

1.13-3 Cost/Schedule Status Report Plans (July 2003)

(a) The offeror shall submit a written summary of the management procedures it will establish, maintain, and use in the performance of any resultant contract to comply with the requirements of the clause for Cost/Schedule Status Report.

(b) If the offeror proposes to use a cost/schedule control system that has been recognized by a TSA contracting officer, or by a contracting officer of another federal agency as complying with the 32 EVMS criteria from the American National Standards Institute (ANSI)/Electronic Industries Alliance (EIA) Standard – 748-1998, *Earned Value Management Systems*, the offeror shall submit documentation of such recognition instead of the written summary required by paragraph (a) of this provision.
