This message is being sent to you on behalf of EPA and DOE's ENERGY STAR® program.

Dear ENERGY STAR Imaging Equipment Stakeholder:

EPA would like to sincerely thank everyone who traveled to Washington, DC for the October 14<sup>th</sup> imaging equipment stakeholder meeting, as well as those who were able to participate remotely.

Attached for your review, please find the slides for each of the presentations delivered during this meeting and the list of follow-up action items. Shortly, EPA also will distribute a summary of key points that were raised during the discussions. These files will be available for download on the ENERGY STAR Web site at [www.energystar.gov/productdevelopment](http://www.energystar.gov/productdevelopment) next week along with additional materials from the meeting, including a final attendee list and the accompanying briefing document and Draft 1 specification comment summary.

Please reply to this message if you have any difficulties accessing the attached files. Thank you again for your continuing support during the ENERGY STAR imaging equipment specification development process.
