

3.5-1 Authorization and Consent - Alternate I (February 2003)

The following is substituted for paragraph (a) of the clause:

(a) The Government authorizes and consents to all use and manufacture of any invention described in and covered by a United States patent in the performance of this contract or any subcontract at any tier.

PRESCRIPTION

Shall be used in RFI/RFPs and contracts for research and development (including construction and architect engineering services exclusively for research and development), except when both complete performance and delivery are outside the United States, its possessions, and Puerto Rico. When the contract involves R&D and supplies or services, and the R&D work is the primary purpose of the contract, Alternate I should be used.
