

### **3.2.2.3-24 Changes or Additions to Make-or-Buy Program (July 2004)**

(a) The Contractor (you) must follow the make-or-buy program in this contract. If you propose to change the program, including changing where you perform any activities or make any items for which you are using your own facilities, you must, reasonably in advance of the proposed change:

- (1) Notify the Contracting Officer (CO) in writing and
- (2) Justify it in sufficient detail for the CO to evaluate it.

(b) When the contract allows items to be added after award, you must, at the earliest possible time:

- (1) Notify the CO of each proposed addition, and
- (2) Justify it in sufficient detail for the CO to evaluate it.

(c) Modifications of the make-or-buy program will be effective when you get the CO's written approval.

(End of clause)

### **PRESCRIPTION**

The CO should use this clause in contracts when we intend to include a make-or-buy program.
