

3.5-1 Authorization and Consent - Alternate II (February 2003)

The following is substituted for paragraph (a) of the clause:

(a) The Government authorizes and consents to all use and manufacture in the performance of any order at any tier or subcontract at any tier placed under this contract for communication services and facilities for which rates, charges, and tariffs are not established by a Government regulatory body, of any invention described in and covered by a United States patent

(1) Embodied in the structure or composition of any article the delivery of which is accepted by the Government under this contract or

(2) Used in machinery, tools, or methods whose use necessarily results from compliance by the contractor or a subcontractor with specifications or written provisions forming a part of this contract or with specific written instructions given by the Contracting Officer directing the manner of performance.

PRESCRIPTION

Shall be used in RFI/RFPs and contracts for communications services with a common carrier and the services are unregulated and not priced by a tariff schedule set by a regulatory body.
