This message is being sent to you on behalf of EPA and DOE's ENERGY STAR® program.

Dear ENERGY STAR Imaging Equipment Stakeholder:

Attached for your review, please find the following four documents and spreadsheets:

- October 14, 2005 Imaging Equipment Stakeholder Meeting Summary of Key Points
- Revised ENERGY STAR Imaging Equipment Terminology and Definitions
- Typical Electricity Consumption (TEC) Data, as used in the analyses presented in the October 14 meeting
- Operational Mode (OM) Data, as used in the analyses presented in the October 14 meeting

As a reference, please also find included as an attachment the October 14th stakeholder meeting Action Item list, which was originally distributed via email last Wednesday. These files will be available for download on the ENERGY STAR Web site at www.energystar.gov/productdevelopment in the coming days.

Please submit any comments regarding the revised Terminology and Definitions for EPA consideration to Erin Trager, ICF Consulting, at etrager@icfconsulting.com, by **November 18, 2005**.

Thank you again for your continuing support during the ENERGY STAR imaging equipment specification development process.
