CONGRATULATIONS TO THE 2006 ENERGY STAR® AWARD WINNERS

For helping Americans save \$12 billion this year on their energy bills and preventing greenhouse gas emissions equivalent to those of 23 million vehicles. ENERGY STAR is a program of the U.S. Environmental Protection Agency and the U.S. Department of Energy helping us all save money and protect the environment through energy efficient products & practices. For more information, visit www.energystar.gov.
