

**3.13-2 Security Requirements-Classified Contracts - Alternate II (February 2003)**

If employee identification is required for security or other reasons in a construction contract or architect-engineer contract, add the following paragraph (e) to the basic clause "Security Requirements-Classified Contracts."

(e) The Contractor shall be responsible for furnishing to each employee and for requiring each employee engaged on the work to display such identification as may be approved and directed by the Contracting Officer. All prescribed identification shall immediately be delivered to the Contracting Officer, for cancellation upon the release of any employee. When required by the Contracting Officer, the Contractor shall obtain and submit fingerprints of all persons employed or to be employed on the project.

**(End of clause)**

**PRESCRIPTION**

Should be used in RFI/RFP's and contracts if employee identification is required for security or other reasons in a construction or architect engineer contract.
