

*International Association
of Electronics Recyclers*

*Bureau Veritas Quality International
Your Certification Partner Worldwide*

The IAER, through the services of BVQI, has evaluated the operations and management systems of:

Federal Prison Industries (UNICOR)

and found them to be consistent with the expected business practices of a high quality company in the electronics recycling industry, and therefore awards the designation of:

CERTIFIED ELECTRONICS RECYCLER®

Audited in accordance with the certification criteria of the International Association of Electronics Recyclers.

The SCOPE of the certification encompasses:

Facilities located at Texarkana, TX

Original date of Certification approval August 14, 2007

Subject to continued satisfactory operation of the audited management systems and maintained by biennial reviews

Peter R. Muscanelli – IAER President
