

3.2.2.3-33 Order of Precedence (July 2004)

Any inconsistency in this RFI/RFP or contract shall be resolved by giving precedence in the following order:

- (a) the Schedule (excluding the specifications);
- (b) representations and other instructions;
- (c) contract clauses;
- (d) other documents, exhibits, and attachments;
- (e) the specifications; and
- (f) the drawings.

(End of clause)

PRESCRIPTION

Shall be used in all RFI/RFPs and contracts when contracting by negotiation and the uniform contract format is used.

****Note to Contracting Officer:** If using this clause in conjunction with Clause "Specifications, Drawings, and Material Submittals", a conflict in precedence of documents may occur. To avoid this, assure that the drawings are listed in the RFI/RFP/contract as attachments to the specifications and not separately as "other documents, exhibits, and attachments". Doing so would further clarify that the specification takes precedence over the drawings.
