

**3.11-3/alt1 Capability to Perform a Contract for the Relocation of a Federal Office
(February 2003)**

(a) If the move specified in this contract is to be performed by the Contractor as a carrier within the borders of more than one State, including the District of Columbia, (i.e., an interstate move), the Contractor shall have obtained and hold appropriate and current operating authority from the Interstate Commerce Commission.

(b) If the move specified in this contract will not be performed by the Contractor as carrier, it must be performed for the Contractor by a carrier operating under a subcontract with the Contractor. In this case, the Contractor shall not be subject to the requirements of paragraph (a) above, but shall be responsible for requiring and ensuring that the subcontractor carrier complies with those requirements in every respect.

(c) The Contractor shall be in compliance with the applicable requirements of this clause at least 14 days before the date on which performance of the contract shall commence under the terms specified; except that, if the period from the date of award of the contract to the date that performance shall commence is less than 28 days, the Contractor shall comply with the applicable requirements of this clause midway between the time of award and the time of commencement of performance.

(End of clause)

PRESCRIPTION

Shall be used in SIR's and contracts if a Federal office move is intrastate and the contracting officer determines that it is in the Government's interest not to apply the requirements for holding or obtaining State authority to operate within the State, and to maintain a facility within the State or commercial zone.
