

List of Designated Users

From: _____
Company Name (Prospective Prime Offeror)

Subject: Request Passwords to Access Networx Hosting Center

To: Networx Contracting Officer

Request that passwords be assigned to the following designated users¹:

	Last Name	First Name	MI	Requested username
1.				
2.				
3.				
¹ The Government requests that prospective offerors minimize the number of individuals designated for access to the NHC. Further, the Government recommends that prospective offerors designate a single user to perform all NHC user functions. However, the number of designated users is at the discretion of the prospective prime offeror.
