

**3.2.2.3-51 Operations and Storage Areas** (July 2004)

(a) The Contractor shall confine all operations (including storage of materials) on TSA premises to areas authorized or approved by the Contracting Officers Representative (COR).

(b) Temporary buildings (e.g., storage sheds, shops, offices) and utilities may be erected by the Contractor only with the approval of the Contracting Officer, and shall be built with labor and materials furnished by the Contractor without expense to TSA. The temporary buildings and utilities shall remain the property of the Contractor and shall be removed by the Contractor at its expense upon completion of the work. With the written consent of the Contracting Officer, the buildings and utilities may be abandoned and need not be removed.

(c) The Contractor shall use only established roadways, or when authorized by the Contracting Officer temporary roadways may be constructed by the Contractor at the Contractor expense. When materials are transported in prosecuting the work, vehicles shall not be loaded beyond the loading capacity of the vehicle or as prescribed by any laws or regulation. When it becomes necessary to cross curbs or sidewalks, the Contractor shall protect them from damage; and shall repair or pay for the repair of any damaged curbs, sidewalks, or roads.

**(End of clause)**

**PRESCRIPTION**

May be used in RFI/RFPs and contracts when a fixed price construction contract or a fixed price dismantling, demolition, or removal of improvements contract is contemplated.
