This message is being sent to you on behalf of EPA and DOE's ENERGY STAR® program.

Dear ENERGY STAR Imaging Equipment Stakeholder:

For your review, please find attached the **Draft 2 ENERGY STAR specification (Version 1.0) for Imaging Equipment** and accompanying cover letter. All manufacturers and other interested parties are encouraged to review and provide comments on this specification by **January 20, 2006**. The specification document includes line numbering to assist in your review. Additionally, a summary of changes is also attached, which outlines the major changes made to format and performance requirements since Draft 1. Feedback may be directed to Katharine Kaplan Osdoba, EPA, at osdoba.katharine@epa.gov or +1-(202)-343-9120.

Please reply to this message if you have any difficulties opening the attached files. Thank you again for your important contributions to this specification revision process.
