

3.2.2.3-60/ALT I Specifications, Drawings, and Material Submittals (Alternate I) (July 2004)

(k) When you finish the work under this contract, you must provide _____ [CO insert number] complete reproducible sets of all shop drawings as we finally approve them. These drawings must show all changes and revisions made up to the time you finish the work and we accept it.

(End of Clause)

PRESCRIPTION

May be used when shop drawings are required and reproducibility is needed. The Contracting Officer should insert appropriate information in the clause.

Note: The CO must insert data in this clause.
