

*ATTENTION!*

**Main Salmon Boaters:**

*Road Construction  
near Riggins*

***Road construction on the Salmon River Road is underway and this construction will result in closures.***

***Look at [www.salmonriverroad.org](http://www.salmonriverroad.org) before launching on a trip that takes out at Carey Creek or Vinegar Creek! Click on the Travel Info section of this website for specific details.***

***The spring and fall construction phases have some lengthy closure times during the week. Beginning mid-May through Labor Day, there are specific time periods when the road will be open, and others when there will be delays.***

***The road project consists of grading, drainage, base, paving, and twelve retaining walls. The project length is 4.24 miles; beginning 2.27 miles up the Salmon River from Riggins (near Shorts Bar) and ending at the Lake Creek Bridge.***

***Please factor the closure times into your take-out schedule.***
