

# Be there, for those who need you

## KEEP SUMMER FUN, BY KEEPING KIDS SAFE

### ○ Supervise

Never take your eyes off children in and around water.

### ○ Use Barriers

Fences, self-closing/self-latching gates and secured doors with alarms can prevent young children from wandering into the pool.

### ○ Avoid Entrapment

Suction from a pool's drain is so powerful it can trap an adult underwater. Check for broken or missing drain covers.

### ○ Learn to Swim

To stay safe in the water, all family members should learn to swim well.

### ○ Know How to Respond

Get training in basic water rescue skills, first aid and CPR. Have rescue equipment and a phone by the pool.
