- a. In the event the Contractor wishes the Government to recognize a successor in interest to the contract due to a complete transfer of assets required to perform the contract or an applicable merger, the Contractor must submit a written request to the Contracting Officer with the required documentation. This is required in order to obtain the Government's consent for the successor Contractor to assume contract performance and receive payments for deliveries.
- b. For a change of Contractor name the contractor agrees to provide the necessary documentation to establish that a legal name change has been made, including any revision to payment addresses/accounts.
- c. The Contractor agrees to follow the procedures and provide the documents, as requested by the cognizant Contracting Officer, described in FAA Procurement Guidance entitled "Novation and Change-Of-Name Agreements" published at http://fast.faa.gov/procurement_guide/html/3-10-1.htm.
- d. When it is in the Government's interest not to concur in the transfer of the contract from one company to another, the Contractor remains subject to all contract terms and conditions including termination for default should the Contractor fail to perform.
