

International Association of Electronics Recyclers

Bureau Veritas Quality International Your Certification Partner Worldwide

The IAER, through the services of BVQI, has evaluated the operations and management systems of:

Federal Prison Industries (UNICOR)

and found them to be consistent with the expected business practices of a high quality company in the electronics recycling industry, and therefore awards the designation of:

CERTIFIED ELECTRONICS RECYCLER®

Audited in accordance with the certification criteria of the International Association of Electronics Recyclers.

The SCOPE of the certification encompasses:

Facilities located at Ft. Dix, NJ

Original date of Certification approval September 10, 2007

Subject to continued satisfactory operation of the audited management systems and maintained by biennial reviews

Peter R. Muscanelli – IAER President
