* *Camping areas restricted for cultural resource protection.*

Limit – 1 Hot Springs Campsite (not guaranteed) • Layovers allowed at less popular sites on a case-by-case basis.

Group size dictates camp assignments • Coin flip resolves conflict(s), however Forest Service personnel have final say.

Several camps were burned in 2007. Four camps were significantly impacted by fire and are identified as Burned in 2007.

Updated March 2008
