## Description of codes used on this report:

Universe	Description
<b>LQG</b>	Indicates that the site is a large quantity generator of hazardous waste.
<b>SQG</b>	Indicates that the site is a small quantity generator of hazardous waste.
<b>CEG</b>	Indicates that the site is a conditionally exempt small quantity generator of hazardous waste. CEGs are not required to notify EPA of hazardous waste activity. The absence of a CEG indicator for a site does not indicate a data quality problem.
<b>Transporter</b>	Indicates that the site transports waste subject to RCRA regulations.
<b>Used Oil</b>	Indicates that the site is a handler of used oil waste.
<b>Operating TSDF</b>	Indicates that the site is an operating treatment, storage or land disposal facility.
<b>Permitted</b>	Indicates that the site is a permitted treatment, storage or land disposal facility.
<b>Corrective Action</b>	Indicates that the site is subject to corrective action.
