- 1-year warranty
- 100% satisfaction guarantee
- Free cleanings every six months for life of costume
- Shipping to customer's door

TESTIMONIALS

“The WalkAround Smokey Bear has two distinct advantages – never needs washed or dry cleaned and it’s cooler than the traditional costume. The WalkAround is easy, low maintenance, mobile and really fun to interact with not only the children but adults as well. In the short time we’ve had the inflatable Smokey he has enhanced and broadened our wildfire prevention message.”

Beverly Stout
