SUBJECT: Revision of Part 1033 to display OMB control numbers
 for standards and regulations containing collections of
 information

BALLOT VOTE due: 7/23/97

The Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. Chapter 35, requires the Commission to display the control numbers assigned by the Office of Management and Budget (OMB) to standards and regulations containing "collections of information." The term "collection of information," as used in the PRA, includes any regulation or standard that has requirements for recordkeeping, reporting of information to the Commission, or disclosure of information to the public.

In 1983, the Commission issued 16 C.F.R. Part 1033 to comply with a similar requirement in the Paperwork Reduction Act of 1980. Since the Commission issued Part 1033, it has issued several additional standards and regulations subject to approval by OMB as "collections of information." The Office of the General Counsel has prepared the attached draft of a Federal

CONSUMER PRODUCT SAFETY COMMISSION

16 CFR Part 1033

Display of Control Numbers for Collections of Information under the Paperwork Reduction Act

AGENCY: Consumer Product Safety Commission.

ACTION: Final rule.

SUMMARY: The Paperwork Reduction Act of 1995 requires the Commission to display the control numbers assigned by the Office of Management and Budget to standards and regulations containing "collections of information." As used in the Paperwork Reduction Act, a "collection of information" includes any requirement for recordkeeping, reporting, or providing information to the public. The Commission is amending Part 1033 to include the control numbers for all currently approved collections of information in standards and regulations enforced by the Commission.

DATES: This amendment shall become effective on [insert date of publication in the Federal Register].

FOR FURTHER INFORMATION CONTACT: Allen F. Brauninger, Attorney, Office of the General Counsel, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0980, extension 2216.

SUPPLEMENTARY INFORMATION:

The Consumer Product Safety Commission enforces many standards and regulations that require manufacturers and importers to compile and maintain records, to report information to the Commission, or to make information available to the public. These requirements are "collections of information" as

that term is used in the Paperwork Reduction Act of 1995 (PRA) at 44 U.S.C. § 3502(3).

The PRA requires the Commission to obtain approval from the Office of Management and Budget (OMB) of all collections of information and to display the control number assigned by OMB for each collection of information. See 44 U.S.C. § 3506.

In 1983, the Commission issued Part 1033 to display the control numbers assigned by OMB for each regulation enforced by the Commission containing a collection of information. Since 1983, the Commission has issued several standards and regulations containing collections of information that have been approved by OMB. For this reason, the Commission is amending Part 1033 to list all regulations containing collections of information currently approved by OMB and the control numbers for those regulations.

The amendment issued below is a rule of agency organization, procedure, or practice, and for that reason is not subject to provisions of the Administrative Procedure Act (APA), 5 U.S.C. §§ 553(b) and (c), requiring publication of a notice of proposed rulemaking and opportunity for public comment. This amendment is not a substantive rule, and for that reason the requirements of section 553(d) of the APA, 5 U.S.C. 553(d), for a delayed effective date of at least 30 days are not applicable. Consequently, this amendment shall become effective on the date of publication in the Federal Register.

Conclusion

Therefore, pursuant to the authority of section 3506(c)(1) of the Paperwork Reduction Act of 1995, 44 U.S.C. 3506(c)(1) the Commission hereby amends title 16 of the Code of Federal Regulations, Chapter II, Subchapter A, Part 1033 to read as follows:

PART 1033--DISPLAY OF CONTROL NUMBERS FOR COLLECTION OF INFORMATION REQUIREMENTS UNDER THE PAPERWORK REDUCTION ACT

1. The authority for part 1033 is revised to read as follows:
