Antarctic Operations	95
Earth Satellite	96
Results of First 12 Months of Observations	98
Conclusion	103

APPENDICES

A. National Science Board, Staff, Committees, and Advisory Panels	107
B. Financial Report for Fiscal Year 1958	116
C. Grants for Basic Research	118
D. Grants Other Than Research	148
E. Grants for the International Geophysical Year Program	162
F. Fellowship Awards	166
Name, Residence, and Field of Study of Individuals Awarded NSF Fellowships	166
Institutions Chosen by NSF Predoctoral Fellows	181
Present or Most Recent Institutional Affiliation of Individuals Offered NSF Postdoctoral and Science Faculty Fellowships . .	182
G. Publications Resulting From Research Grants and Fellowships .	186
Division of Biological and Medical Sciences	186
Developmental Biology	186
Environmental Biology	187
Genetic Biology	189
Metabolic Biology	190
Molecular Biology	193
Psychobiology	201
Regulatory Biology	204
Systematic Biology	207
Division of Mathematical, Physical, and Engineering Sciences	211
Astronomy	211
Chemistry	212

G. Publications Resulting From Research Grants and Fellowships—Continued
