

**Incentive Price Revision--Firm Target - Alternate I (February 2003)**

Provisioning and options. Parts, other supplies, or services that are to be furnished under this contract on the basis of a provisioning document or Government option shall be subject to price revision in accordance with this clause. Any prices established for these parts, other supplies, or services under a provisioning document or Government option shall be treated as target prices. Target cost and profit covering these parts, other supplies, or services may be established separately, in the aggregate, or in any combination, as the parties may agree.

**PRESCRIPTION**

Should be used when the contract calls for supplies or services to be issued under a provisioning document or option and prices will be subject to incentive price revisions.
