Interagency Arctic Research Policy Committee Staff

The following individuals are the principal staff representatives for the Interagency Arctic Research Policy Committee. Additional staff support is provided by the Federal agencies for specific activities through working groups, as necessary.

Luis Tupas
Department of Agriculture
Washington, DC 20024
ltupas@csrees.usda.gov

John Calder
National Oceanic and Atmospheric Administration
Department of Commerce
Silver Spring, Maryland 20910
john.calder@noaa.gov

John Stubstad
Department of Defense
Rosslyn, VA 22209
John.Stubstad@osd.mil

Wanda Ferrell
Department of Energy
Washington, DC 20545
wanda.ferrell@science.doe.gov

Douglas Steele
U.S. Environmental Protection Agency
Washington, DC 20460
Steele.Doug@epamail.epa.gov

Natalie Tomitch
National Institutes of Health
Department of Health and Human Services
Washington, DC 20892
tomitchn@ficod.fic.nih.gov

Thomas Wojahn
U.S. Coast Guard
Department of Homeland Security
Washington, DC 20593
twojahn@comdt.uscg.mil

James Devine
U.S. Geological Survey
Department of Interior
Reston, Virginia 22092
jdevine@usgs.gov

Waleed Abdalati
National Aeronautics and Space Administration
Washington, DC 20546
wabdalat@hq.nasa.gov

Charles E. Myers
National Science Foundation
Arlington, Virginia 22230
cmymers@nsf.gov

Igor Krupnik
Smithsonian Institution
Washington, DC 20560
krupnik.igor@nmnh.si.edu

Ann V. Gordon
Department of State
Washington, DC 20520
gordonav@state.gov

Richard Voelker
Maritime Administration
Department of Transportation
Washington, DC 20590
richard.voelker@marad.dot.gov
