

in this process shall be documented in the Plan Set of Documents.

(b) *Administrative corrections.* Administrative corrections may be made at any time and are not plan amendments or revisions. Administrative corrections include the following:

- (1) Corrections and updates of data and maps;
- (2) Corrections of typographical errors or other non-substantive changes;
- (3) Changes in the monitoring program and monitoring information (§219.6(b));
- (4) Changes in timber management projections; and
- (5) Other changes in the Plan Document or Set of Documents, except for substantive changes in the plan components.

(c) *Approval document.* The Responsible Official must record approval of a new plan, plan amendment, or plan revision in a plan approval document, which must include:

- (1) The rationale for the approval of the plan, plan amendment, or plan revision;
- (2) Concurrence by the appropriate Station Director with any part of the plan applicable to any experimental forest within the plan area, in accordance with §219.2(b)(3);
- (3) A statement of how the plan, plan amendment, or plan revision applies to approved projects and activities, in accordance with §219.8;
- (4) Science documentation, in accordance with §219.11; and
- (5) The effective date of the approval (§219.14(a)).

§219.8 Application of a new plan, plan amendment, or plan revision.

(a) *Application of a new plan, plan amendment, or plan revision to existing authorizations and approved projects or activities.* (1) The Responsible Official must include in any document approving a plan amendment or revision a description of the effects of the plan, plan amendments, or plan revision on existing occupancy and use, authorized by permits, contracts, or other instruments implementing approved projects and activities. If not expressly excepted, approved projects and activities must be consistent with applicable plan components, as provided in para-

graph (e) of this section. Approved projects and activities are those for which a Responsible Official has signed a decision document.

(2) Any modifications of such permits, contracts, or other instruments necessary to make them consistent with applicable plan components as developed, amended, or revised are subject to valid existing rights. Such modifications should be made as soon as practicable following approval of a new plan, plan amendment, or plan revision.

(b) *Application of a new plan, plan amendment, or plan revision to authorizations and projects or activities subsequent to plan approval.* Decisions approving projects and activities subsequent to approval of a plan, plan amendment, or plan revision must be consistent with the plan as provided in paragraph (e) of this section.

(c) *Application of a plan.* Plan provisions remain in effect until the effective date of a new plan, plan amendment, or plan revision.

(d) *Effect of new information on projects or activities.* Although new information will be considered in accordance with agency NEPA procedures, nothing in this subpart requires automatic deferral, suspension, or modification of approved decisions in light of new information.

(e) *Ensuring project or activity consistency with plans.* Projects and activities must be consistent with the applicable plan. If an existing (paragraph (a) of this section) or proposed (paragraph (b) of this section) use, project, or activity is not consistent with the applicable plan, the Responsible Official may take one of the following steps, subject to valid existing rights:

- (1) Modify the project or activity to make it consistent with the applicable plan components;
- (2) Reject the proposal or terminate the project or activity, subject to valid existing rights; or
- (3) Amend the plan contemporaneously with the approval of the project or activity so that it will be consistent with the plan as amended. The amendment may be limited to apply only to the project or activity.
