

U.S. Supplier Search

Looking For New Suppliers?

Find Them With the U.S. Commercial Service Automotive Team

Securing reliable suppliers of innovative products and new technologies can mean a huge competitive advantage for your company. The U.S. Commercial Service Automotive Team helps overseas firms locate U.S. suppliers of automotive components, production equipment, vehicles, aftermarket products, and engineering services.

- Obtain valuable information on U.S. sourcing alternatives. The team will conduct tailored research to identify companies matching your requirements.
- Receive a customized, detailed written report on U.S. automotive suppliers, joint venture partners or licensors.
- Fully screened U.S. companies will be evaluated according to the search requirements and reports include information on company size, annual revenue, key contacts and more.
- Save time and money by working with U.S. government to make valuable contacts.
- Take advantage of the Automotive Team's network of specialists located in offices across the United States.
- Get this information in 30 business days or less without travel expenses.
- All this for a price of \$400 per report, subject to change based on requirements of search.

The U.S. Commercial Service — Your Global Business Partner
