

3.2.2.8-6 Time of Delivery - Alternate I (February 2003)

Substitute the following paragraph (b) for paragraph (b) of the basic clause and express the time by substituting "on or before", "during the months _____"; or "not sooner than _____ or later than _____" as headings for the third column of paragraph (a) the basic clause.

(a) The Government requires delivery to be made according to the following schedule:

REQUIRED DELIVERY SCHEDULE

[Contracting Officer insert specific details]

ITEM NO.	QUANTITY	ON OR BEFORE*
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

The Government will evaluate equally, as regards time of delivery, offers that propose delivery of each quantity within the applicable delivery period specified above. Offers that propose delivery that will not clearly fall within the applicable required delivery period specified above, may be rejected. The Government reserves the right to award under either the required delivery schedule or the proposed delivery schedule, when an offeror offers an earlier delivery schedule than required above. If the offeror proposes no other delivery schedule, the required delivery schedule above will apply.

OFFEROR'S PROPOSED DELIVERY SCHEDULE

ITEM NO.	QUANTITY	ON OR BEFORE*
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

(b) The delivery dates or specific periods above are based on the assumption that the Government will make award by _____ [Contracting Officer insert date]. Each delivery date in the delivery schedule above will be extended by the number of calendar days after the above date that the contract is in fact awarded. Attention is directed to the Contract Award provision of the solicitation that provides that a written award or acceptance of offer mailed or otherwise furnished to the successful offeror results in a binding contract. Therefore, the offeror should compute the time available for performance beginning with the actual date of award, rather than the date the written notice of award is received from the Contracting Officer through the ordinary mails.

(End of clause)

*This column heading may also be expressed as: during the months _____; not sooner than _____; not later than _____.

PRESCRIPTION

May be used in RFIs/RFPs and contracts other than those for construction and architect-engineering services when the delivery schedule will be expressed in terms of specific calendar dates or specific periods and is based upon an assumed date of award.
