- Students must have completed a rigorous secondary school program of study.

A first-year student is a student with a Grade Level equal to 0 or 1.

A second-year student is a student with a Grade Level equal to 2.

Options for Meeting Rigorous Program Definition

Eligibility/Payment Reason Code	Reason Description
01	State Designated Program <ul style="list-style-type: none"> • State Submitted Program • An advanced or honors secondary school program established by a state and in existence for the 04-05 or 05-06 school year • State Scholars Initiative
02	Completion of at least two Advanced Placement courses with passing test score of 3 or two International Baccalaureate courses with passing test score of 4.
03	The student has completed a high school course of study with at least: <ul style="list-style-type: none"> • Four years of high school English; • Three years of high school math, including Algebra I and another higher level math course; • Three years of science, including one year each of at least two of the following courses: biology, chemistry, and physics; • Three years of high school social studies; and • One year of high school language other than English

Eligibility/Payment Reason Codes

Schools must submit to COD the appropriate Eligibility/Payment Reason Code for each ACG award. Valid values are:

01 = Rigorous High School Program
