

3.2.2.3-69/alt1 Subcontracts - Construction Alternate I (July 2004)

(a) If the subcontract is for the management or handling of hazardous or toxic wastes, before work shall begin, TSA must receive:

- (i) A copy of EPA Notification of Hazardous Waste Activity (EPA form 8700-12) or equivalent) and
- (ii) Acknowledgment of the notification filing (EPA form 8700-12A or equivalent).

(b) If the subcontract involves management of PCBs before work shall begin, TSA must receive:

- (i) A copy of EPA Notification of PCB Activity (EPA form 7710-53 or equivalent), and acknowledgment of the filing (a letter from EPA). The acknowledgment from EPA will include the EPA identification number assigned.

(End of clause)

PRESCRIPTION

Should be used when subcontracts could be for work with toxic or hazardous waste.
