This message is being sent to you on behalf of EPA and DOE's ENERGY STAR® program.

Dear ENERGY STAR Imaging Equipment Stakeholder:

For your review, please find attached the ENERGY STAR Imaging Equipment Draft 3 (Version 1.0) Specification **Stakeholder Comment Response Summary**. This summary attempts to capture all stakeholder comments and requests related to the Draft 3 specification and share EPA's decisions related to these matters.

Please feel free to contact Katharine Kaplan Osdoba, EPA, at osdoba.katharine@epa.gov or Erin Trager, ICF Consulting, at etrager@icfconsulting.com with any questions regarding the attached comment response summary or the Draft 3 or Final Draft versions of the Imaging Equipment specification. For additional information regarding the draft specification, including its development, feedback received to date, or planned next steps, please visit www.energystar.gov/productdevelopment.

Note that comments received in response to the April 19, 2006, Guidance document and April 21, 2006, Final Draft specification will be addressed in the Final Version 1.0 specification distribution, which is scheduled for May 3, 2006. EPA is grateful to all stakeholders for commenting on the Draft 3 specification.
