Ordering

VETS allows users to acquire a total IT solution that may combine hardware, software, and services. Task orders placed against VETS may be customized to meet the full range of IT service solutions.

Federal buyers wanting to use the VETS GWAC must receive an orientation on the proper use of the VETS contract, and be granted a written delegation of ordering authority signed by a VETS GWAC Procuring Contracting Officer. All individuals involved with an order are encouraged to participate in the orientation. The orientation is offered through:

- *conference call*
- *self-paced, online course at the GSA Center for Acquisition Excellence at www.gsa.gov/centerforacquisitionexcellence*
- *onsite training conferences and events*

Getting started is easy. Just call (877) 327-8732 or send an e-mail to vetsgwac@gsa.gov.
