

3.2.2.3-73 Shipping Spare Parts (July 2004)

When shipping spare parts, the contractor shall include a packing list with the shipment. The packing list shall include at least the following information for each different item shipped: noun name, part number, Commercial and Government Entity (CAGE) Code, quantity, unit price, and national stock number (if available).

(End of Clause)

PRESCRIPTION

The CO must use this clause in contracts for purchasing spare parts.
