Pricing Results Overview

The results for each priced CLIN are available in the panels below. The top panel, labeled "Total MRC Summary", lists the total price for every vendor in each distinct date range.

To save, download, or clear your entire set of prices, click the appropriate button on the toolbar above. You can also download, hide, or remove individual CLINs results by clicking the "Options..." button next to the name of each CLIN below. If the CLIN has associated components, you can view them under the "Associated..." menu next to the name of the CLIN.

Box 5 – Pricing Options

This panel allows you to adjust any applicable pricing parameters such as quantity or bandwidth

5. Pricing Options

This panel allows you to adjust any applicable pricing parameters, such as quantity and bandwidth.

Quantity:
 units

When in doubt, don't change the default

The screenshot displays a procurement system interface. On the left, a 'Network' section has a dropdown menu open for bandwidth, listing options from 20Mbps to 50Mbps in 1Mbps increments. The 45Mbps option is highlighted. Below this, the '5. Pricing Options' section contains a text box for 'Quantity' with the value '1' and the unit 'pvc at'. On the right, a 'Pricing' section shows a date range selector with radio buttons for 'All Available Year', 'This Year (2007-09-30)', 'This Month (2007-09-30)', and 'Custom Date Range'. The 'All Available Year' option is selected. Below the date range, there is a text box for 'Quantity' with the value '1' and the unit 'pvc at'.

Total Price Summary

Total Price Summary Options... ▾							
Frequency	AT&T (Univ)	AT&T (FTS)	BT&T (Univ)	Bwest (Univ)	MCI (FTS)	Qwest (Univ)	Sprint (F
MRC	\$4677.8	\$4021.99	\$249.57	\$391	n/a	\$3624.77	n/a

Total Price Summary shows the sum of all price results by vendor:

- *If more than one CLIN was priced, the summary will reflect the sum of the results from each CLIN*
- *If the CLIN is an MRC CLIN, results will reflect the multiplication of the # of months in the chosen time period by the price; if the date range encompasses more than a single year, annual results will be summed together*
- *If the CLIN is an NRC CLIN, results will reflect the price, or the sum of the prices if the date range encompasses multiple years*
- *If the CLIN is a Usage CLIN, results will reflect the CLIN price multiplied by the quantity specified in Box 5*

*HOW DO I PRICE MY
DEDICATED ACCESS?*
