Melody furniture combines modern style with high quality materials to provide work place functionality at responsible prices. The basic offering features bow front desks, extensions and conferencing that allow you to create your own office environment. The upper storage options for over the work surface are highly functional and provide privacy when used in open spaces. You can increase your storage by adding bookcases, wardrobes and filing to your space.

Melody comes in three distinctive wood grain colors and two unique two-toned color combinations. Basic black metal hardware and electrical grommet covers accent these colors to create a striking look.

The materials used in the construction of our furniture are of the highest quality. All surfaces are covered with a durable high pressure laminate that resists wear better than any other material used in today’s office furniture. Work surfaces are 1-1/4" thick. All other surfaces are 3/4" thick. The drawers are made of nine ply birch plywood with a tough UV finish. These drawers ride on powder coated full extension ball bearing slides. All edges are completely trimmed with a matching 2mm PVC edge-band that matches the laminate color.

Our commitment to Quality is second to none. All furniture is produced in our ISO-9001:2000 Certified manufacturing facilities located in the U.S.

Product Delivery and Pricing

We take both FOB Origin and FOB Destination orders. All products are shipped via surface transportation.

On FOB Origin orders, title/product-responsibility passes to the customer at the time of shipment. You may arrange your own transportation on FOB Origin orders, coordinating with FPI accordingly. Otherwise, your order will be shipped by common carrier at your expense.

On FOB Destination orders, title/product-responsibility passes to the customer upon delivery to the dock of the designated point-of-delivery. Freight charges are included in the product prices listed in the FOB Destination column of this price list.

Contact the Customer Service Center for destination prices where none are given. Such destination pricing for delivery outside the continental U.S. must be negotiated based on the freight rates at the time of shipment.

Services, such as space-planning/design, storage, inside-delivery and installation are not in this price list. Contact the Customer Service Center for such service-fee quotations.

Standard packaging varies per individual product. UNICOR will accommodate your special packaging requests, however, an upcharge may apply. Contact the Customer Service Center for more information.

Shipment Claims

UNICOR products are packed to comply with carrier requirements. All shipments should be inspected by the consignee before acceptance.

The delivering carrier should be requested to record any damage or shortage of items shipped. If any shortages are discovered, please also notify UNICOR Customer Service Center immediately.

Shipping damage and shortage claims must be filed with the carrier within 15 days of delivery. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for shipping damages or shortages.

Concealed Damage Claims

Claims for concealed damages must be filed with the carrier within 15 days after the delivery of goods. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for concealed damages.

Neither UNICOR nor the carrier will be responsible for concealed damages if shipments are left unopened and/or claims are not filed within 15 days.
